NORVAL

Parish Hall Wiring Among Projects of Men's Club

On Tuesday evening, April 2, members of St. Paul's Anglican Churchmen, Norval, met in the Parish Hall for their first meeting of the year with 15 present. Ken Gorin, president, read a review of the treasury report made by C. Coomber, treasurer. Forthcoming events were discussed such as congregational picnic, corn roast, dance and Christmas party.

The congregational picnic was planned for June to be held either at Terra Cotta or YMCA grounds in Norval if available. Members discussed a gift for Rev. H. Llewellyn on his leaving the parish. It was decided to present him with this at the Men's breakfast.

Volunteers for a telephone committee were Don Simmons, Jim Landley, Craig Dunn and Bud Carter.

The president read a list of things to be done presented by Rev. H. Llewellyn, the main item being the wiring of the Parish Hall which is urgent. Hank Russell stated he has an electrician looking into this.

Copies of the constitution were given out to the members. Roll was called for 1968-69 membership. The membership fee was set at \$1 per year and 25¢ per meeting. Meetings to be held the first Tuesday evening of every month and the Men's Breakfast to be held the first Sunday of each month.

Thursday evening, April 11th being Maundy Thursday, Holy Communion was celebrated by Rev. H. Llewellyn and members of St. Paul's Anglican Church, Norval and St. Alban's Church, Glen Williams in St. Alban's Church.

Maundy Thursday being the institution of the Holy Communion by our Lord at the Last Supper holds special significance for all Anglicans.

Following the service the last film strip of the Lenten program was shown.

The theme of the film strip called "This Sustaining Bread" was the symbolism of bread in the Christian faith i.e. bread as a symbol of Jesus Christ and bread as a symbol of man. The film strip was in the form of abstract paintings which were beautifully illustrated.

Discussion followed. Members felt it was harder to break bread with one's fellowman nowadays because of the tensions and pressure we live under in the world today. Some felt that people didn't care about their fellowman at all, but as Christians we have to care and care enough to do something about the misfortunes of our fellowman, with the help of

LET'S PLAY BRIDGE

BY BILL COATS

Once the opponents have opened the bidding, it is more difficult for your side to bid. To make up for this, the opponents of the opened have special bids available to their side only. These include the 'take-out' double, strong overcalls and cue bids. Each one of these should describe a different type of hand either in structure or high card count, or both.

Defensive bidding is based on the premise that once the opponents have opened the bidding your side is not likely to hold a hand which has a high point count.

Such a hand did occur last week at the Acton Bridge and would like to present it, here with the story of what happened at each table.

The dealer was West and neither side was vulnerable.

Thank God for Hospital Is One Residents' Opinion

11 Ewing Street, April 16, 1968

Dear Sir,

Re letter by Dorothy Burns in opposition to an addition to our Georgetown Hospital since it will increase our taxes.

"My, how the winds of time do change."

It recalls to my mind the struggle we had back in 1960 to 1962 to stabilize our taxes because of excessive building of homes and the facilities they required which in most cases nearly tripled our taxes.

We built another sewer, more schools, etc., etc. in a long line of items, all of which were required by the new home owners.

We struggled desperately to stem the tide, but a few short-sighted people failed to see the point and couldn't care less about the cost.

A letter by a man with the same name of Burns read thus "Normally intelligent people realize that when a municipality expands, so must its facilities." I ask you dear ladies "when you were growing up, did you not need larger sizes?"

Yes, we did, the same thing is true of our hospital. Thousands added to our town, mean a larger hospital and those who will need it—most are those whose income has not kept up with rising costs. I mean the aged and the veterans who fought to keep us free from oppression and from whom we owe the precious right of free speech.

If there is anything wrong with management or service in our hospital, Mrs. Burns should spell it out, not keep us all guessing, the writer has taken advantage of our hospital with heartfelt thanks, and can only say with all my heart,

"Thank God for our Georgetown hospital."

Sometimes Doctors make mistakes. Jesus Christ through prayer and with our own efforts. Refreshments were served.

Unit Two of Norval United Church are busy with plans for a euchre to be held in Stewarttown Hall on Friday evening, April 26th.

West led a heart which was won by East. A heart return put declarer on play. Declarer made the excellent play of a low club. East won, and returned a heart. Declarer did not ruff, but discarded a diamond instead.

East switched to a trump and declarer drew all remaining trump. Three rounds of spades followed before West won. West took his good heart and led a diamond. Down one again, losing a spade, three hearts, a diamond and a club.

The best bid never occurred. South should double any opening bid by East. North will bid spades and South should raise to three to show his powerful hand.

This will be passed out and made for North should lose at the most a spade, a heart and a diamond. If the defense plays well, declarer may lose another heart as well.

Monday's results: 1st pair, Dick Ernst, Duke Wilson; 2nd pair, Bill Wandel, Jack Coats; 3rd pair, Bill and Gloria Coats; 4th pair, Mrs. Jackie Nolan and Mrs. Betty Ashley.

Bridge Club Members Are Prominent, Toronto Tourney

At the regional bridge tournament at the Royal York Hotel, Toronto, last week, a number of members from Georgetown duplicate bridge club distinguished themselves very nicely.

Bob Williams and Fred Allen of Brampton, who are members of the local club, won the Fort York pairs, open to players with 50 master points or less.

Duke Wilson and Richard Raymond, Brampton, took third in their section of Flight B of the Canadian National open pairs championship.

Mrs. Kay Harmer, Oakville and Harry Frost, Milton, placed third in the Canadian National non-masters' pairs, for those with 100 master points or less.

Others competing from the Georgetown club were Mr. and Mrs. Arthur Norris, Mr. and Mrs. Clayton Barbour of Erin, Tom Burrows and J. Mauven.
