

### Was Union President At Domtar and Small Arms

A strong labour man, who had been president of union locals at Domtar Pulp & Paper and the Small Arms plant, William Francis Engleby, 79, died on November 6 at Halton Centennial Manor.

Mr. Engleby organized the union at the Long Branch plant and served as its president when he was employed there during the war years. He had also been president of Local 474 during his employment with Domtar, where he worked from 1946 until he retired in 1952.

Born in Belmont, Durham County, England, he was the son of William Engleby and Mary Francis and attended school at Sholton and Broomside public schools. He was a coal miner until 1929, then farmed in Wales for two years.

He came to Canada in 1931, farmed at Cochrane, and after moving to Georgetown in 1938 he was employed with Georgetown Clay Products and later at the Small Arms and Domtar plants.

He served in India and France in World War I with the Royal Artillery. He was a life member of Branch 120, Canadian Legion.

His wife Jean Martin, died in 1950. He leaves three sons, Fred of Glen Williams, Arthur of Brampton and Cyril of Georgetown, 17 grandchildren and two great-grandchildren; and brothers Fred and Alf of Washington Durham County.

He was predeceased by a sister Florence and brothers Joe, Jack and John in England.

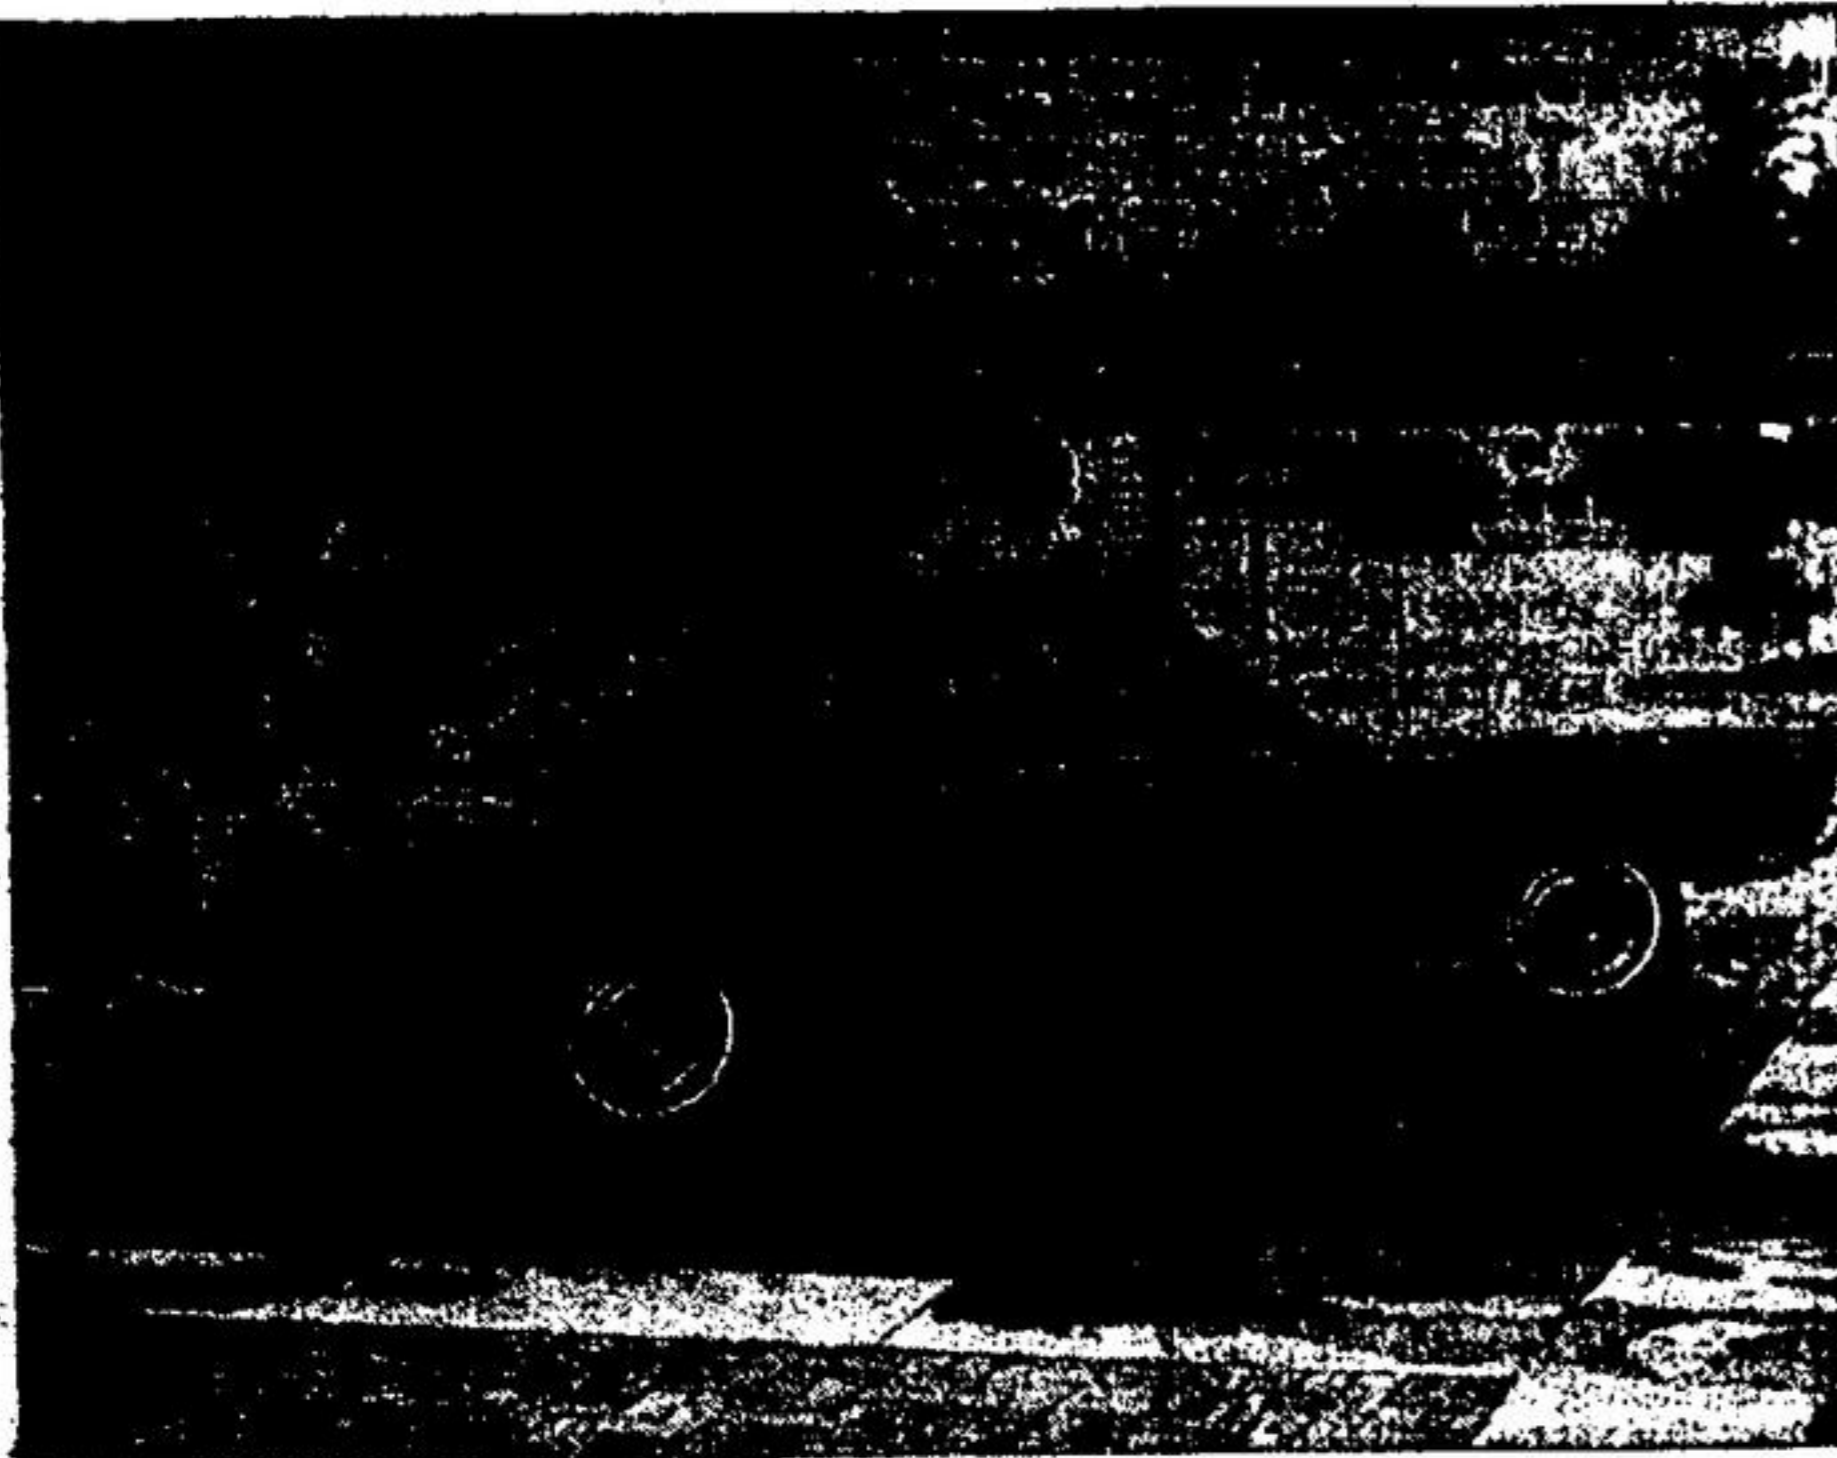

Rev. Eric Mills of St. George's Anglican Church conducted the funeral service at the Harold C. McClure Funeral Home and interment was in Greenwood Cemetery. Pallbearers were Kenneth Hill, Jack Cuthbert, Delmar Majurey, Nick Brown, Fred Hodder and David Engleby. Six grandsons were flower bearers, Fred, Ernest, William Danny, Robert and Kenneth Engleby.

### Tells Trip 'Down Under' In Slides, Commentary

St. John's A.O.T.S. Men's Club were privileged at their last meeting to have Paul Armstrong show slides and give the commentary on his recent trip to Australia and New Zealand, also on his side trip to Hong Kong and Japan. The slides gave a vivid picture of life 'down under' and his stories of life in Japan were very interesting.

The club launched a Christmas tree and fancy packaged nuts drive to help raise funds for the club — which in turn will be used for work in the church.

There were 29 men present, with president John Todd in the chair.

TORINO FORD'S NEW BABY

THE TORINA, AND TORINO GT make up a new Ford entry for 1968 in the intermediate sized luxury car market. It is available in this four-door sedan as well as two-door hardtop, two-door hardtop fastback, convertible and station wagon. Interior styling features a safety-designed instrument panel with gauges grouped in four deeply-recessed pods.

## Discuss Playoff Details For Kid Hockey League

by Bud James

On Saturday morning, fans again witnessed more outstanding hockey as teams are starting to play heads-up hockey.

The Junior A teams are something to see as they really go all out and the fans really get a great treat watching the young players.

By the end of the season it seems we will have some top pool players among the coaches. We noticed one coach came prepared and wasn't taking any chances in losing and was dressed in his finest! There were a few players who were late for their game so if you are not sure what time you play phone your coach.

If there are any boys who are short on equipment, call in at the equipment room as there have been a number of things left in dressing rooms.

A schedule has been drawn up for some of the teams for practice during Christmas holidays and will be posted for practice during Christmas holidays and will be posted as soon as possible.

Teams who won trophies last year please return them as soon as possible.

Sunday, November 19th the executive held a meeting and there were quite a number of things discussed. The playoffs were the main subject and the coaches will be informed when minor details are straightened out as all teams will take part in the playoffs.

Norm McDonald, the Saturday Morning Hockey entertainment chairman discussed some ideas he had for the balance of the season. He said arrangements have been made for a dance on Friday, December 8 at Legion and tickets are available from Commissioners and coaches. There are a limited number of tickets so anyone going to the dance get your tickets early.

Saturday morning, two gentlemen were doing a little coaching from the stands and when they were approached to help look after a team they accepted with pleasure and did a fine job well done. Thanks Dave and Doug.

Scores from Sat., Nov. 18, 1967

- Junior A  
St. Kitts 1 — Kitchener 1  
Oshawa 3 — Peterboro 1  
Marlies 2 — Montreal 2

Boston Sits Out

Senior League Schedule for Tuesday, Nov 27th  
5:00-6:45: Guelph vs. Woodst'k  
5:45-6:30: Oakville vs. Galt

### Bliss Novices Winners In Pre-Season Tilts

Friday night, November 17th saw Georgetown's Bliss Novices beat Acton 3-2 in Acton. This was a pretty early game making it hard for some folks to make the trip. Despite this the Bliss team had many faithful fans.

The first period saw Acton take the lead on a penalty shot by Townsley. Though they played hard it wasn't until 14 seconds into the second period that Georgetown made the score sheet. Kevin Reeks, assisted by Dean Popiel put Georgetown back on equal terms.

There were some exciting moments, many near misses but not until much later in the same period the score remained tied. On a pass from Doug Thompson, Mike McCandless scored to give Georgetown the lead for the first time in the game. Seconds later Acton's Townsley, assisted by Barden tied it up again to give Acton new hope. The third period saw Dean Popiel pick a corner and put one home.

The Georgetown fans cheered but there was still five minutes left in the game and the boys had to work hard to hold their lead. Acton pulled their goalie during the last minute of play but it was to no avail. Four penalties were given in this one, two to each club.

Last Tuesday night at home Georgetown hosted Acton in an exhibition game. They won this one 4-2 and this could account for some of the scramble play on Friday. The boys just didn't seem as enthused as usual over this game and Acton really made them work in order to come home with a win.

Tuesday November 21st Bliss play their first scheduled home game. They will be hosting Guelph here at 7:00 p.m.

### Hockey Juveniles Have 50-50 Record

Georgetown Juveniles breezed to a 4-1 victory over Orangeville in a Tri-County fixture here Thursday.

Monckton from Lewis and Harris gave Georgetown the lead at 18:10. A minute later Moody's unassisted goal enabled Georgetown to take a 2-0 advantage into the second period.

Harris from King and Moody made it 3-0 midway through the second frame, but before it was out Renwick from Arlow produced Orangeville's single goal.

Moody counted his second goal from King in the third period.

Georgetown drew eight penalties to Orangeville's three.

Local Juveniles have won two — lost two and tied one in the schedule games to date.

They play tonight in Hespeler.

### George Barber Leading Bowler in Men's Major

In the Bramalea Men's Major League Manhattans (the Georgetown entry) and Bramalea Pharmacy finished one — two for the first series to advance into the playoffs at season's end. Manhattan with 50 points were followed by Bramalea Pharmacy (47), Bramalea Janitorial (44½), Kodak (39), 3D's Musicland (37), Dan's B.P. Malton and Brampton Inn (33), M & P. Transport (32), Bramalea Insurance (27), Brampton Legion (26), Bramalea Bowl & Cue (16½) and Ellen's Driving School (11).

Bill Mitchell topped last week's action rolling a fine 1334 (300) followed by Jack Madgett with 1307 (303.) Lloyd Harvey hit 1046 (319) for the best four game effort of the night.

Georgetown's George Barber continues to lead the high average department with 254. Ken Richardson is close behind at 232, with Jim Moroney and Ed Mondoux a close third at 231.

### Hockey Wins Out Over Candidates' Night

Some blamed it on the cold weather, others said it was the lack of interesting issues but most agreed it was because a hockey game was being telecast.

Whatever the reason, the handful of ratepayers who turned out for the candidates' meeting sponsored by the Chinguacousy Citizens' committee in Huttenville Public School last Wednesday were outnumbered by the politicians at one stage of the evening.

If the same circumstances, coupled with televising of the Grey Cup parade and game combine to keep electors home in equal numbers Dec. 2 the coming election could provide the lightest vote ever recorded.
