

Raiders-Lindsay Wrestle For League Lead in Week-end Tilts

The Georgetown Raider Junior C hockey machine at times resembles a temperamental man. There's little of stopping it once it gets going but it can be awful slow starting.

Monday the league-leading Georgetown team let the first goal and a piece of the second go by before roaring to life. They brushed aside the goal deficit and led by Robinson's five goals, tied to a 7-2 win over Frank's Streetsville Derbys.

Week earlier, Raiders started too late and were nipped at the wire by Milton Merits in a rough 6-5 decision in a vocal crowd.

Raiders will no doubt remember the Merchant match this weekend when they take on Lindsay in a tussle for the Sub-Junior C League's top spot, and get off the dime because the Kawartha crew runs and hides on them.

Lindsay, at press time, is listed with Raiders at the top with 18 points. The scheduled Raiders a chance to get off their shadows. A win Orangeville against the league-dwellers tonight and a top of the weekend Lindsay (Friday there and Sunday) would open a gap that Georgetown could keep to the of the schedule.

Raiders can't afford a split in the second-place Ajax is waiting in the wings for the reds as soon as Lindsay has shot at knocking the locals in their lofty perch.

Raiders found themselves going 1-0 at the end of the period Sunday. They pumped four unanswered second goals, and outgunned Streetsville 3-1 in the final seconds.

Don Irwin fed Don Stringer Derbys first goal at 16:18. He stood up until 4:22 of the period when Terry Lester made a new game of it. Robinson rifled in first of his five just two minutes later from Bill Dwyer. It again from Dwyer at 13: and a third time from Dwyer Ron Lane at 17:58 to make 1-0.

Kron Bants Defeat Orangeville by 8-1

Saturday, December 2, Georgetown's Hillkron Bantams defeated Orangeville and home with a one-sided 8-1 victory to their credit.

Georgetown opened the scoring in the first period with Bert McFadyen counting from Bill Lane. The second goal came on a long shot from point by Brad Butterworth. Orangeville tallied their score of the game to make 2-1. However, Georgetown began to widen the gap at this point with Brian Beaumont scoring from Bill Stansel. Brian James from Brian Beaumont and Bill Dumper.

The second period saw Georgetown miss several chances but only Fin Arnold notching an unassisted goal.

In the third period Georgetown came up with three more goals with Brian Barrett counting from Brad Butterworth; Bert Beaumont from Alec Ovenden; Dennis Norton from Brian Beaumont.

Third Period Rally

Georgetown's Hillkron Bantams played two periods of mediocre hockey and then settled in in the third to defeat Acton 7-3 on Tuesday, Nov. 28th.

At the end of the first period Georgetown only held a 1-0 lead over the visitors with Glen Ginn scoring from Jamie Moody.

The second period saw both teams score two goals to make the score 3-2 for the home side. Acton had tied the score 3-3. Fin Arnold scored from Robinson to regain the lead. Once again the visitors tied the score only to have Georgetown forge ahead once more an unassisted goal by Brian Beaumont.

In the third period Acton was scored by Georgetown four goals to one. Scorers for Georgetown were: Jamie Moody from an Beaumont and Bill Stansel; Brian Beaumont from Brian Beaumont; Dennis Norton from an Brown and Jamie Moody from Gene Iglis from Brad Butterworth.

All three goals for Acton were scored by George McPhail.

Wally Perks beat Brian Perks with Streetsville's second goal at 3:10 of the last period and it looked momentarily like a squeaker was in the making. But two quick goals by Georgetown took the doubt out of it. Robinson from Brad Johnson and Lane at 7:27 and Dwyer from Robinson and McCarthy at 8:55 jacked it to 6-2.

Robinson fattened his bulging point collection even further with his fifth goal and sixth point of the productive afternoon at 15:41. Dwyer was his accomplice for the third time making it a four point performance for the "Hummer". Terry Lester also drew an assist on the last goal.

Add Consolation Series To Four-Town Tournament

Sunday, December 3, 4 town tournament representatives held their meeting in Acton. It was the best attended meeting in the 4-Town history. Georgetown was well represented with 10 members. Acton had 5 Milton 2, Fergus 1.

Bob Loutlet chairman of Acton Legion Minor Hockey was the chairman for the meeting, which opened at approximately 2 p.m. A number of matters were discussed and the meeting went along without any heated discussions.

The cut off date for players moving from All-Star teams and Saturday morning teams is Jan. 1, 1968.

Instead of teams playing only one game there will be a consolation series and will give teams an extra game. Prizes will be awarded to the players from each town selling the most tickets. Schedule and other details will be given to coaches, managers, commissioners and executive as soon as it is received. All managers of the 4-town teams are asked to make sure all players have birth certificates and are available by February 15th.

The 4-Town Tournament has been operating now for 15 years and there are a number of towns who are anxious to take part in this tournament and the feeling at the meeting in Acton was that in the near future the tourney would be expanding.

Repaired Toys Will Brighten Christmas

The local Kinette club is looking for those discarded toys again this year.

The girls will pick them up or they can be dropped at Mrs. Karen Harrison's 5 Young St.

Both the Kinsmen and the Kinettes fix up the toys, repairing, painting, making dolls clothes, so they can be included in the welfare Christmas baskets.

The Kinettes would appreciate any donors, first calling 877-0222, but if this is not possible the garage at the side of 3 Young Street will be Santa's helpers headquarters, from now till Christmas.

CHRISTMAS CANDLES

Lighted candles in the window supposedly light the way for the coming of the Christ Child. Many people once believed that Christ appeared at Christmas, concealing his true identity.
