Promises Improvements To Main Street South

Improvements to Main Street south are on the priority list for this year's road program a ratepayer was assured Monday. William Campsey, 40 Main St. S. said he has been promised improvements to the street for years, and that poor drainage and broken sidewalks are not in keeping with the doubled taxes he pays since buying his home.

"I hate to say it, but I have visited many towns across Canada this year and Georgetown is one of the worst looking I have been in," he said.

He mentioned broken sidewalk in front of the McGibbon Hotel as one example where an improvement is needed.
