

How you benefit from your Realtor's Multiple Listing Service when you sell a house.

When you sell your house through a Realtor, you save time, energy, and headaches. Because a Realtor is a professional in the real estate business who will introduce you to truly interested people. People who want to buy what you want to sell.

And through Multiple Listing, a number of Realtors work hand in hand so that you have a wide range of prospective buyers. All of whom do business through a Realtor because they know he handles the kind of property they're interested in. Fairly and squarely.

When you're selling your house, do it the simple way. Get in touch with your Realtor, a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the Canadian Association of Real Estate Boards.

Alliance Pastor Attends General Church Council
The 1968 clergy and lay delegates registered during the General Council in Raleigh, North Carolina, May 15 to 20 established a new attendance record for the annual delegate meeting of the Christian and Missionary Alliance.

Among those registered were Pastor and Mrs. Paul Collins of the Georgetown Alliance Church.

The memorial service was a part of the annual Missionary Rally of the Council, Sunday afternoon, when approximately 300 young people in the audience offered themselves for possible missionary service with the Alliance, indicating their decision in a very definite way by signing a pledge to place themselves unreservedly at God's disposal for service. Over 175 of these were young people of high school age or above.
