At the Men's Group committee meeting held in the Norval Scout Hall on Wednesday evening December 6th with Bob Shilling in the chair, it was decided to give the balance of money left from the Norval Centennial Barbeque and Dance to the skating rink fund at Norval Public School. The Men's Group Committee added to this enough money to purchase 3 loads of sand needed for the foundation of the skating rink. The money made at the Cen-

tennial events at the end of June was divided between the 3 groups in charge of the celebrations. The Men's Group Committee, the Ladies' Auxiliary for Girl Guides and Brownies, and the Scout and Cub Mother's Auxiliary. A small amount was kept to pay outstanding bills and what was left from this amount has now been donated to help finish the skating rink so the children of the village will have a safe place to skate.
