

Sell-Out Crowd, Carnival May Run Two Nights Next Season

The success of Peter Pan Skaterama has Georgetown Skating Club thinking about running their annual ice show two nights next year.

Memorial Arena was jammed to capacity and hundreds were turned away at the door Saturday night. A club official told The Herald later, he hopes in the future the ice show will be presented two nights to prevent people being disappointed. He said the club regretted having to close off ticket sales.

The Skaterama featured the Peter Pan fantasy in Act I, and production numbers featuring guest artists in the second act.

Highlights for two club members were presentations of special awards. The Executive Trophy, given annually to the most improved skater, was presented to Jennifer Thompson and the President's Cup for the "most deserving intermediate" was presented for the first time to Catherine Frow. Club President Tom Pettinall made the presentations.

Jane Patterson, the 1968 Junior Ladies Champion of Western Ontario and the Niagara Peninsula, Nancy and Steve Dover, 1967 Senior Pairs Champions of the same district, Ron Shaver, Senior Men's Champion for the district, and Janice McMillan, a former Georgetown Club member, now skating with the Lakeshore Skating Club, were guest skaters featured in the second act.

Georgetown club skaters Leanne Lewis, Ethel Cuthbert, and

Debbie Lounds also had major roles.

Feature parts in Peter Pan were taken by Leslie Johnson as Pan, Susan Lee as Mrs. Darling, Colleen Few as Wendy, Iz, Cañasta Taño, Swing Dance, Debbie Lounds as Michael, Sharon Hewitt as John, Kathy Sue, Ron Hewitt as Nana, Werner Kraus, town Figure Skating Club President and Ted Kewley as the lost boys, Sandra Mendley, Kerri Hegstrom and Sharon Watson as Pin's Scouts, Joanne Pelletier as Captain Hook, Heather Moore as Tinker Bell, and Leanne Lewis as Princess Tiger Lily.

Others skated in Act II production numbers, the Dutch Waltz, Cañasta Taño, Swing Dance, Dancing in the Future, and a precision display by Georgetown Figure Skating Club Precisionettes.

The show was directed by professionals Mary Jane Robinson and Gale Livingston.

Mrs. Mary Rosseter, Prince of Wales Drive, won a tent trailer when her ticket was pulled in a lucky draw at intermission.

Other members of the cast of

over 150 appeared as animals, rosebuds, birds, butterflies, pirates and Indians.

Two hundred would-be winners sat down to a hearty and tasty meal prepared and served voluntarily by the Branch Auxiliary. This happened last Friday, March 1st, when the Branch semi-annual Elimination Dinner took place. M.C. Bill Rannachan, who as always did a faultless job, opened the evening by introducing the Branch President who welcomed everyone.

Distinguished visitors were introduced by Bill. After dinner the fellows relaxed and enjoyed an hour of excellent entertainment. With the help of Gord Field and Harold Eagles, Bill then got on with the serious business of the elimination.

Twenty-one extra prizes were won before the big one which was shared by Bill Corely and Bill Dodds. Bill Stansel won the barbecue along with one of the extra prizes.

It was an enjoyable evening and successful from all points of view. Such an evening is not possible without co-operation from the members and the Ladies Auxiliary. We would like to thank both the Auxiliary and members who gave their time willingly and freely to the Entertainment Committee on this occasion.

During the past few months, the Ladies of 120 have been riding high sportswise, but unhappily, last weekend the goddess of fortune seemed to desert them. At Acton they lost out in the local ladies' and could only secure second place in the elite tussle, while at Cribbage the Auxiliaries of Brampton and Acton finished ahead of 120. However, all is not lost. We understand there will be at least one more round on April 20th.

Those people at Bronte will think twice before they again challenge the Branches of the Zone to darts. Members and ladies of three Branches rose to the occasion. Georgetown won the first place. You could almost call it pot luck. They won a beautiful earthenware vessel which is to be inscribed and sent to 120 in the near future. Oakville were second. They had the bird, a stuffed toucan in a gilded cage. Burlington finished third while the bold challengers Bronte were also rans.

It was all in good fun and the profits from the evening went to Bronte's building fund. A steak dinner followed the darts after which there was a dance.

Well over fifty members from Georgetown were there. A bus load and several cars finished up at Bronte. The President of the Bronte Branch presented legion tie clips to the three visiting presidents.

Last week, Norm Ward, Jim Randell and the Branch PRO were at a meeting with members of North Halton Association for the Mentally Retarded. At this meeting, it became clear that the Branch Executive had misunderstood Jim Randell at the last meeting. The Association are not seeking aid for the building of a residence for the retarded but for sponsorship of an organization to help operate the residence.

Will Corely' Bill Dodds Share \$1'000 Draw Prize

At this meeting, it became clear that the Branch Executive had misunderstood Jim Randell at the last meeting. The Association are not seeking aid for the building of a residence for the retarded but for sponsorship of an organization to help operate the residence.

If the Branch is interested in this project, it would be a long term sponsorship similar to that of Saturday Morning Hockey. We feel the Branch could handle this project. The good will of the community and the good publicity for the Branch would be limitless. Another meeting is to be held this week where facts and figures will be disclosed for the committee to take back to the Branch Executive.

Dart enthusiasts would be wise to keep in mind that registration will commence at 10:30 a.m. Saturday, March 9 for the Zone Dart Championship. There will be teams from all Branches of the Zone.

Friday night Dart Shoot will be on as usual this week. Have no idea what prize Lloyd has in mind but we feel sure there will be two winners.

Discussions were held in the dining room of the Business and Professional Women's Club on Monday night, at North Halton Golf and Country Club. Four members of the local club attended a meeting as members of a committee sponsoring a seminar on Leadership and Management which will be held at York University in July. They reported to the club and from the plans it appears to be a most worthwhile weekend and the club is proud to be a part of the committee.

The provincial conference being held in Fort William was discussed. Mrs. Wilkinson will represent the club as delegate. The National conference in Quebec City was also discussed. Two members of the club will attend the International conference being held in London, England, in August.

Name Del French as Deputy Esquering Clerk, Collector

Following the administration of the path of office, to Delmar French as Deputy Clerk and Tax Collector, by Township Clerk Treasurer, K.C. Lindsay, Monday, Mr. Lindsay announced it was the 25th anniversary of his taking office as Clerk of the township.

Addressing George Currie, he said "You're the only one who was here at the time." He went on to suggest it was not necessary for him to attend every council meeting, perhaps once a month unless council requests otherwise," said the clerk.

"That certainly takes me back," replied the Reeve. "I missed after Cr. Pat Patterson was here twenty-five years ago, and I hope to be here after the

Milton Also Seeking Township Library Aid

A request from Georgetown for a five thousand dollar grant for library services to township residents, and a similar request from Milton for a one thousand dollar grant for the same purpose, drew no comment from Esquering council, Monday night.

The matter was never discussed after Cr. Pat Patterson commented, "We have a full agenda tonight."
