Mrs. Victor Holman, is visiting with her sister Mrs. E. Hicken. Mrs. Holman, whose home is in Birdlip near Gloucester, England, arrived on Friday last, and expects to spend about six weeks here.

Sincere sympathy of the community is extended to Mr. and Mrs. K.C. Lindsay, in the death of their eldest daughter Ruth, who passed away on Friday, May 12th at the Toronto General Hospital, where she has been a patient for a number of weeks.

Miss Beatrice Standish is at present a patient in the Greater Niagara Hospital, Niagara Falls. Her many friends in this area wish her a speedy recovery.

Happy birthday to Lynda Jean Lawson, who will be ten years old on Friday and to Robert Mark Webster who will be celebrating his 1st birthday on Saturday May 20th with his grandparents Mr. and Mrs. Wm. Humphreys.

The Esqueing Women's Institute held their regular May meeting at the home of Mr. and Mrs. Joe Standish on Thursday evening May 11, with the newly elected president, Mrs. Robert McDonald in the chair.

The meeting opened with the Institute Ode, and the Mary Stewart Collect.

The roll call was answered with "Remedy for a cough." Mrs. Robert Lawson, read a mother's day poem.

Several items of business were dealt with, and the bronze plaque for the Centennial Cairn was displayed. Mrs. Herb Reid, district director, Mrs. Robert McDonald and Mrs. Murray Thoms were elected delegates and Mrs. Stewart Hall and Mrs. Jos. Standish as alternates to the district annual meeting to be held in St. Paul's United Church Milton May 24th.

Members agreed to order Centennial spoons for sale.

Mrs. Stuart Hall, health convener, and in charge of the program for the evening, introduced Mrs. Mary Simpson RN, who is presently First Aid chairman of the Red Cross.

Mrs. Simpson gave a most interesting illustrated talk on the story of Drugs — an Educational program initiated by the Drug Directorate of Dept. of National Health and Welfare.

She began with the history of drugs, thousands of years ago, and told of the use of the same drugs to-day. Her slides showed how the misuse of drugs could be fatal, and warned all to keep any drugs from children.

Mrs. Murray Thoms thanked Mrs. Simpson and presented her with a centennial plate.

A penny sale proved most interesting, especially when a number of these present when asked to take a number, managed to get their own, and win one of the displayed items.

The president, announced that it had been suggested to her, that the name of the Institute be changed to Stewarttown.

This had been suggested a few years ago, and at that time some of the older members felt that as one of the older institutes in the area, and named when the Post Office known as Esqueing was situated in the village it would lose much of its historic value by changing the name, and it was suggested at that time the name be left as was, and add Stewarttown in brackets, for identification purposes thus reading Esqueing Women's Institute (Stewarttown.) After a brief discussion it was agreed that it would again be discussed at the June meeting.

Mrs. J. Dawson and Mrs. Herb Reid assisted the hostess with lunch, and Mrs. W.R. Lawson moved a vote of thanks to all who had assisted with the meeting.

Saturday evening the Community Hall was again the scene of activity, when St. Stephen's Sidesmen's Centennial Show was presented, sponsored by St. John's Church Action group.

The program presented in two acts, consisted of a chorus group, square dancing, and comedy routines. Mr. Lorne Whaley was master of ceremonies, and assisted by Mr. Bob Gracy, music director was Mrs. Ann Bye.

Georgetown & District Memorial Hospital administrator Fred Whittaker said this week "the pill" may be the reason of a trend in low maternity ward occupancy.

In a monthly report to the Herald Mr. Whittaker said the hospital's percentage of occupancy is just 32.2 per cent as of the start of this month compared with 58.6 per cent in the children's ward, and 96.1 per cent in the medical and surgical ward.

"The low maternity ward occupancy seems to be general throughout the province perhaps due to the pill," he said. "Most other hospitals are experiencing a similar drop in maternity cases."

**Two on Motorcycle Hurt in Accident**
