

GIANT "PLAYER OF THE WEEK"

TONY "NO MISTAKES" BOUDREAU

GEORGETOWN GIANTS of the Halton County Intermediate Baseball League have a versatile member in their left handed pitcher Rod Donaldson. As well as throwing with authority from the port side the Giant newcomer is also a better than average cartoonist. His jitching talent can be seen at the Georgetown park, and his drawing ability may be witnessed weekly in The Herald from now on in the form of a player of the week cartoon. First to occupy the spotlight is opening game hero Tony Boudreau, who sparkled defensively and offensively at second base.

**Seek Coaching Assistance
Minor Baseball League**

Bill Anderson, a member of the 1966 executive of house league minor baseball, is faning the coals in a last ditch effort to keep the league alive.

In an ad in the Coming Events column this week he has galled for any adults willing to coach or umpire in the league to get in touch with him. He told The Herald that if there is sufficient response he will advertise a registration date.

"I would hate to see this league fall through," he commented.

The house league minor baseball has provided organized baseball for some 200 boys in Georgetown for the past seven years. This year there have not been enough interested adults to form an executive.

COOL START ON THE GREEN
Georgetown Lawn Bowling Club was "cooled out" on opening day, Saturday. Members played one game and then called it quits because of the heat. About twenty turned out for play, Monday.

**POPIEL, KERR
QUALIFY FOR ALL
ONTARIO SHOW**

As a result of the CWOSSA Track and Field Meet in Kitchener last Thursday, two Georgetown athletes qualified for the All-Ontario Meet next Saturday.

Jan Popiel launched the senior Javelin 148' into a head wind to win this event by a good margin. Jim Kerr will represent Georgetown District High in the senior discus. Jim qualified with a heave of 138' which was only 6' below the existing record.

Isobel Lieder took a first in the Girls' Senior Discus, however there is no further competitions for female competitors. Rupert Bragg-Smith ran a fine intermediate 880 and placed third behind track-club trained runners.

The remainder of the Georgetown team failed to place, but represented their school very well, and were in no way outclassed.
