

# Yoder Plant Major Producer Steel Processing Equipment

While Canada is celebrating its 100th birthday, a new industry has been created in Georgetown. This newly formed organization, Yoder Equipment Canada Ltd., officially opened its doors on April 5th.

The new plant covers 25,000 square feet and is located at 25 Todd Road. The opening of the plant was announced by E. H. Kanzenbach, vice president of International Operations of the Yoder Company, Cleveland, Ohio, U.S.A.

The newly formed organization is composed of the former Rolling Specialties Ltd. of Canada and the Cleveland based concern. Rolling Specialties has, up to this time, been the exclusive licensee for the manufacture of Yoder Products in Canada. Yoder Equipment Canada Limited is managed by the

principals of the former Rolling Specialties concern: John Simonyi, President and Leslie Simonyi, Treasurer and Secretary.

"The establishment of Yoder Equipment Canada Ltd. is a positive expression of our interest in the rapidly expanding metalworking industry in Canada," said Mr. Kanzenbach. This new facility will enable Yoder to produce all of its various types and sizes of equipment that are now being manufactured in the U.S. Mr. John Simonyi, President, said that he was very anxious to provide the best equipment available to Canadian metalworking organizations and he could best do this by becoming a part of the Yoder organization. Yoder has been selling in Canada and many foreign lands for many, many years. Sales are expected to increase in Canada with the opening of the new

Canadian firm will be able to buy Yoder equipment without the added burden of a 7½ to 22½ per cent duty and the plant will provide additional jobs for Canadians.

The exclusive sales representative for Yoder Equipment Canada, Ltd., remains the Rudel Industrial Division of Robert Morse Corporation, Ltd. The Robert Morse organization is very well known to Canadians and has approximately 22 sales outlets in Canada all of which are capable of providing information and sales on Yoder equipment.

The Yoder Company is located at 5500 Walworth Avenue, Cleveland, Ohio, and is one of the world's most prominent designers and builders of pipe mills, tube mills, roll forming machines, slitting lines and cut-

## Cooksville Rolling Mill is Product of Local Yoder Firm

A Georgetown company has collaborated with a Cooksville manufacturer to produce a first in Canada for this area.

A \$300,000 cold-steel rolling mill with the largest capacity in Canada will be in operation by May 1st at the Cooksville plant of Canadian Metal Rolling Mills Ltd., the company's president, Ernest L. Samuel, said yesterday.

The 57-ton, 60-foot long mill machine will be fed by 10-ton spools of steel. It will accept 4 maximum width of 56 inches for processing and produce rolled products up to 80 feet long.

The mill, built by Yoder Canada Ltd. of Georgetown, will produce many products formerly imported and a variety of products for export markets, Mr. Samuel said. He expects initial production to be about 20,000 tons a year, rising to about 80,000 tons annually.

The 22 stand unit will turn out three feet wide roof deck for architectural uses. Roof deck produced in Canada is two feet wide and Mr. Samuel said the addition of the extra foot will lower installation cost.

Canadian Metal Rolling was formed in March by Samuel, Son and Co. Ltd., and Samuel Steel Strapping Ltd., both of Cooksville and Thomas P. Murphy, president of ABC Steel Building Ltd. of Bolton. Mr. Murphy is vice president of Canadian Metal Rolling.

Mr. Samuel said the company will custom form to specifications and said the mill will produce structural, agricultural, automotive and railroad materials.

As the rolling mill gets into full production, helping home produced products at the expense of imports, it is anticipated that some 20 more men will be employed.

"We are very hopeful," said Mr. Samuel, "that we can capture a great deal of the Canadian market that must now be bought abroad."

## Halton Medical Co-Op Elects New Officers

At a special board meeting of Halton Co-operative Medical Services the following were appointed as the new executive for 1947-2968.

President, Sam Finnie Sr., R. R. 1, Hornby; past president, George Robertson, R. R. 1, Acton; vice president, William R. Hume, 66 Martin St., Milton; director, R. L. Davidson, R. R. 2 Acton; director, Mrs. Roy Wilson, R. R. 4, Milton; secretary-treasurer, Mrs. Murray Tasker, R. R. 1, Milton.

Also on the board are the following directors: Arthur B. Harris, R. R. 1, Burlington; Albert Hunter, R. R. 1, Norval; Harold C. Biggar, R. R. 1, Oakville; Clifford Brown, R. R. 3, Milton; Tom Anderson, R. R. 1, Hornby; Dr. J. W. Turvey, Milton; Francis M. Wilson, Jr., R. R. 3, Georgetown.

Mr. Wilson is a new director on the board replacing J. Norman Bird of Georgetown, who has retired after several years of service on this board.

Mrs. Murray Tasker is the new secretary-treasurer as of April 1, and is replacing Mrs. Fred Edwards who is retiring.

After the business meeting, Mrs. Roy Wilson, on behalf of the board, presented Mrs. Edwards with a gift in token of their appreciation for her past years of service.

Judging by the conversation, the girls will be both busy cooking and sewing this coming week as they prepare for their Centennial Fair next Saturday. Many of them are making special costumes for the occasion.

Jean Wilson gave a very sincere vote of thanks to Mrs. May for opening her home and to Mrs. Renkenaar for helping with the cooking all through the club.

which are served in Chinese restaurants after the meal with tea. Jessie Harris made spice drop cookies which are Dutch favorites and Beth Laidlaw made New England toastwiches which are brown beans on toast with cheese and bacon strips.

## Bill Garbutt Chairman Swimming Pool Board

William Garbutt was named chairman of the Georgetown Community Swimming Pool Board at the inaugural meeting in the Memorial Arena Wednesday, April 5th.

Donald Jarvie was elected treasurer, Rex Cock property chairman, Lynn McLaren, program chairman, and Donald Gosling secretary. Other members of the Board are Stan Walsh, Roy Ballentine and Fred (Tut) Harrison.

A request for \$8,000 from the town for repairs and maintenance was the first item of business.

There was also a letter from the Georgetown YMCA - YWCA asking for an hour at the pool each day as part of their children's Day Camp.

NEW P.S. TRUSTEE

Robert Bradley, 29 Delrex Blvd., was appointed to the Georgetown Public School Board at a meeting Wednesday.

He will fill a vacancy left when vice-chairman Reg Mooney resigned last month. Mr. Mooney is leaving town to take a new job in Windsor.

## The truth about swinging Britain

Not all of Britain swings. There's still a traditional Britain that's truly unforgettable. It's simply a matter of choice. Some of our passengers fly to Britain for a swinging vacation. Others prefer the things which you find only in Britain... splendid castles, the changing of the guard. Hillsides ablaze with purple heather.

Only BOAC with Air Canada flies direct to Britain, and this summer we offer you the choice of up to 12 jet services a day from Toronto and Montreal. And there are several flights a week from western Canada; including direct services to London.

Plan your trip now. See your BOAC travel agent and he'll plan your kind of British vacation.

## Ashgrove Centennial Cooks End Program This Saturday

There were 18 members present when the Ashgrove Centennial Cooks met at the home of Debbie May on April 8th for their seventh meeting. The roll call, a country I would like to visit and why proved very interesting. At this final work meeting the girls discussed the Oriental food customs in our country and Janet Nurse made a typical East Indian dish, Chicken Curry, while Kathy Hyatt made some small almond cakes
