RICKARD — A tribute to her smile  
It's hard for us to say in words how much we really cared and how your smile was always there through all the times we shared. It's hard to picture times ahead without that smile so dear, and yet because you are in our hearts you always will be near.  
Because you were so happy, you made us happy too, so every time we smile, we're going to think of you. And even tho' we're parted for just a little while, we know that when we think of you, for you, we're going to smile.  
— THE GANG
