

Two Hat Tricks in Soccer Opening

The Georgetown Minor Soccer Association house league got off to a fine start last week with four games being played. Peter Kock of United and Danny Servo of Arsenal both got hat tricks indicating they have adapted to soccer in such a short period of time.

The first Pee Wee game on Wednesday saw the Tigers beat the Rangers 5 goals to nil. Outstanding for the Tigers were Terry Moffat, Dale Mieczanec, and Paul Baxter who formed a very strong attacking half back line. The Bantam game of the same night was a hard fought match resulting in the Beavers losing to United 5 goals to nil.

The game was much closer than the score suggests and the Beavers were unlucky to come out of the game scoreless. Spectators on Thursday evening had the pleasure of watching two exciting games. The Pee Wee game between the Falcons and the Golden Hawks was a real see-saw affair. The Hawks were two up at half time, but soon lost their lead in the second half when the Falcons pressed hard and scored two goals. Then the Falcons were unlucky enough to have a penalty awarded against them. Little David Patterson, who pound for pound must be one of the most tenacious players in the league made no mistake on the shot, giving the Hawks a 3-2 victory.

The following game between Arsenal and the Jets, was the best game yet seen in the new league. In winning 4 goals to 2 Arsenal demonstrated superb positional play and passing technique and are going to be a hard team to beat in games to come.

Sunday brought the Portuguese Canadians of Brampton to town for a friendly match with Georgetown Junior 'B' team. The visiting team were not treated very kindly and went home smarting under a 6-1 loss.

More financial aid has been given to the Georgetown Soccer Association with Harry Hale donating a match soccer ball, and the Ontario Government presenting a set of goal nets and two soccer balls.

EVEN THE PICKOFF BACKFIRES ON GIANTS

THE WATERDOWN RUNNER makes it back to first base skidding on his stomach to beat a pickoff attempt, during Georgetown Giant's season opener here Wednesday. Taking the throw is first baseman Tom James who managed the club last year. Below, the roles are switched and it's Tom James trapped in a run down between first and second later in the game. He was tagged out. Giants failed to score and Waterdown spoiled the locals' debut with an 8-0 victory.

Kinsmen's Girls Softball League

It seems every girl in Georgetown wants to be a ball player. At least that's the way it appears to the Kinette Girls Softball League officials who have had to set up a waiting list to handle the overflow registrations in both their Senior and Junior Leagues.

Most of the new junior leaguers have been accommodated by expansion, two new teams have been created, but even this measure hasn't absorbed all the girls who believe diamonds are a girl's best friend — ball diamonds that is.

The ten-team Junior setup starts Tuesday, June 11th, and the four team Senior circuit on Thursday, June 13th.

Beavers, Petes Tie in Rough Rugger Contest

It was a bad day for rugger rules and regulations when Georgetown Beavers met Peterboro Petes in a 15-a-side game in Peterboro, Sunday. Both Beavers and Petes bent the rules and the referee misinterpreted them in a rough contest which ended in a 3-3 tie.

Twenty-two Georgetown Beavers made the trip and with substitution and lending two players two Peterboro all the locals played at least half a game.

Pete's and Beavers both threatened without being able to score in the first half.

In the second half, Pete's scored an unconverted try, then Les Judge of Georgetown booted a penalty kick into a strong wind from Petes 20 yard line to even the score.

Jim Blair, Al Ferguson and Les Judge played their usual strong game.

All in all it was a very loosely played game, mostly in the forwards with lots of hard tackling.
