

# Would Have Township Shoulder Some Of Sport Facility Costs

A request from the principal of Norval School for the use of the park June 21st for the Esquing schools field day, sparked a discussion regarding Esquing township sharing some of the cost of the town's recreational facilities.

## Carol Swackhamer Junior Farmer Queen

About fifty couples, attended the Halton Junior Farmers Annual Spring Dance, held at Leisure Lodge, Preston, on Saturday, May 6.

Several guests from neighbouring counties attended also. The climax of the evening was the crowning of the Junior Farmer Queen. Miss Wilma Mason crowned the new Queen, Carol Swackhamer. The two princesses were Joy Hayward and Peggy Madill.

## UCW Holds Showers For Mary Beckford

A double miscellaneous shower was held in Norval United Church by the UCW on Tuesday evening May 2nd for Mrs. David E. Woodland, the former Mary Beckford and for Mrs. Charles Carney, the former Marie Robertson.

Mrs. Bill Laidlaw was in charge of the evening and conducted a contest before calling on Mrs. N. Burnhardt, Mary's sister, who received the gifts for her. Mary was confined to Georgetown Hospital with injuries suffered in a car accident. Her husband who was more seriously injured is in a Toronto hospital.

Marie was assisted in opening her many gifts by her sister Miss Gwendolyn Robertson and her sister-in-law Mrs. Carl Schenk.

Lunch was served by the social committee and a social time enjoyed.

No-one objected to the school children using the park, but Cr. Wm. Smith contended there was no reason Esquing should not pay any costs of preparing the track or cleaning up the park after the event. "Esquing never offers anything," he maintained "we have to hold something over their head to get anything."

Deputy-Reeve Arthur Speight felt something might be worked out by sitting down in a friendly atmosphere and talking it over.

## Four Cyclists Will Be Champs at Bike Road-E-O

Four local boys and girls will be cited for their outstanding ability to ride their bicycles later this month.

The recipients of trophies symbolic of expert bike riding will be determined in a Bicycle Road-E-O sponsored by Georgetown Jaycees in front of the park grandstand, Monday, May 22.

The Road-E-O is open to all bike riders. A tricky examination course on the park track will test riders in every facet of bicycle riding, balance, circling, distance judgement and many others.

There will also be a safety inspection of bikes entered in the Road-E-O.

A special award will be a trophy for the best score by a group, for instance a Cub or Brownie pack.

The 25 cents entry fee will entitle entrants to pop and a hot dog.

Jaycee Ron Sauer is chairman of the project, first annual edition of which was held three

Cr. Bob Francis said he had tried to point out the cost of maintaining baseball diamonds and track, but had accomplished nothing. Cr. Fred Harrison claimed he "had been a voice crying in the wilderness for years on this subject." He said he saw no reason why Georgetown ratepayers should pay taxes for the park while outsiders get the use of it for nothing.

A copy of the motion giving Esquing schools the use of the park for their field day will be forwarded to Esquing council.

Cr. Roy Ballentine pointed out that the property was landlocked, while Cr. Fred Harrison claimed it was impossible to service the area with sewers. He advised Mr. Wyga to submit a plan of subdivision of the whole area.

Deputy-reeve Arthur Speight suggested asking all the residents in the area to apply for sewers under local improvement.

Cr. Bob Francis pointed out there was no reason why he could not apply for a building permit on a septic tank basis, which the health unit had already approved.

Mr. Wyga was advised to apply for a building permit, which would probably then go to the planning board for consideration.

## Property Is "Land Locked" No Sewers

Mr. H. Wyga, owner of land near the Credit Valley Bottling Works, asked council for a building permit Monday night.

Cr. Bob Francis pointed out there was no reason why he could not apply for a building permit on a septic tank basis, which the health unit had already approved.

## ROLLER SKATING RETURNS SATURDAY

If you can't have wings on your feet, wheels are probably the next best thing. Hundreds of people who like travelling in big circles on little wheels will be in their glory Saturday night when the Memorial Arena's most popular attraction — Roller Skating — makes its return.

For the admission price, customers can have three hours of roller-skating (from 7 to 10) and then dancing from 10 to midnight.

The arena has 210 pairs of rental skates available if you don't have your own and you have 200 friends in the same boat.

This is the third season that the Memorial Arena has offered its facilities for roller skating.

## At The Park

When Georgetown Giants open the 1967 baseball season against the Milton Red Sox here Wednesday, May 17, it will be "done up right."

Club president Jim James said Mayor Joseph Gibbons and Centennial committee chairman Cr. Bill Smith will "toss the first ball" to declare the schedule underway.

The game will start at 6:45

## TERRA COTTA RD. TO COST \$230,000

Decision to build a new road into the Terra Cotta Conservation Area was greeted with enthusiasm by residents of the district, in particular those living along the old road.

Expected to be ready in June the new, paved road will be west of the existing one, following an old trail. Cost will be \$230,000, with 80 per cent provided by the province. Chinguacousy Township will recover the remainder from the county.

## THE GEORGETOWN HERALD THURSDAY, MAY 11th, 1967 PAGE 11

At a recent meeting of the public concerned, pleasure was evident when the decision was announced. The heavy traffic—up to 2,000 cars on a Sunday—and the never-ending dust have been a major disturbance to residents.
