

Judo Sessions Popular Prepare September Program

Jim Walters and Bill Barclay demonstrate a Judo manoeuvre

Judo — "the gentle way" is practiced in the Roso Room of the Georgetown Arena every Monday night during the summer months.

In 1882 Dr. Jigoro Kano founded the Kodokan in Tokyo. The Japanese word "Kodokan" means "a school for studying the way." Dr. Kano developed the modern Judo from the ancient Japanese jujutsu, which was a kind of self-defence against attacks.

Judo is practiced by several thousands of young and old Canadians and Canada has some outstanding Judo-men.

On January 30, 1967, the Georgetown Judo Society started its regular meetings in the Georgetown Arena. During the winter and spring months approximately 40 juniors and 15 senior members practiced the "gentle way" under the capable direction of the chief-instructor of the Society, Jim Cooper, who is a black belt (1st Dan) of the British Judo Association and who lives on the 8th Line a few miles south of Georgetown.

A beginners course for juniors (8 to 16 years) will open the new season in September and the regular two practice nights per week will be reinstated.

People who are interested in Judo and would like to know more about it are invited to come to the practice nights. The president of the Georgetown Judo Society, Leroy K. Norton, 60 Sargent Road is always willing to answer any questions you may have about Judo.

Webster's Home Run Wins Guelph Game

A lowering two run home run by Bob Webster made the difference as Georgetown Hunters came from behind to take a 4-2 intercounty Fastball League game from Guelph in Guelph Wednesday.

Webster's blast which cleared the right field fence came after the 1st inning. He had hit safely in the 6th inning. It broke a 2-2 deadlock.

Georgetown Hunter hurler Bob Newman pitched a fine game scattering just 5 hits. His mound committed 3 errors. Raymond pitched for Guelph until the 7th and Teeter finished. They allowed 7 hits.

Guelph opened the scoring in the 3rd when the Georgetown left fielder misjudged a fly ball. The Hunters rebounded in the 5th with the tying and go-ahead runs. Doucette hit, Bacon walked and both scored on Dave Cunningham's hit.

Georgetown's infield committed two big errors in the Guelph half of the 5th allowing the tying run to score.

Hunters were scheduled to meet Hillsburgh Monday but wet diamond scratched the game.

Glen Gal's Perk Up Win Two Games in Row

The fortunes of the lowly Glen Williams ladies' softball team are getting brighter. The Glen Gal's, who last week were trailing the league, have put together back to back victories, defeating Acton 15-8, Thursday and Milton 5-4 Monday.

Betty Brooks pitched the Acton game and Betty Stafford worked against Milton.

Both games were played in the Glen.

Monday, the Glen scored all their runs in the first two innings.

They play in Omagh tonight Thursday and in Acton, Monday.

Glen Minor Baseball Teams Week's Fixtures

Glen Williams minor ball teams won three and lost four Halton Rural Minor League tilts during the past week, but were better than the record indicates. Two of their defeats were by a single run and another was in extra innings.

In Lowville, Monday, the Glen Squirts tasted defeat for the first time this season losing a 12-2 decision. Sunday, at Limehouse, Glen Atoms had their hitting hats on and trounced the Limehouse Atoms 20-4.

Glen Midgets and Omagh went into extra innings in Omagh Saturday before the host club registered a 10-7 victory there. On Wednesday the Glen Midgets lost a 14-13 squeaker to Hornby.

Glen Squirts rolled to a 34-5 triumph over Hornby B team at Hornby on Thursday, and Glen Bantams were also winners Friday at Drumquin where they won a 7-2 game.

A good contest in the Glen, Wednesday July 5 saw the Lowville Pee Wees take Glen Pee Wees 14-13.

Standard Products fashioned a 5-0 lead early in the game and then stayed in front to defeat Benson & Hedges 12-0 in a Georgetown Industrial League game here Wednesday.

Bud Hayes and Elmer Fendley shared the winners' pitching. Dave McNeil and Terry Rodgers threw for the losers.

Benson & Hedges left fielder Art Ellis rapped the game's only four batters, that in the 3rd frame with two aboard and Standard Products ahead 5-0.

Cam Boland was defensive star in the SP left field where he robbed B&H hitters with several outstanding catches.

Two Years Late, Manor Addition Almost Ready

Construction on the \$1,700,000 Halton Centennial Manor Martin House building is expected to be complete in two weeks, ward- en William Coulter said this week.

"We are hoping to wind up the final payment of the contract in two weeks' time," he added, pointing out that a list of about 30 deficiencies at the construction site has almost been rectified.

The new building will be devoted to special care of elderly people and is already half full. It should have its full complement of residents within about two months.

Warden Coulter, who said there were staff difficulties at Martin House, added: "the staff are working extra time but we are hoping we can alleviate that in the near future."

An official opening date has not yet been set but it is anticipated for early September, provided there are no new snags. The building is already almost two years' behind construction schedule.

1966 Strike
Poor weather conditions, work stoppages and several minor problems have interrupted the schedule, including a strike early in 1966.

What is now known as the "old building" will be devoted to normal care and its special care unit has been transferred to Martin House in one block.

County council will hold its next meeting July 18, in the auditorium at the Centennial Manor, when members will be invited to lunch and later a tour of the buildings.

Initiate Action Leading To New Bridge On Highway

Initial action to improve a narrow bridge on the heavily travelled Main Street North highway was taken last week by council.

Council decided to contact the Department of Transport with hopes of getting the bridge to the construction stage by 1968.

"It is estimated it will cost the town \$44,000 for the \$455,000 project for which the Dept. of Highways and Canadian National Railways also pay a share

Charge Pair With Theft from Cottage

Two men who gave their address as Georgetown were remanded on \$500 bail each, Wednesday, until July 10 on charges of breaking and entering Harold Vernon's cottage in Esqueving, June 12 and stealing an electric clock, car rug and bed spread.

Crown Attorney Peter McWilliams strongly opposed a reduction of the bail money and said the pair were unemployed and had no particular ties with this area.

3 basic looks plus the cleverest, vrompest eye-line ever... makes for a limitless world of intriguing faces — All you! Coty Originals — more mood than make-up. You'll never be bored with your face again.
