

Miss Eileen Jackson Top Prizewinner, Flower Show

Bruce Harley, 21 Ewing St., Mrs. Henry Preston, 58 King St. E. and Miss Eileen Jackson, were prominent prizewinners in Saturday's flower show at Georgetown Armoury.

Miss Jackson won the T. Eaton trophy for most points; Mr. Harley the rose bowl, given by the 1965 directors for best in the show; and Mrs. Preston the Tinson trophy for best peony. Mrs. Harold Collins, RR 2, Norval won a special prize for the best arrangement of flowers.

The annual show, sponsored by Georgetown Horticultural Society, lived up to its previous high standard, with entries uniformly excellent. Commercial displays by Harris Floral, Sheridan Nursery and Robert Gougeon Furniture added interest, as did a display by the Arts & Crafts of Georgetown.

Miss Dorothy Stone displayed her floral paintings and painted a floral arrangement during the show. Organ music was provided by Bernard Shrubsole.

W.J. Packham, just elected director for District 6 opened the show and complimented the society on the display. He has particular interest in Georgetown as his daughter, Mrs. Ed Burman was a resident here until moving to Schumacher recently.

He was introduced by Society president Fred Duffield. Afternoon tea was served during the day and a number of lucky door prizes awarded.

Attended Convention of National Women's Council

A report of the outstanding events and proceedings at the National Council of Women Convention held in Montreal in early June presented by Mrs. Floria Nodwell was the highlight of a meeting of the Local Council of Women held on Friday, June 23 at the home of Mrs. R. H. Jones, 6 Orchard Blvd.

Mrs. Nodwell had combined attendance at the convention with her trip to Expo, and was able during her stay in Montreal to attend many of the sessions and some of the social events of the convention. Her report was most interesting and comprehensive and gave a vivid word picture of the importance and extent of council work across Canada.

The newly elected president, Mrs. Ann Fritchard occupied the chair for the meeting during which she was presented with a Local Council pin by the former president, Mrs. R.T. Paul.

Mrs. D.W. Baxter presented the report from the Canadian Association of Consumers which dealt in some detail with the account of events and discussions which took place at the annual meeting of the C.A.C. held at

"This makes it unbeatable in the compact field," a spokesman for Park Motors the local dealership, told the Herald. "More than any other import, the Toyota Crown 2300 has been designed for Canadians. It has good crisp styling, a rugged chassis, extra-strength body

panels and heavy duty coil spring suspension."

"And it comes loaded with luxury equipment that would cost you the earth on anything else," he said.
