

## Roller Skating Continues to Grow in Popularity

Boys get ready to go at roller skating session

Roller skating in town is becoming increasingly popular with attendance records topping every week.

A new high was set Saturday night when 435 paid admissions were recorded. Since the arena has only 245 pair of skates at the moment, this may seem somewhat irregular. It works out like this, 139 spectators, 31 skaters who own their own skates, and 265 pair of skates rented out, some re-rented from skaters who didn't skate the whole night.

More skates will be bought by the Arena Board as the popularity increases, however more skaters every week are turning up with their own skates.

The live bands, all local groups are a big hit with the skaters. There is a safety patrol, who blow a whistle to stop the skating the moment anyone falls, and to calm down the more exuberant.

"It's a far cry from opening night three years ago," says arena manager Don Gosling, "when we started with one hundred pair of skates, and the first night rented out only five pair."

## Luckless Combines

### Toppled by S.P.s

Combines took a 31-1 thrashing from Standard Products, and McGibbon Hotel pulled a 12-5 upset on Benson & Hedges in Georgetown Industrial Baseball League play Monday night.

Charlie Davis paced the SP hitting with a triple and two doubles.

Bob Sinclair started for the winners and Howie Kilts took over and worked from the second inning on.

Harold Hutchison stood out defensively, and Charlie Han-

non and Frank Anderson were beat for the losers.

McGibbon Hotel scored their dozen runs in two bunches to over take Benson & Hedges. B&H had a 1-0 lead going into the 6th when the Hotelers scored 5 times. They piled on another 7 in the 7th. Losers added their remaining runs in the 6th.

D. Whiting did the pitching for McGibbons, Dave Ferguson for B & H.

Industrial Softball games are played in Georgetown park every Monday and Wednesday.

## Honour Frank Connely at Hockey Dinner in Legion

Monday night saw the first of a week of dinners in connection with National Veterans' Week, sponsored by the Branch 120, Canadian Legion.

The Legion Minor Hockey Group was the first group honoured with over a hundred guests sitting down to a meal at 7.15. Head table guests included the Hockey president, L. G. 'Doc' James, the commissioner of each league, the president of the Branch, Ralph Hawes, District Commander Dave Coppersauld, and chairman for Veterans Week, David Bowman.

After a very fine dinner, the chairman Les Clark, introduced the head table guests, and welcomed the group, paying tribute to the fine work accomplished by the dedicated men who keep kid hockey running so smoothly each year.

The guest speaker was C. 'Pat' Patterson, chief referee of the OHA and a well-known local businessman-farmer. Pat spoke to the group as a group of dedicated men, who were concerned with the physical

and mental development of our country's greatest asset, the 'men of tomorrow'. He gave a number of tips as to how they could help develop the hockey program, and told some highly interesting and enlightening stories of his last year's trip to view the hockey championships in Austria. Pat explained the system that allows Russia to dominate world hockey championship play. In his view the only ones able to cope with the Russian team would be one of our professional groups.

The speaker dwelt on many humorous events over the years and said he had been delighted to be associated with Legion kid hockey since its inception and would continue to help insofar as he could. He received an ovation from those present.

The president of the league then presented a plaque to a member who is leaving town, Frank Connely, stressing fine and faithful work done over the years. Frank replied suitably and said he was going to

miss his association with hockey. A trophy was also donated by the neighbors for annual competition in the memory of the son of Mr. and Mrs. Connely, Ken, who was tragically killed a few weeks ago.

The evening ended with an hour's entertainment, which the group enjoyed.
