

Bob Goldham Speaker At Windup Dinner

Juri Kudrasov Most Valuable Hockey Minor In Georgetown

The Georgetown Minor Hockey Support Group held their annual banquet at the Legion hall Sunday, April 30.

After a toast to the Queen led by Bob McMenemy, dinner was served by the mothers, sisters and grandmothers of the players. This group was headed by Dorcen Long and Jessie Hayes. The tables had a display of geraniums on them, the compliments of Rosedale Floral.

The head table was introduced by the president Harold Seckington. Included were town council representatives Bill Smith; Bantam Hockey Association Chairman "Red" Asseltine; Secretary-treasurer Del Beaumont; Tri County Rep Bill Korzak; Vice president Bob McMenemy; Guest speaker Bob Goldham; Past president Herb Robinson; Tri County president Fred Hammond; Legion Branch 120 president Ralph Hawes.

The trophies that are in possession of the Group were on display and Herb Robinson gave a run down on their history.

A new individual trophy that was put up for competition this year was won by Benny Hepes of the Bantam team. The trophy is presented to the player in the Bantam Hockey Tournament with best combined ability and sportsmanship and this is voted on by the referees at the Bantam Tourney.

This trophy is called the Red and Jean Asseltine trophy. It was donated by all the players who started their hockey here in the Tyke League. This league was started by "Red" Asseltine. This year on the Georgetown Bantam Grand Champion winners there were two players that were registered in that league when it first started they were Jamie Moody and Brian Beaumont.

The guest speaker Bob Goldham was introduced by Bob McMenemy. Bob was a fellow Georgetown and played most of his NHL hockey for the Detroit Red Wings.

In Bob's speech he said that hockey had been certainly good to him and it was a good life for any young player to follow who has the ability. He was quite proud of the fact that he had been the coach for three years of Dave Keon when he played Jr. hockey for St. Mikes.

Art Sheppard thanked Bob for his appearance at the banquet and said that we are proud of his contribution to hockey.

Individual replica trophies were presented by two members of the Tri-County Minor Hockey Association executive: to Midget: leading scorer Marty Fowler; Bantam: Best goalkeeper, John Blair; Pee Wee: Most valuable player: Brad But-

Group championship crests were presented to the Midgets by Herb Robinson and to the Bantams by Bill Korzak.

The Georgetown Novice team who were the only team out of 62 teams in the Tri-County Hockey League to win an Ontario Minor Hockey Association championship were presented with individual trophies by Bob Goldham which were donated by the Support Group.

E.W. Bliss Co. of Canada donated engraved wrist watches which were presented by Mr. Lionel Salisbury of the company to the Novice team for winning the championship of the OMHA. The company is a co-sponsor of the team.

Fastball Loop Bigger By One

The Tri-County Fastball Loop may expand to six teams this season.

League president Scotty Paterson said after a meeting this week that Georgetown, Glen Williams, Rockwood Hillsburgh and a new club Guelph Jrs. will definitely take part in league action this year.

Action an entry last year is a possible return but if Tanager-town officials decide against it Eden Mills is waiting in the wings to become the sixth team. The regular schedule starts the weekend of May 28.

Pitched Here, McDonald Shines In Pro Debut

George McDonald who pitched against Georgetown Giants as a Burlington Indian in the Halton County Intermediate Baseball loop last season made impressive debut into professional baseball with St. Petersburg Cardinals a week ago.

Pitching in a Florida State League against Miami Marlins, the hard-throwing left hander lost a 2-0 decision in ten innings.

McDonald allowed just three hits over the last nine innings and lost the game in the tenth when his pitching opponent hit a bloop single.

The youngster was signed by the St. Louis Cardinals at a try-out camp in Hamilton last summer.

COUNCIL BRIEFS

The mayor will be out planting flowers on Main Street May 13th. It's part of a beautification campaign launched by the horticultural society.

"I appreciate someone giving something to the town," commented the mayor, after a letter was read from Bob Barber, 50 Market Street, in which he offered the services of his rhythm and blues band at a street dance, free of charge.

The town will offer trees for front yard and street planting for two dollars each. The individual household will be responsible for planting.

A by-law will be prepared to appoint Mrs. Bell acting treasurer.

The by-law authorizing the construction of the iron removal plant and the borrowing of \$205,000 to cover the cost was given final reading.
