

Wynfield Papillon Best Dog at Toy Club Show

Top honours came to Wynfield Kennels, owned and operated by Mrs. Rosa Ineson of Georgetown Sunday at the Scarborough Kennel Club Dog Show held in Scarborough.

In the morning, Wynfield's Petit Voyageur, a Papillon known as Skipper to his friends, was awarded Best in Show at the Exclusive International Toy Club Specialty Show held in conjunction with the Scarborough Kennel Club All-Breed show, under Judge Peter Smith. There were 64 of the top winning Toy dogs being shown in Canada and the U.S. entered in this show.

The same day, in the afternoon, Skipper stood first in a Toy group of 81 dogs under Judge Thos. Quilley of Western Canada.

Skipper is just 16 months old and has only been shown since early May of this year. Since this time he has won over 100 ribbons and 50 trophies including several group placings for his little mistress, Miss Virginia Snider who is just 8 years old herself but already an avid dog fancier and knowledgeable handler and trainer for show.

Virginia trained and commanded Skipper through many sanction shows in this area preparing him for the big shows, she turned him over exclusively to a professional handler, Mr. Hans Brunotte of Caistorville, Ont.

The Papillon is a very old breed of Toy dog whose popularity is quickly gaining momentum throughout Canada and the U.S. Mrs. Ineson first imported the breed from Europe more than 30 years ago and has since encouraged several other breeders to join her in popularizing the Papillon.

'Y' Seeking \$7700 To Finance Program

Georgetown & District YMCA-YWCA is launching its sixth annual drive for funds. It was hoped that United Appeal would get underway this year since it saves money (only one campaign for all organizations); it saves manpower (all organizations supply canvassing personnel to United Appeal); and it saves the householder and business man the annoyance of multiple calls. Unfortunately, there will be no United Appeal this year therefore arrangements for a 'Y' campaign have hurriedly been made.

'Y' President, Mrs. Helen Van Sicker, has announced that this year's campaign for funds will be conducted from October 2nd to October 8th. Chairmen of the various sections are as follows: Mrs. Ann Rudy, Mr. Paul Armstrong, Mr. T. W. Brotherton, Mr. Graham Farnell and Mr. Ernie Forgrave.

The goal which this year's canvassers are aiming at is \$7,700. This is not too much more than the budget for one average household and provides wholesome, educational recreation for hundreds of children and adults alike.

Indians Help Harvest District Apple Crop

In a switch from movie tradition, Indians are coming to the rescue. They are rescuing the apple crop in this area.

Arranged by the Canada Manpower Centre, Indians from Manitoulin, Sudbury, Kenora, and Warton districts have been brought to the Norval, Huttonville and Snelgrove area to pick the apples which are just beginning to be harvested.

They will be working till the end of October, or the beginning of November, depending on which type of apple is being picked.

With local help hard to find, H.W. Fullard manager of the Brampton Canada Manpower Centre, foresees migrant workers on the farms in this area as is now the practice in the tobacco farming districts.

In addition to the Indian pickers some fruit growers are adopting the 'do it yourself' method, where the customers pick their own apples, and save some money.

Both Aldo Ferri and Ken Speirs, large area fruit growers have Indian workers on their farm. Accommodation is provided, with an Indian cook doing the catering.

Opening games in the final best of three series will be tonight for both leagues, and two games will be played Saturday if necessary. They will start at two o'clock, with a windup party for all players of both leagues at 5:30.

The girls are all asked to come early and add their vocal support to the finalist teams. They are also asked to bring their team sweaters and turn them in to their coaches.

Suspended Sentences After Theft Conviction

Three Georgetown youths convicted Sept. 6 of stealing goods worth about \$250 from a Georgetown drug store appeared before Magistrate James Black Wednesday for sentence.

"This was a well planned robbery, not a spontaneous action," Magistrate Black said. "You went into the store and left an accomplice to hide there until after closing time, when he helped you gain entry."

"The court does not have too much sympathy for people who go to the trouble of figuring out how they can break the law — how they can be crooked."

Two youths were both given suspended sentences and put on one year's probation, with orders to repay \$25 each to the drugstore and \$7.50 court costs.

The third youth was a different case Magistrate Black said, because at the time of the offence he was on probation from a Brampton court for a conviction 10 months ago on a similar charge.

After eliciting a promise from him that he had learned his lesson and would go straight, Magistrate Black remanded him for sentence until Nov. 29, when his Brampton probation will have expired.

He said the court usually imprisons second offenders but he would suggest to the Brampton court that probation be extended for another 12 months.
