R & B Milk Takes Lead in Hockey Playoffs

R&B Milk Centre was the only Georgetown Industrial Hockey League team to fashion a win in the first round playoff games in the Memorial Arena, Sunday.

The Milkmen withstood a determined effort by Dodge Bros. to capture the 8-7 victory, after George Henderson and Blue Giants set for a 3-3 tie.

R&B fired four first period goals by Agnew, Muckart, Tyler and Johnson before Dodge Bros. got untangled and notched one of their own near the end of the first period.

Steen scored twice, and Hurren and McFarlane added goals as Dodge Brothers stormed back in the middle period to wrestle away the lead. The Milk Centre finished the period in impressive style with a volley of their own that gave them a 7-5 margin. B. Johnson (2), and Tyler were the snipers.

Hurren and Reid lifted Dodge Brothers into a tie in the third period, but Lester snatched the tie in Milkmen's favour.

Radicals and Blue Giants matched each other in every period of their see-saw struggle. Radicals' Haynes and Blue Giants' Murphy scored in the first period. Bowen of BG's and Pearce of Radicals in the second period, and Giants' Harrison, and Radicals' Haynes again in the third.
