Toyota Claims Two 'Firsts' in New Car

Toyota engineers claim two firsts with the new Toyots Canadian National Sportsmen's Show this year.

1) The new car is the first popular priced sedan designed to meet the new US Federal Government Safety Standards, not adapted to comply with

2) The new Crown is quieter at 60 miles an hour in both the front and rear seats. a way of saying that it's probably the quietest sedan around.

The new Toyota Crown is being introduced in a higher price bracket than any previous Toyota sedan.

Equipment is a big part of from having a collapsible steering column, impact absorbing steering wheel, fully padded dash and windshield pillars, mirror and ash trays and a dual breking system, Toyota engineers have added their own safety wrinkles. These include an impact absorbing perimeter frame with front and rear tor-
