

## Stopper - Clark Wedding Vows St. George's Church

St. George's Anglican Church was the setting for the marriage of Pamela Beatrice Clark, to John James Stopper on October 21st.

The bride, the daughter of Mr. and Mrs. Leslie Clark, 41 Main Street South, wore a floor length gown in traditional white satin brocade with a raised floral spray design in satin threads. The princess-style gown featured a V panel insert which fell from a bow above the waistline to a deep pleat at the hemline, a high round neckline, long narrow sleeves and train. A coronet of satin petals and seed pearls held her waist length silk veil. She carried a nosegay of pink carnations and pink sweetheart roses.

Beverly Gosling was the maid of honour wearing a geranium pink velvet sleeveless A-line gown with the low back accented by a large bow and streamers, elbow length white gloves and geranium pink shoes. The two bridesmaids were Margaret Thompson and Dianne Carr, and wore A-line gowns of geranium pink velvet with scooped out neckline and bell sleeves, wrist length white gloves and silver shoes. At the back of their heads the attendants wore a band of pale pink and deep pink carnations. They carried nosegays of pale pink carnations interspersed with deep pink carnations.

The bride entered the church on the arm of her father to the strains of "Praise My Soul."

Rev. Eric Mill officiated at the double ring ceremony which took place at 3 p.m. and saw Ernest Thompson of 8 Hewson Crescent as groomsmen. Ushers were Gene Roshier of 20 Churchill Crescent and Dick Page of 35 Raylawn Crescent. George DeKleer was organist and Mrs. Milree Armstrong was soloist, singing "O Perfect Love" and "The Wedding Prayer."

The Georgetown Golf and Country Club was the setting for the reception where Mrs. Clark received for her daughter wearing a gold dress with mink brown accessories and a corsage of brown cymbidiums. The groom's mother, Mrs. John Stopper received for the groom wearing a mushroom dress with dark brown accessories

and a gold cymbidium corsage. For the wedding dinner, that followed the reception, John T. Armstrong acted as master of ceremonies.

Mr. and Mrs. Stopper chose Montreal for their honeymoon trip. The bride wore a blue tweed walking suit with navy blue accessories and lime green cymbidium corsage. They are living at 33 Edward St., and Mr. Stopper is employed on the teaching staff of Howard Wrigglesworth. He is the son of Mr. and Mrs. John Stopper, 16 Ewing Street.

Prior to her wedding, Mrs. Stopper was recipient of a number of showers and they were both entertained at a number of parties in their honour.

## LET'S PLAY BRIDGE

BY BILL COATS

At a rubber bridge all that matters is that declarer should make his contract. The same cannot be said for duplicate bridge.

At duplicate it is important to get the best result on the hand. If you end up in an inferior contract you often have to do something extra in order to get a good result.

Here is an example from a tournament game at London, Ontario.

Dealer East  
Both sides vulnerable.

The bidding:  
EAST SOUTH WEST NORTH  
Pass 1 C Pass 1 D  
Pass 1 S Pass 2 S  
Pass 2 NT Pass 3 NT  
All Pass

Opening lead—5 of diamonds. South has a problem over North's one diamond response to his opening bid. The hand is 400 strong for a one no trump rebid. After bidding that poor four card spade suit, the last thing he wants is to hear it raised.

After the opening lead, declarer realizes that a spade contract is superior to a no trump contract. At spades if all goes well he will win two spade tricks, a ruff, two hearts, two diamonds and three clubs. It becomes necessary then to try to make 10 tricks at no trump — not just the nine needed for game.

Declarer plays low on the opening lead but East knows his "rule of eleven" and plays the six. The spade seven is led and passed around to East. East returned a club, declarer playing the jack which won. A second spade is led and declarer guessed to play low; East won with the ace. This time East returned a heart and West won. West returned the diamond ten in order to force out the queen.

Two more rounds of spades gave East a problem. He had to keep his clubs so he let go of two hearts. Declarer then led the club from dummy and finesse again. The ace of clubs now squeezed West. West had let go of one diamond on the fourth round of spades. On the club ace he could discard his last diamond, making dummy's eight good or he could discard a heart. West finally discarded a heart and declarer made life

## GROW YOUR MONEY AT HOME,

**RAISING CHINCHILLAS!**

Because Chinchilla fur is the softest in the world the demand for good quality pelts is far greater than the supply.

Added Income—second income families produce most of the pelts sold on today's market in their spare hours. You too, can share in the millions of dollars being earned by these people throughout North America.

Convenience—Most Chinchilla Breeders began in the basement of their home or in their garage. Chinchillas are among the cleanest of animals, odor free, quiet and gentle.

Investment—in our opinion, the Chinchilla business is one of the easiest, and least costly in which to get started. If you are seeking security, happiness, success and are fond of animals and are interested in making up to \$3,000 per year in your spare time; then as little as \$1,000 invested will completely equip you to start raising money-making Chinchillas.

Care and Feeding—Chinchillas are vegetarians, inexpensive to feed and require very little attention. Chinchillas generally average two litters per year, two animals per litter.
