

Giants End Season in Sixth Spot in League

Hallon Intermediate Baseball League umpires apparently didn't think the nothing game between Georgetown Giants and Preston Pirates in Georgetown Park Wednesday night was worth their while. They didn't show up.

But the teams went through the motions of ringing down the curtain on their respective season anyway.

Giants' disabled pitcher, Bernie Dore, and Georgetown Baseball Association official, Bill Richmond took on the umpiring job as Pirates downed Giants 5-3.

Giants viewed the game with the same attitude as the absent officials. Manager Tom James inserted himself in the game as the pitcher, and even infielder Dennis Gibbon threw to the Pirates for an inning.

Doug Ford's home run accounted for one of the Giant's two runs.

Giants finished sixth in the Halton loop.

GIANTS MANAGER TOM JAMES drew all kinds of comments out of fans around the Halton Intermediate Baseball League this year because of his flowing facial foliage. Wednesday he took the mound against Preston Pirates in the final game of the season. Pirates won by a whisker.

Georgettes In Lopsided Win, Take Glen Tourney

Georgetown Georgette pitcher Jan Clark gave up a run to Glen Williams in the first inning and then shut the door as the town girls rolled to a 21-1 win over the village femmes in the championship game at the annual Glen ladies softball tournament Saturday.

Glen pitcher Gayle Lyons scored the sole Glen run when she hit safely and advanced on hits by Marlene Webster and Audrey Weir.

Georgettes scored in every inning. They pushed two runs across in their half of the opening frame, three more in the

second, seven in the third, five in the fourth, three in the fifth and one in the bottom of the sixth.

Leslie Quackenbush led the assault on Glen pitching with four hits. Judy Sheppard, Pat Davison and Jane McNally each hit safely three times.

Georgette batters peppered the field with 20 hits, while the Glen managed just five.

Georgetown reached the finals by dumping Hornby 9-6 in their semi-final, out hitting them 16 to 9. Glen breezed past Drumquin in the other semi-final game 6-0 with a 7-5 edge in hits.

Georgetown topped Omagh 11-3 in their first test, while the Glen outlugged Palermo 10-6.

In other games, Drumquin took Acton 12-7, and Hornby bombed Hillsborough 13-4.

The tournament is an annual project of the Glen Williams men's softball club and proceeds have helped erase the balance owing on the Glen park lighting system.

Ken Hodge Motorcycle Winner at Harewood

Ken Hodge of R. R. 2 Georgetown won the unlimited class in the August Gold Cup heat for motorcycles at Harewood Acres Saturday. Hodge was riding in the unlimited class for bikes over 500 c.c.

The race was held despite heavy rains.

In the Gold Cup race itself Hodge was second in his class and third overall.

He'll race again September 9 at the Indian Summer Trophy races for sports cars and motorcycles at Mosport.

Kinsmen Girls' Softball League

JUNIOR LEAGUE

Georgetown Cycle & Sports 12 Superior Foods 11

This was a close game where the winner was not decided until the last batter in the last inning. For her timely 2-base hit which drove in the winning run Bonnie Hillier of the Cyclists was named star of the game.

Beaver Lumber 34 Murray Motors 10

The Beavers lived up to their "Eager Beaver" title as they went all out for this game with a whopping 17 runs after their first hit, and doubled the score again throughout the next five innings.

Zenith Tool 18 - Dairy Queen 5

The Zenith batters jumped the gun on the Queens in the first inning and the Queens failed to rally the rest of the game. The short four inning game was liberally sprinkled with home runs, all for the Zenith team.

Georgetown Upholstery 21 Kinsmen Cruisers 14

The first inning ended in a 0-0 tie, and a home run by Marilyn Armstrong of the Upholsters was the only run to cross the plate in the second. This game started out as a real squeaker, but an 8 run spurt

in the third broke the game open in favour of the Upholstery girls.

Second Group Planning Carnival for MD Fund

A second group of youngsters are planning a neighbourhood carnival for the benefit of muscular dystrophy victims.

This Friday, Wendy Barrager, daughter of Mr. and Mrs. Tracy Barrager will be ringmaster at 6 George St., with sister Pamela, Penny Walters and Heather Hamilton assisting.

A refreshment stand, penny sale and games like ring-toss and penny pitch will be featured. The children got the idea from the TV show Rocketship 7, which features Dave Thomas. Last year over \$275,000 was raised for MDA research through such carnivals.

GRADES NINE, AND TEN STUDENTS
AT NINE A.M.

GRADES ELEVEN, TWELVE AND THIRTEEN
STUDENTS AT 1.00 P.M.

Students will go directly to the classroom assigned to them according to the lists posted in the entrance foyer for Grades 9 and 11 and on the Gym corridor wall for Grades 10, 12 and 13. Students not on these lists will report to the library.

All Grade Nine, Ten, Eleven and Twelve Text Books will be provided by the High School Board. A STUDENT LOSING OR DAMAGING ANY OF THESE BOOKS WILL BE ASSESSED FOR THIS LOSS OR DAMAGE. Students owing the school for books damaged or lost during the past school year must pay for these before registering. All books provided will be collected after the examinations next June, or when a student leaves this school. Any Grade 13 student having difficulty in locating the required texts may leave an order with the money to pay for these books with the General Office this week. The school will then order these books directly from the publishers.

Students contemplating a change in their programme are asked to contact Mr. Prouse in the mornings at the school (877-6966.)

This year it will again be necessary to run three lunch periods. The first lunch period will be from 11.25 to 12.10, second lunch period from 12.10 to 12.55 and the third lunch period from 12.55 to 1.40. Approximately one third of the classes will go to lunch at a time, and the remaining two thirds will remain in class. This means that regular classes will be going on all day. The school will finish regular classes at 3.10 and the buses will leave at 3.45. The lunch period for an individual class may vary from day to day depending on the timetable.

This year we will again use the Six Day Cycle. This means that it will take six days to complete the 42 periods rather than the five days as previous. The timetable will show Day 1, Day 2, etc., to Day 6. These days will not conform to the week days but will vary from week to week. This is an advantage in that the periods will be longer, each period being 45 minutes long, but there will only be seven teaching periods a day, so that the total teaching time will be the same as before.

Cafeteria Will Not Be Serving Meals on Opening Day
