Elect Hockey Executive At Meeting this Sunday

If Sunday turns out to be a scorcher there's a psychological way to think cool—attend the Raider Junior hockey club's general meeting in the arena's Rose Room.

Club president Scotty Patterson called the meeting with an eye to getting an early start on the hockey business of 1967-68. Number one item on the agenda is an election of officers.

Current slate includes presi-

with a grin like a cheshire cat.

Ray Angus did it Saturday on the 280 yard par four 11th hole at Georgetown Golf & Country Club with a driver. He and Terry Merritt were locked in a playoff match for the last qualifying spot for the club championship when he sunk his long tee shot.

The ace helped Angus to a one-under-par 71, and the A Flight berth.

dent Patterson, vice president, Roy Ayres, secretary Harold Badham, and executive members Doug Colbeck and Al Walk-Hill has asked to be admitted.

James Devises Special Defence For "Leftie"

Georgetown Giant manager Tom James paid the ultimate to an opposition hitter in Sunday's Halton Intermediate Baseball League game in Campbellville.

He devised a special defence for player-manager Earl Cairns of the Campbellville Merchants.

Cairns, a left handed hitter, hits almost exclusively to right field. James' revamped infield had three infielders playing between first and second bases.

Second sacker Dennis Gibbons played halfway between first and second and shortstop Danny Arbie on the first base side of second. Third baseman Tony Boudreau was stationed halfway between second and third.

Cairns, who played only the last four innings, never really hit the ball hard enough to test the shift. He grounded out to first baseman Bill Campbell and walked.

Rain Cancels Plans For Bowling Tourney

At the Georgetown Lawn Bowling Club, Thursday, a mixed jitney was held with 28 bowlers taking part. One 10 end game and one 8 end was enjoyed by all members and 12 prizes were given, one being won by first year member Mrs. A. Hunsdale.

Saturday, June 17th a mixed triples tournament was scheduled but unfortunately was rained out. 3 entries from Guelph; 1 from Brampton; 1 from Port Credit; 1 from Streetville and 4 from Georgetown were on hand but after a delay of 45 minutes it was decided to call the games off. However, all players enjoyed tea or coffee and tarts served by the Georgetown ladies before departing for home.

On Wednesday, June 21st Guelph hosted Georgetown and Rockwood in an inter-county mixed jitney.

Pipe Band Highly Praised at Tattoo

Georgetown Girls Pipe Band was a feature attraction at Kitchener on Saturday.

The band, one of five which participated in a tattoo, drew rave comments from spectators in the arena, where the tattoo took place when heavy rain drove it indoors.

A massed band finale was a stirring end to the event.

TOWNSHIP OF ESQUESING AUDITOR'S REPORT FOR 1966

To the Council and Ratepayers of the Township of Esquesing:-

Dear Sirs:

We have made an examination of the books and accounts of the Township of Esquesing and its Associated Boards for the year ended December 31, 1966. The examination has been conducted in accordance with the regulations of the Department of Municipal Affairs and there is attached a completed questionnaire covering specific auditing requirements.

The Statement of Revenue and Expenditure 'D' shows that the Township had a surplus on the year's operation of \$9,895.63. This had been added to the surplus brought forward from prior years, increasing it to \$43,722.58.

There is attached a statement of gains and losses from the budget showing how the surplus arose.

There are two new statements included in the report this year:

- (a) A Five Year Financial Review in statistical form.
- (b) A statement of Source and Application of Capital Funds.

We would again comment on the size of the arrears of taxes which amount to 26.96% of the current levy.

The Capital Reserve Fund now stands at \$13,231.39 after contributing \$5,691.70 to pay 1966 debenture charges on the Municipal Building.

AUDITOR'S OPINION

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The examination has been conducted in accordance with the instructions of the Dept. of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1966, and the results of its operations for the year ended on that date.
