Murray's pitcher Connie Allan began to get the feel of competition, she made hitting the ball a difficult chore. The 3rd and 5th innings saw the score swing in favour of Murray's by 3 runs. In keeping with closeness of the whole series, the Queens put out that extra effort in the top of the 6th to tie the score 8 all.

Star of the game goes to that gal counting for the big 9th run. In the bottom of the 6th and final inning, Roberta Howa became a hero by hitting a home run.

The Reid family were saddened recently with news of the death of Mr. Ernest Francis Dean, at his home in Darney, Bruckless Donegal Ireland in his 77th year. Mr. Dean returned to Ireland only 13 months ago after spending the past 8 years on the farm with Mr. and Mrs. Herb Reid and family. He emigrated to Canada in 1910 where he farmed.

Mr. Leeson spent some time at Collingwood where he was supervising the installation of machinery in a new ship being built.

Mrs. Hall took the ladies on a historic tour, down through the history of her subject, which was most interesting. Plans were finalized for the Fall Fair exhibit and for catering later this month.

Mrs. M. Brown and Mrs. Robt. Thoms assisted the hostess and served a delicious lunch, while the members enjoyed a social hour.
