

Many First Time Donors At Red Cross Blood Clinic

No matter how many donors show up at local clinics to give their blood, the sponsoring Georgetown Red Cross Branch are always heartened when a good percentage of the total are first time donors.

At the September 11 clinic in Holy Cross auditorium there were 34 of them. In all 250 blood packs were collected. A bloodpack contains slightly less than a pint.

A few days before the clinic the Chairman received a special request for a certain number of three different blood groups. This blood was needed urgently for special heart operations in the Hospital for Sick Children and the Toronto General Hospital and could not be supplied by the Toronto area. The Committee was pleased to be able to meet this demand.

Dr. J.P. Martin was on call.

Members of the Georgetown Volunteer Ambulance Service looked after the loading and re-loading for the unit. The typists were Mrs. A. Bradley, Mrs. W. Geggie, Mrs. H. Rossiter and Mrs. R. Secord. Typewriters were on loan through the courtesy of The Herald and John T. Armstrong Insurance and the screens on loan from the Georgetown & District Memorial Hospital were delivered by Mr. J. C. DeBoer.

Coca Cola was usual was available by courtesy of the company.

General help included the following Mrs. A. Bullock, Mrs. C. Corcoran, Mrs. E. Elslinger, Mrs. D. Godden, Mrs. M. Gondekling, Mrs. J. Grady, Mrs. D. Hancock, Mrs. A. Hurley, Mrs. A. Maybanks, Mrs. R. Peregoy, Mrs. A. Pritchard, Mrs. A. Syme and Mrs. W. Townend. Mrs. H. Allen was in charge of the nursery.

Lettering and distribution of the posters was handled by Mrs. Kenneth Legere, Peter Nieuwhof, Mrs. Mavis Vanhorn, Mr. Russ Kowalchuck, Mrs. Jean Hancock, Mrs. Carol Baxter, Susie Hornby, Mrs. Eva Paulin, Mr. Ken Legere, Mrs. Joan Perkins, Mr. Claire Dalton, Sandra Hornby, Linda Capperault, Mrs. H.J. Herder, Mrs. Bob Fokkens and Mrs. E.J. Kelly.

QUO VADIS NURSING GRADUATE

A Norval woman was one of 29 members of the graduating class of the Quo Vadis School of Nursing on Saturday.

Mrs. Arthur Vance, who was born in Guelph and educated at Kirkland Lake, received her diploma at the ceremony in Convocation Hall, University of Toronto. Mother of two children, Heather, 12, and Shaun, 7, she is the daughter of Mr. and Mrs. Archie Beston of Kirkland Lake.

The unique nursing school is for mature students 30 to 50 years of age, and offers a two-year study course leading to becoming registered professional nurses. Mrs. Vance, with other class members, began her studies in September, 1965 and wrote registered nurses' examinations in August. Of the graduates four are grandmothers and 19 are mothers.

A new building for the school will be constructed on the grounds of Queenway General Hospital.

Wants Better Entrance Road, Cedarvale Park

September 16, 1967
RR 2, Georgetown

The Board of Directors, Cedarvale Community Centre, Maple Ave. West, Georgetown, Ontario.

Gentlemen:

On Thursday, September 14, 1967, I attended a meeting at Cedarvale Community Centre. Knowing the old driveway to be closed off, I continued down Main Street looking for the new driveway. It was a good thing that daylight was still with me or I would never have found it nor been able to follow it — the lighting is practically non-existent. I crossed the nasty little unprotected bridge and succeeded in parking my car beside the gravel path which almost leads to the Cedarvale building. (Did you ever try to walk on loose gravel in high heels?) When the path ended I found myself on a lawn made up of very long, very wet grass.

My trip back after the meeting was even more unpleasant — I had neglected to bring a flashlight and the one set of lights intended to light the path was either burned out or shut off.

Needless to say I will not again park in the official parking lot. If the old driveway is not to be used, a suitable substitute must be provided before the old one is closed off.

To further aggravate matters, I understand that most people still use the old road in spite of your signs.

It seems a foolish waste of money to buy such a large building with so many possible uses and then cut off suitable access to it.

Yours truly,
Mrs. H. T. Dickson.

Would Charge Ice Time Saturday Morning Hockey

by Ralph Hawes

There was a bombshell dropped at the Branch last Monday, September 11th. Briefly, this is what happened. The Branch was the reluctant recipient of a laconic letter from the Board of Parks Management declaring that there would be ice rental charge for the Saturday morning hockey for the 1967-1968 season.

There was nothing ambiguous about this letter and consequently the powers that be of the Branch and the Saturday morning hockey group became quite perplexed for the fate of between 400 and 500 young hockey players between the ages of 8 and sixteen years may depend on the outcome of this situation.

The Branch is not as some people seem to think, "Uncle Pockets". It is a non-profit organization which pays taxes and has a hefty mortgage and high running and maintenance expenses. However, fingers must be kept crossed until Wednesday, Sept. 20th when a meeting will take place with the Board of Parks Management.

Well let's get onto something pleasant. The Initiation and Membership evening will be this Friday, Sept. 22nd, so bring your lady. You will have a terrific time. Initiation is at 8:15 p.m. The ladies will enjoy with the men. Another pleasing evening should be on Thursday

The fishing trip was cancelled owing to lack of interest. The W.A. euche which is on Wednesday evenings is going great guns. Still needed, more of the male types.

Prize winners last Wednesday were: Nan Scott, Cora Snyder, Mrs. Switzer, Peg Harley.

The highlight of the week was the Ladies Auxiliary birthday dinner and dance on Friday 15. This was the thirty-ninth anniversary. At the head table along with members of the executive were guests Ruth Findlay, Ex Zone Commander and Kelly Wood, Zone Commander.
