

FIVE GOALS FOR GEORGE WATT

Tigers set the pace for last week's soccer games when they opened the week's play by defeating Falcons 5-2. The unlucky Falcons who have yet to obtain a point, fought very hard with Mike Reiss and Dale Richardson both getting goals but Tiger's forward line was too powerful for Falcons' offence and Kenny Flynn with 2 goals led his team to victory.

The Bantam game of the same evening saw Arsenal and Beavers battle to a scoreless tie. Arsenal did not play the type of soccer that put them at the head of the standings and were lucky to come out of the game with a single point. Beavers came very near to obtaining their first win of the season when they were awarded a penalty, but Ted Kewley made a great save and kept his team in second place.

Leybourne Leads Glen Home Run Helps Win

After absorbing a setback in their opening game of the Intercounty Football League, Glen Williams has come on to assume the role of team to beat.

In the Glen Park, Sunday, Tex Leybourne hurled and hit his mates to a 5-3 victory over John Salmon and Rockwood to add to the momentum.

As well as keeping Rockwood bats comparatively silent, Ley-

bourne cracked one of the Glen's two home runs with a man on. Blake Inglis came through with the other one and Ron Ritchie took care of the remaining RB's.

Neil Best was at his best in the previous home game Sunday June 2, when Belwood fell 5-1 to locals. Big Tex was the hitting leader again, going four for four. The Glen are playing their home games Sunday nights.

The next game saw a deluge of goals when United blanked out Thistle 9 goals to nil. United started off at a furious pace and were 6 up in 15 minutes. Thistle's slowly settled down and toward the end of the match were playing just as well as United. The highest number of goals scored by a player in any single game was recorded when George Watt scored 5 for his team.

Tigers continued their winning streak on Thursday by beating Celtic 5-1. Terry Moffat showed that he is developing into a natural goal stealer by getting 4 goals. This led to a real menace in the penalty area, and any slip by the opposing defence usually proved fatal once he gets the ball.

Panthers went to the top of the Bantam Division this week by beating Beavers 3-2 on Thursday and Thistle 1-0 on Saturday. Beavers looked to be finally in winning form on Thursday but after leading twice, seemed to run out of steam toward the

end and let Panthers take the points. Two more teams have been sponsored with the Lions Club of Georgetown picking up the tab for a second team and Capital Building becoming the ninth sponsor for minor soccer in Georgetown.

Jim James Now Manager Wilkes' Giants' President

Jim James has resigned as president of the Georgetown Giants baseball club to become the team's playing manager. The new president is Don Wilkes who moved up from vice president to take over the reins.

The team has been without a batsman since Tom James called it quits at the end of last season.

Giants, who stumbled in their first games of the '68 campaign mainly because of their lack of depth particularly in the pitching department are steadily gaining strength.

Juniors John Quackenbush and Roy Shullis have been used in a couple of games. Wayne Davison has been added to increase the long ball threat, and Jim McGill is back in the fold to help shoulder the pitching load with Bernie Dore, Danny Arbie, and Jim Lindsay.

A former senior Galt Terrier now living in town, Gib Simpson, who can play almost any position has also been acquired.

At the moment Giants are going with Davison at first, Dean Gibson at second, Arbie at short, Howard Murphy at third, Chris Bailey in centre, Earl Hurt in right and Tom James in left. Don Lindsay is the regular catcher.

Utility men include Jack and Dick Poole, Doug Ford and Bill
