You Don't Look For a Farm Every Day But We Do!

We actually have hundreds, yes hundreds of people, most of them from big centres like Toronto and Hamilton asking us to locate a property in the country. Some of these buyers want big farms, two hundred or more acres. Others just want a hundred acres or so. Still other would-be purchasers only want to buy a few acres — and so our search goes on. Country homes of all types, and descriptions are in great demand as are farms, and country home sites. The pieces being offered by some of our clients are astounding. We've had several sales in recent weeks of farms in the \$20,000 price range, and just last week a client paid over \$87,000 for a farm. Do you want to buy? Do you want to sell? Our Rural Sales Dept. is staffed with experts who can help you.
