SCOUT CORNER

Cubs Discover Falls, Dam on Eight Hour Trail Hike

Eighteen Cubs of the 5th Georgetown B Pack, and 12 from 1st Scotch Block Cub Pack combined to hike one of the most interesting sections of the Bruce Trail recently.

Starting from No. 5 Sideroad at 9 o'clock on a Saturday morning, the Cubs stayed on the trail until 3 in the afternoon walking east toward Limehouse.

During the productive walk the group visited Hilton Falls, and spotted a beaver dam, a porcupine in a tree, groundhogs, chipmunks, watersnakes, and lots of wild flowers.

Some Cubs who had not passed their fire lighting and cooking tests did so during a stop for lunch.

With the boys were Leaders Ross Colter, Mrs. Terry Colter, Bill Schriber, and parents Blair Kennedy, and Mrs. Claire Pelletier.

Pack Peeps at Pearce Posies

Leader Mrs. Terry Colter took cuba of the 5th Georgetown B Pack through the Rose-

dale Floral greenhouses on Murdoch St. recently. The Pack was divided into three small groups and made the visit on three different days.

The greenhouse tour is a requirement for a black star.

Mrs. Ernie Pearce showed how seeds are planted, transplanted into boxes in a later stage and finally put out for sale. Of a particular interest was a machine which grinds the soil very fine for tiny plants. The Cubs learned that the greenhouse soil is a special preparation that comes from a farm near Brampton.

TREE BEE IS "GOOD DEED"

5th Georgetown B Pack Cubs earned points on both their Black Star and Blue Star with a tree planting project recently.

The Cubs bought six Carolina poplars and planted them on the Holy Cross Church property with the help of leaders Ross Colter, Jim Smythe and Mrs. Terry Colter, plus a couple of dads Mike Fitzmaurice and Malcolm Swim.

Tree planting is a Black Star requirement and since the boys earned the price themselves by delivering advertising material, the project also served as a good deed toward the church, worth points on their Blue Stars.
