

### Lopsided Win as Midgets Open Their Hockey Season

Georgetown Midgets opened their season's play Thursday with a resounding 10-0 rout of Chingunco. This was a no contest game from the first whistle. The locals tallied five markers in the first stanza as Hay, Nash and Fowler combined to open the scoring at the 25 second mark; Davies from Kudrasovs at 2:05; Hay from Fowler at 6:37; Kudrasovs from Davies at 9:30; Fowler from Hay at 15:00 to end the first period goals.

There were two counters in the second period, Korzack from Heppes at 5:35 and Nash from Hay at 12:35. The third period saw the defence come up in the scoring power. Fowler opened at 8:15 on a pass from Chapman and Nash. Bill Neil on the point fired one with Fowler and Chapman assisting at 11:57. Fogal from Hay completed the scoring.

The locals outbait their visitors by 56-10. In goal for Georgetown were Doug Unsworth and John Blair.

### C&V PeeWees Hockey Win When it Counts

C&V Pee Wees started the season off with a 5-2 win over Preston Friday.

This was the win that the local Pee Wee team was looking for. After the four losses in pre-season exhibition games the Pee Wees made sure of the game from the opening faceoff. Rod Beaumont started the scoring in the first period from McFarlane. Brad Edgar made the score 2-0 at the 4 minute mark. In the second period with McFadyen and Fleming picking up assists. Bull came back for Preston to make the score 2-1 at the end of 2nd period.

In the 3rd period it was all Georgetown with Craig Fleming scoring 2 goals and Barry James adding the last goal. At the 19 minute mark Georgetown was guilty of careless defence work and Preston scored, making the final score 5-2. The goal keeping for Preston was exceptional and kept the score close as Georgetown's outshot and outplayed by a bigger margin to the score indicated.

This was a good team effort with David Gleave and Brian Laird sharing net duties. Peterson with James looked very good on defence. Up front, Craig Fleming was the big gun playing sound hockey with two goals. Rod Beaumont and Rick Becker were the forwards with the most hustle.

Next league game is Tuesday night with Orangeville as the visitors.

### Remind Parents That Tyke League Needs Cooperation

by Shel Lawr

Tykes got off to a real fine start last Friday night with three very close games. Results were as follows: Boston 3 Montreal 2, New York 0 Detroit 0, Toronto 2 Chicago 2. When packing up to leave after the final game last week many items were found left around the arena — sweaters, helmets, ankle supports, etc. These may be obtained by checking with Bob Tost or Norm Long next week.

Finding these items leads us to believe that our few simple rules are not being observed. Parents, please note, we are not baby sitters and do not intend to be. For those who are new to Georgetown and to Tykes our rules are:

- 1) Tykes are self supporting. (Ice time is paid for by parents)
- 2) All tykes must be insured.
- 3) All tykes must wear helmets and skate guards.
- 4) All tykes must be accompanied by a responsible adult at all times while at the arena.

A copy of these rules is clearly posted on the bulletin board at the arena. Weekly results, schedules, etc. will be posted from week to week. Please check bulletin board weekly.

Schedule for November 10  
5:00 Montreal vs. New York  
5:40 Chicago vs. Boston.  
6:20 Toronto vs. Detroit.

### Bliss Novices Winners In Season's Opener

Georgetown Bliss Novice travelled to Preston on Saturday, November 4 for their first league game and with only one exhibition game under their belt they completely dominated the play to open their schedule in fine style.

In the game, which they won 9-0, almost all of the team found their names on the score sheet. Goal scorers were: Kevin Reeks three, Dean Popiel two and one each to Dick Popiel, Mike Forbes, and Terry Turner. Assists went to Mike McCandless, Andy Long, Dick Popiel, Al Lawr, Doug Thompson, Dale Mieczanice and Blake Shortill.

The shut out was shared by Bill Rannachan and Chris Somerville in goal. Others on the team not already listed are Mike Simpson, Bruno Martins, and Kim Gibson.

This year's team is being coached by Chuck Tyler and managed by Shel Lawr, assisted by Bud James.

Dick Popiel was lost to the team on the weekend when he suffered a broken leg in an unfortunate accident while public skating. He'll be greatly missed by the team.

### Photographer Shows Expo Slides To Businesswomen

Peter Jones, local industrial and commercial photographer was the guest at the regular dinner meeting of the Club at North Haton Golf and Country Club on Monday evening. It is always a pleasure to see Mr. Jones' photography and when it was of such a colourful subject as Expo it was exceptionally worthwhile. Mr. Jones who was introduced by Mrs. Aileen Bradley and thanked by Miss Jean Ruddell, showed one hundred and eighty slides of Canada's spectacular.

During the regular business portion of the meeting reports were given on the Tri-Regional Conference which had been held at the Beacon Hotel in Jordan where eight members of the club were in attendance. At the conference panel discussions were held on Leadership, membership, air pollution, Canada's new arts and technological colleges, women returning to work after re-education after spending a few years out of the working force. Professor Jackson, Dr. Bowen, and Senator Kinnear, with Robt. Welch, MP were some of the guest speakers.

Plans were finalized for the Christmas meeting, and for the purchasing of park benches for Cedarvale Centennial Park. An invitation was received from the Brampton Club to attend their meeting on Thursday, November 16 when they will have an exchange teacher from Africa as their guest speaker.

### COUNCIL BRIEFS

The town's centennial flags and banners cost \$575. It was revealed Monday night, when the clerk was authorized to pay the Lions Club that amount for the centennial decorations.

Six applications were received for the position of town foreman. They will be reviewed in committee.

The Lions Club was given permission to hold its Santa Claus parade November 25th.

A proposed new trunk sewer in the valley of the west branch of the Credit will cost approximately \$800,000, so said a copy of a letter from the town solicitor to the Municipal Board. Former application for approval will be made to that Board later.

It is best to thaw all frozen parts before cooking. If this is not possible, increase the cooking time by about one-half, being careful to cook the meat so that it is well done on the inside but not overdone on the outside.

### THE GEORGETOWN HERALD THURSDAY, NOV. 9th, 1967 PAGE 9

from people who were not opposed," claimed Mr. Mahaffy, "and most of them are not even close to the site. Everybody who owns property on the street is against it," he stated.

"The first person who comes along and wants the Planning Board to change the zoning to R4, it is approved," continued Mr. Mahaffy, "they were swayed by an old buddy, Mr. Hyde."

The mayor pointed out that the Planning Board first recommended the rezoning and then added, "after further inquiries." "It is very indefinite and confusing" commented the mayor, "and nothing will be done on it tonight," he reassured Mr. Mahaffy.

The Women's Institute, now a world wide organization, was founded in Stoney Creek, Ont., by Mrs. Adelaide Hoodless.

### Resident Objects to Proposed Apartment

Al Mahaffy, 17 Cherry St., Monday night at council registered strong opposition to a proposed eight suite apartment house on Cherry Street on land owned by former Mayor E.T. Hyde. He pointed out that the land was zoned R3 when he built his house and expected it to stay that way.

"Mr. Hyde got signatures
