Traffic Survey Needed

SNEELGROVE—Experience as a volunteer fireman and ambulance driver in Chinguacousy Township has led Ward 2 council candidate Russell Collis to ask for a comprehensive survey of traffic conditions and problem in the township.
Speaking to a meeting of workers and supporters at his home Mr. Collis suggested "an immediate survey is necessary."
"Would it not be more feasible," he said, "to take a good look at our works budget and find out if the costs of continually grading and graveling, day after day, year after year, are not much higher than the costs of paving?"
Mr. Collis said if elected he would welcome any taxpayer to drop in any time at his home to discuss problems of the township with him.

Probe Likely Into Deaths At Crossing

MILTON—An inquest is likely into the death here Saturday morning of four teenage boys.
When asked if an investigation into the train-auto accident will take place, Milton Coroner Dr. G. E. Syers answered that he "expects so." He will, possibly, head the inquest.
Dr. Syers, who had not yet received the police report on the accident, could not be more specific at this time he said. He expected the decision to hold an inquest would be made later this week.
The four teenagers died at 4:10 a.m. Saturday when their 1958 car crashed into the side of a Canadian Pacific freight train at a level crossing two miles west of Campbellville. Dead are Terrence Van Buskirk, 17, RR2, Campbellville; John Newell, 17, of 68 Margaret Avenue, Kitchener; Ronald Boers, 17, of RR 2, Campbellville; and Lorne Miller, age unknown, RR 2, Campbellville.
