REAL ESTATE
How you benefit from your Realtor's Multiple Listing Service when you sell a house.

When you sell your house through a Realtor, you save time, energy, and headaches. Because a Realtor is a professional in the real estate business who will introduce you to truly interested people. People who want to buy what you want to sell.
And through Multiple Listing, a number of Realtors work hand in hand so that you have a wide range of prospective buyers. All of whom do business through a Realtor because they know he handles the bulk of property they're interested in. Fairly and squarely.
When you're selling your house, do it the simple way. Get in touch with your Realtor, a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the Canadian Association of Real Estate Boards.

DID YOU KNOW?
Phenylketonuria (PKU) — a condition in which an otherwise healthy infant cannot digest certain body chemicals which poison the brain — is now being prevented by Canadian family doctors, who routinely test newborn infants. Where the condition is detected, the diet is changed and these infants are saved from life-long mental retardation.
By the time most people get to green pastures they are too old to climb over the fence.
