## Kinsmen Girls' Softball League

### Senior League

The following two games were the first of the scheduled season but were called because of rain.

**Bryant's State Farm 20 Sunucks - Halbert Ltd. - 5**  
This game played August 14, remained close for only the 1st two innings. In the 3rd, State Farm clinched the game by driving six runs across the plate while holding the opposition scoreless.

Lilly Poulsen was the only player on the losing team to have a perfect night at bat, with 3 doubles.

Game star was Linda Paul, State Farm pitcher. As well as a good night on the mound, Linda hit two homers and a double. Molly Henderson came close to matching her teammate at bat by tagging two balls for home runs and one for a single.

**LEONE'S HAIR STYLES - 17 DELREX FASHIONS - 11**  
The Delrex girls grabbed a quick three run lead over the Stylists in the 1st inning, but it was a short term loan on the lead. Delrex let up while Leone's trotted 10 runners across home plate, in the second and continued to add to their score each inning after that.

The home runs were equally shared, with one player for each team tagging one, Gail Young, shortstop for Leone's, and Delrex catcher Gail Jamieson were the home run batters and game stars.

**BRYANT'S STATE FARM - 16 LEONE'S HAIR STYLES - 9**  
From a 0-0 perfect first inning, State Farm gradually eased ahead, increasing the lead a bit more each time at bat. It appeared a rather uninspired game for all except one State Farm gal, Anne Marie McCarthy while playing centre field came up with a surprising catch on a long gone fly ball and couldn't have been more surprised or pleased than if the ump had handed her a \$10 bill. While at bat Anne emphatically popped two of Ose Poulsen's hard pitches right back into the laps of the Leone's infield.

The lone homer of the night came from the bat of the State Farm pitcher Linda Paul, sharing the hurling duties for Leone's were Ose Poulsen and Connie Leavitt.

**DELREX FASHIONS - 16 SUNUCKS-HALBERT LTD. 13**  
In the exciting match of the best-of-three goes to the provincial finals.

Bantams and Migdets are starting their playoffs now and Peewees are playing in a tournament at Hornby this Saturday to decide the league winners.

On Sunday the Atoms finished their season, when they lost their third game to Hillsburgh.

might, the Sunucks came close, once again to pulling an upset. They trailed slightly throughout the game but didn't give up the fight at any point.

The win can be partially credited to game star Kathy King, for her sharp playing of first base and a solidly hit home run. Making 'honourable mention' were Delrex 2nd base Judy Draper for her homer and solid ball game at her position, and Sunucks' pitcher Patty Monckton for her good game on the mound and for a 4 for 4 night at bat. Only other Sunucks player with a perfect batting record was right fielder Glenda Scarrow. Delrex left fielder Susan Stamp assisted the win along also with a home run. Umpiring the game was Hank Russell.

**Senior Home Run Queen**  
There are only two games left in the regular season of play and in this competition any home runs hit during the playoffs are not counted toward this award since only 2 homers separate the top two girls this league will go right to the wire before the queen can be decided this year.

### Junior League

**Junior League Trophy**  
Something new will be added to the Junior division this year. At a recent meeting of the League officials and coaches, it was announced that a trophy for the most improved player would be donated and presented by the man responsible for the idea, organizing and commissioning the Junior and Senior League through their first year, Gary Alton. The trophy will be presented to the girl at the wind-up party on September 30, and the rules for the judging will be made known to coaches of the Junior League on their last night of the regular season of play.

**Jr. and Sr. Play Offs**  
With only one game left before play-offs, the final games stand to break all kinds of ties. Never before has the Junior League seen so many ties in

the standings all through the year.

The play-offs start with Series 'A' on Tuesday, August 29. All three series in this league will be the best 2 out of 3, and will begin with the teams playing according to their standings. First place will play 3rd place, 2nd will play 6th, 3rd will play 7th and 4th place team will play the 8th place holder. Final games for the championship in both Senior and Junior leagues will be played at the windup party Saturday, September 30th.

The play-offs for the Senior players will begin with Series 'A' on Thursday, September 7 and both Series 'A' and 'B' will be the best two games out of 3.

All the girls are looking forward to some real rousing support from their parents, friends and ball buffs for the finals. Anyone who has taken the time to visit the park this summer knows just how stiff the competition will be in both leagues and how very serious these young girls are about winning their ball games.

**ZENITH TOOL 19 MURRAY MOTORS 13**  
Because of this win, Zenith now has to share top spot with only one other team, a 12 Murray Motors into a two way tie for the second. It was a close game, with the teams tied for the first two innings. Murray Motors broke loose in the third for four runs and took a 7 to 10 lead. They steadily increased this through to the final inning. Zenith was tied to be denied a started swinging with vengeance. Much to the chagrin of the Murray team, Zenith Tool trotted ten runs around the bases, and added insult to injury by holding Murray's scoreless during their last bat.

Shelley Bond, starting pitcher for Zenith Tool was the game star.

**"BATTER UP!"**  
THE AMERICANS haven't a corner on baseball. Almost every night in Georgetown park, the familiar cry of "Batter Up" rings out for a variety of age groups which range from Peewees to the Giants. In this recent fixture with Milton, Gord Williams, son of Mr. and Mrs. David Williams, waits for the pitch to test his skill against the county winners.

## Career Over? Not So Wins Award as MVP

Veteran southpaw Jack Roberts has fooled the experts once again.

For the past three seasons, batters around the Halton County Baseball League have been predicting that the great lefty was nearing the end of an illustrious career with the Campbellville Merchants.

But it appears that the death of Jack Roberts, much to the dismay of Halton county batters, has been greatly exaggerated.

Roberts climaxed another great season this week when he was named Most Valuable player in the league.

It's quite an honour considering the years that hurler D. Cholewka of Burlington and pitcher-shortstop Larry Wilson of Dundas are having.

However, the stats show that the Campbellville veteran has earned the honor.

He sports a 6-2 win-loss record and a fantastic earned run average of 0.79 in 56 inn-

ings of work, second only to Cholewka's impressive 0.42.

Roberts recently hooked up with the youthful Burlington righthander and beat him 2-1, showing that although he has lost most of his speed, he still knows where to put the ball.

### Trailing 8 Runs, Squirts Rally To Win Series

A home run by Torben Nielsen was the spark that spurred Glen Williams Squirts on to a fantastic come back from behind victory over Innerkip in the third and final game of an Ontario Rural Minor softball series Thursday.

With the series tied at a game apiece and the Glen trailing 11 - 3 going into the fifth inning, Nielsen's homer lifted the locals spirits and they romped to 17-13 triumph.

Innerkip, near Woodstock, won the first game on their home ground, but the Glen youngsters evened the series in an exciting extra inning tilt back here. Thursday's deciding game was at Innerkip.

The Glen Squirts are handled by John Haines, Don Hancock and Bob Heaton.

### Glen Ball Squirts Play Greenwood in Semis

The minor ball teams in Glen Williams are having an excellent year.

On Saturday the Squirts, age group 9 to 11, racked up 50 runs against ten for the combined opposition to win the trophy in a tournament at Hornby.

The Glen won 20-2 against Hornby A, then defeated Louisville 12-7 and ended by drubbing the Hornby B team 18-1.

The team eliminated Innerkip in a thrilling series which saw the opposition win the first game, the Glen win the second 7-6 in extra innings, then take the final 17-14 last Thursday.

Entering the Ont. semi-finals they were at home Wednesday night to Greenwood and play their second game in Greenwood tonight. The winner of

### Hope Softball Tourny Clears Light Deficit

The balance owing on Glen Williams' ball park lights, approximately \$500, will be almost erased if a ladies' softball tournament there this weekend is successful.

The tourney is the third annual sponsored by the Glen Men's Fastball Club. Proceeds each time have gone toward the lighting project.

Ladies teams from Hillsburgh, Osnab, Palermo, Acton, Georgetown, Glen Williams, Oakville and Drumquinn will vie for the title.
