

MR. AND MRS. EUGENE MCKELLAR

## McKellar-Ward Wedding Vows In St. John's United Church

Rev. R.A. Scrivens of St. John's United Church officiated on Saturday, July 15 at three o'clock when Janice Patricia Ward became the bride of Eugene Montgomery McKellar. It was a double ring ceremony.

The bride is the daughter of Mr. and Mrs. Norman Ward, 46 McGillivray Crescent and the groom is the son of Mrs. Isabella McKellar of Arturville, New Brunswick and the late Duncan McKellar.

Bernard Shrubsole was organist and Miss Brenda McNeill sang Wedding Prayer and I'll Walk Beside You.

The bride, given in marriage by her father, chose a French chantilly lace sheath gown with scalloped edging and lilypoint sleeves, over which she wore a sleeveless coat of bomborg organza with soft, flowing train also edged with handclipped, scalloped lace. Her four tiered bouffant illusion veil with seed pearl trim was held in place with a handrolled petal head-dress with seed pearls and crystal trim. She carried pink and white carnations with baby's breath and fern.

Mrs. Denise Pawlick of Toronto, cousin of the bride, was matron of honour. She wore an empire line gown of summer pink bomborg organza with lace trim and matching coat with bell sleeves and lace trim. Miss Janey Wemyss and the bride's

sister Allison Ward wore similar gowns in sue blue with flower headresses dyed to match their gowns with soft, velvet petals and shoulder length veils. They carried cascade bouquets similar to the bride's.

Bob Goldsmith, Georgetown, was groomsman and ushers were Daryl Giberson and Romeo Cassista, of Georgetown.

A reception followed at the Delrex Restaurant. The bride's

mother received in an aqua dress and jacket of Italian shantung with white accessories. Her corsage was white carnations, baby mums and fern. The groom's mother wore a blue and white brocade two-piece suit with white accessories and a similar corsage.

Guests attending from out-of-town were from New Brunswick, Nova Scotia, Montreal, Port Credit and New Toronto.

## Accept Tender, Work to Start on Water Reservoir

Construction of the Credit Valley Conservation Authority's Orangeville Water Reservoir project is expected to begin this week.

Approval of the tender of Capital Paving Construction, Guelph was obtained from the Conservation Authorities Branch Department of Energy and Resources Management last week. This bid was low when tenders were opened July 4th.

This is the climax of ten years of Authority endeavor, starting with the purchase of most of the reservoir land at the headwaters of the Credit River in 1957. The reservoir when full, will flood about 300 acres north-east of Orangeville and provide storage for 624 million gallons of water.

The main dam, just north of

Highway 9, will be 1,700 feet long and 20 feet high at the maximum point. It will contain a concrete control structure to allow complete control of the water level.

The north dam will be 1,800 feet in length and 17 feet high. This is to prevent overflow into the Nottawasaga River which runs through the Hockley Valley immediately north.

Spring run-off will be collected in this reservoir and used to augment the low summer flow in the Credit River. During the four months of summer 10 cubic feet of water per second could be released to provide five times the present low flow in this area of the river.

The Ontario Government will pay 75 percent of the cost under its reservoir assistance program and the Credit Valley Conservation Authority will finance the balance out of revenues paid by its 16 member municipalities.

Preliminary and design engineering was prepared by M.M. Dillon, Limited, Toronto, and construction is expected to take two years.

## Parents Entertain for Daughter's Anniversary

Mr. and Mrs. Alf Collins, 102 Guelph St. were hosts on Sunday at a party for their son-in-law and daughter, Mr. and Mrs. George Blyth of Waterloo, in honour of their 25th wedding anniversary.

Relatives from Toronto and Acton joined them for a buffet dinner. Mrs. Gordon Hills of Glen Williams, who was their matron of honour was among the guests. Mr. Collins, who has been a patient in Freeport Sanitarium, Kitchener, was able to be home for the day. In the evening several local friends called in to offer their congratulations.

Mr. Blyth and the former Elaine Collins were married in St. George's Anglican Church on August 8th, 1942 and have lived in town, Orangeville and Waterloo during their married life. They have four children, Karen who is Mrs. Paul Berg of Kitchener, Suzanne, Collin and Deborah.

## HOSPITAL NEWS

by Les Clark

The influx of patients to our hospital, a state that remained constant for over a year, shows no sign of abating. Occupancy remains quite high, in fact at least one bed in the corridor was noticed recently. This is probably due to the growth of the town, and the district.

One thing is certain, the time is not far off when the thoughts of all concerned must turn to an addition. In fact, we believe that at present a meeting is being arranged with the Commission and the Medical staff, to discuss requirements, and target dates, etc.

With the apparent growth of the town extending in both directions, east and west, the central location of the hospital becomes even more ideal. We have all the land available to service our foreseeable future needs. Some time ago the Commission gave us an approximation of our future bed needs, and the Commission felt that we had adequate land for town growth.

A second storey would help to eliminate the crowding problem for some time to come, and we should judge would be the most economical way of adding to the building.

Our readers will recall that some time ago we had rather serious problems with the air changing equipment. Happily, these seem to be in the main, solved, and a number of the doctors tell us that ventilation is much better. The equipment was repaired and overhauled a couple of summers ago, and since then, with adequate and proper maintenance, has given excellent results. A firm was also engaged to report yearly on the equipment, and thus it should be kept in top running condition.

The grounds of the Hospital look as beautiful as always, and the flower beds in particular have been something extra special this year. Once again we should like to commend the man responsible for their maintenance.

Our administrator, F. Whitaker has reason to be pleased with himself these days. He recently completed and submitted a thesis on Hospital work. If memory is correct, we believe it was about 'Computers in Hospitals'. The work was a lengthy one and took a great deal of time and research. It is quite understandable therefore that he was most gratified when he received his diploma, and notice that his thesis had been accepted. With his other degrees in Hospital Administration, this makes him an extremely well qualified administrator and Georgetown is fortunate in having him to head our hospital.

And lastly, how big will the addition to our hospital have to be? This is a question that it would be premature to even hazard a guess, until the Hospital Commission finished their survey and gives a report on present and future needs. This we can say though, and that is that it will have to be completed in the next two or three years to provide the necessary beds for the growth of the community.

## Maritimes Honeymoon Follows Marchand-Emmerson Wedding

Wearing a full length gown of silk organza over taffeta, Carol Lynn Emmerson became the bride of Joseph Cecil Marchand in a double ring ceremony in Holy Cross R.C. Church on July 22. The church was decorated with white gladioli and pink carnations.

The bridal gown had an A-line skirt and a bodice of chantilly lace trimmed with rhinestones and sequins. Her net shoulder length veil was held by a crown of organza rose buds trimmed with pearls and rhinestones and she carried a bouquet of white carnations and sweetheart roses. She was given in marriage by her uncle, William Hayes.

Mrs. Bette Perkins was matron of honour for her niece, and the groom's sister Miss Marlene Marchand, Brampton, was bridesmaid. They wore floor length gowns of sapphire blue silk boucle and chantilly lace with empire waistlines and lace bodices. They wore lace pillbox headresses of sapphire blue with matching veiling and carried bouquets of pink carnations and white roses.

Father Moss of the School for the Deaf, Milton, officiated and Mrs. W. Mulder was organist. The groom's cousin, Phil Boudreau of Mimico was groomsman and ushers were the bride's brother-in-law, Hugh Jackson of Hillsburgh, Preston Wolfe, Rexdale and Joseph Chatsion, Georgetown.

Restaurant, the bride's mother received wearing a gold coloured dress with matching lace coat and a corsage of bronze baby mums. The groom's mother wore a light blue lace dress, with matching jacket, white accessories and a corsage of white and pink baby mums.

Wedding guests included the bride's grandmothers, Mrs. A. Hayes, Georgetown and Mrs. William Emmerson, Hillsburgh. Other guests were from Petite Gral, Cape Breton, Toronto, Georgetown, Milton, Brampton, Orangeville, Oakville, Rexdale, Mimico, Guelph, Stouffville, Hillsburgh, Gravenhurst, Halifax, King City and Belleville.

The couple left on a honeymoon trip, travelling by boat from Montreal to the east coast and then a motor trip through the eastern States. The bride travelled in an aqua blue linen suit with white accessories and a corsage of pink roses.

The bride is the daughter of Mr. and Mrs. John Emmerson of Orangeville, formerly of Georgetown and is employed at the School for the Deaf in Milton. The groom is the son of Mr. and Mrs. Joseph Marchand, Brampton and is employed there with Chubb, Mosler & Taylor Sales.

Prior to her marriage the bride was guest at showers given by friends at the School for the Deaf, by Mrs. Betty Chatsion, Brampton, by Mrs. W. Breen and M. Keir, by Mrs. Black, Brampton, and by friends of the groom in Mimico. They will make their home at 78 Farmington Drive, Peel Village, Brampton.

## \$3,000 A YEAR Broken School Windows Costly for Taxpayers

An estimated three thousand dollars a year is the cost of broken windows in the public schools, it was revealed at last week's meeting of the Georgetown Public School Board.

Harrison school seems to be the favourite target, with 114 panes broken this year, followed by Wigglesworth with 46, Chapel with 21, Kennedy 7, Park with 5 and Centennial with 2.

Chairman John Mintern suggested a program similar to the Elmer Safety awards for the fewest broken windows, while G. Sigurdson wondered if the

drinking fountains should not be taken out. "The one at Kennedy school has been broken anyway." He urged the parents to explain costs to their children, with emphasis on the fact the parents are paying for the damage in taxes.

"The newly erected totem pole at Centennial school is already badly damaged, and covered with obscenities," Trustee Sigurdson remarked.

A humorous note was added when Secretary Jim Evans told of asking a grade three little girl why she broke the window on one of the portables, "I was frustrated" she replied.

## Sketches for the proposed addition to Centennial school, showed eight classrooms, a library, and a gymnasium with showers, and stage.

In the fall children on Ann Street, who previously attended Chapel School, will be bussed to Park School. Secretary Jim Evans spoke to the parents, and met with no opposition, he reported.

The tender of Georgetown Transportation Co. at twenty-seven dollars a day was accepted. This will cover all the public school children who are transported.
