

VISIT GRAVES AFTER CEMETERY SERVICE

STEWARTTOWN:

Tribute to Pioneers At Cemetery Memorial

The first Memorial Day service arranged by the Cemetery Board was held in St. John's Community Cemetery Stewarttown on Sunday afternoon Sept. 10th at 4:00 p.m. with Canon J. E. Maxwell in charge.

The musical portion of the service was conducted by the parish orchestra. Bob Gray, Lorne Whaley, Al Byc, and Rick Rowan assisted by Joe Waters of Milton who sounded the last post and reveille.

In his address Canon Maxwell paid tribute to the manner in which the pioneers had upheld their Christian traditions in the changing world of their day, and pointed out that the Christian of today must be able to meet just as great a challenge. He also commended the Cemetery Board under the chairmanship of Mr. Alfred Thompson, for the excellent work they had undertaken and the improvements that had been made in the Cemetery grounds.

Among the plans for the future is a memorial cairn. Much credit is due to those who have undertaken the care and restoration of this pioneer cemetery and made it into a fitting resting place for those who have gone before.

It is hoped that this Memorial Day will be an annual event.

Congratulations to Mrs. Emily Hicken who celebrated her 80th birthday this past week.

if your furnace doesn't do its job,

fire it

Now is a perfect time to convert to modern Natural Gas. It doesn't take a large cash outlay. There's no down payment—and the cost of the furnace, plus the supply of gas, can be paid for with equal payments. You can enjoy the benefits of a natural gas forced air heating system. You'll have balanced heat and humidity, a constant supply of fresh filtered air, even heat throughout the whole house

... and of course, free service (though you'll likely never need it). There's nothing like Natural Gas for complete comfort and efficiency. Install a new gas furnace system now and find out for yourself this winter! See United Gas or your heating contractor. Ask about the "4 Steps to Total Indoor Comfort".

The '68 Buicks are here... and they're talking your language.

Who's bound to be a '68 Buick that talks your language. Special-size Skyhawk has all-new Riviera-inspired styling, and speaks out boldly of low-priced luxury. The 1968 LeSabre says full-size Buick quality and luxury at a post-war full-size price. Wildcat—sleek and lovely and powerful—speaks of the open road and touring in the grand tradition. Electra makes the

luxury sounds. Riviera talks a universal language of style. No matter what size or price range, there's a 1968 Buick which talks your language... fluently.

Every Buick has to make it before we mark it
