4-H Girls Continue Study of Fruit Dishes  
Ashgrove Fruitie Tootles held their third meeting at the home of Mrs. Olliphant on February 24. Roll call "My favourite variety of apple and why" was answered by fifteen girls.  
At the next meeting the girls

will show their cover design for their record book and will begin planning their skit or demonstration for achievement day.  
Grading, storage and uses of frozen, dried and canned fruits was discussed. Before the next meeting each girl must prepare a fruit dish featuring one of these types of fruit. During the work period Janet Nurse prepared oven steamed fruit pudding and Karen Dimock made the lemon sauce which was served with it. Marg Olliphant made another delicious dessert, peach supreme.  
Grace Bird thanked Marg for her hospitality.

Mrs. James Carney, Mrs. Fred-Nurse, Thelma Carney and Anne Keilly attended the open house and fashion show at Ryerson Institute on Thursday evening, where Doreen Carney is a second year student.
