

K-P Pupils See Farm In Operation on Trip

A visit by Kindergarten, class of Wrigglesworth School to the farm yard we were met by Mr. Cleave and his family and pupils to their teacher Mrs. Helen Agg.

When our bus pulled up in first, where we looked into the huge tank full of cold milk. There was a Bulk Milk truck the farm dog, Sparky. They took us into the milk house

tank of milk and pumped all the milk from the tank into his truck. Then he drove away to the dairy.

Next we went to see one of the cows get milked. They use milking machines to do the work. The cow's name was Girle. She gave 15 lb. of milk. The milking machine had a gauge that weighed the milk as the cow gave it. Then the milk went on through a pipe into the milk house tank, and nobody had to carry it at all! When the milking was finished Girle went out to pasture with all the other dairy cows. There were 38 cows in the pasture.

Then we went into the barn. We saw a big strong bull named Chieftan. He had horns on his head and a ring in his nose! There were lots of calves in the barn in different pens. We saw 2 cats and 3 kittens. They were in the barn to catch mice. There were birds flying around in the barn too. They are called barn swallows. Their nests were stuck to walls with mud. One nest had 4 baby birds in it.

We saw two places where cows can get water to drink. They have fountains by their stalls that they work with their noses! Outside there is a big trough of water for them too. Then we watched to see how the manure and old straw is cleaned out of the barn. There is a moving conveyor belt that takes it outside and dumps it on a big pile. We saw a very tall silo in the barn yard. Chopped up corn is kept in it.

Mr. Cleave and Mr. Robinson took us for a hay ride on a cart behind the tractor. We rode out to a hay field where the hay had all been cut and was being dried on the ground. We saw fields of wheat, and hay and oats. We sang our song which is called "Oats, Peas, Bean and Barley" as we rode along. When we got back to the barn we went up into the hay loft to have a snack of milk and cookies. Their stairs are pulled down from their place on the ceiling and then you can climb up them! Upstairs we played in the hay in the loft. We jumped and rolled and hid in it. That was a lot of fun.

After we left the barn we saw some farm machinery. There was a Combine that cuts wheat and bales that makes the bales of hay, two tractors and a weed sprayer. Then it was time to say thank you and to get on our bus again. We learned a lot about a dairy farm, and now we are going to make a book about it for Mr. Cleave.

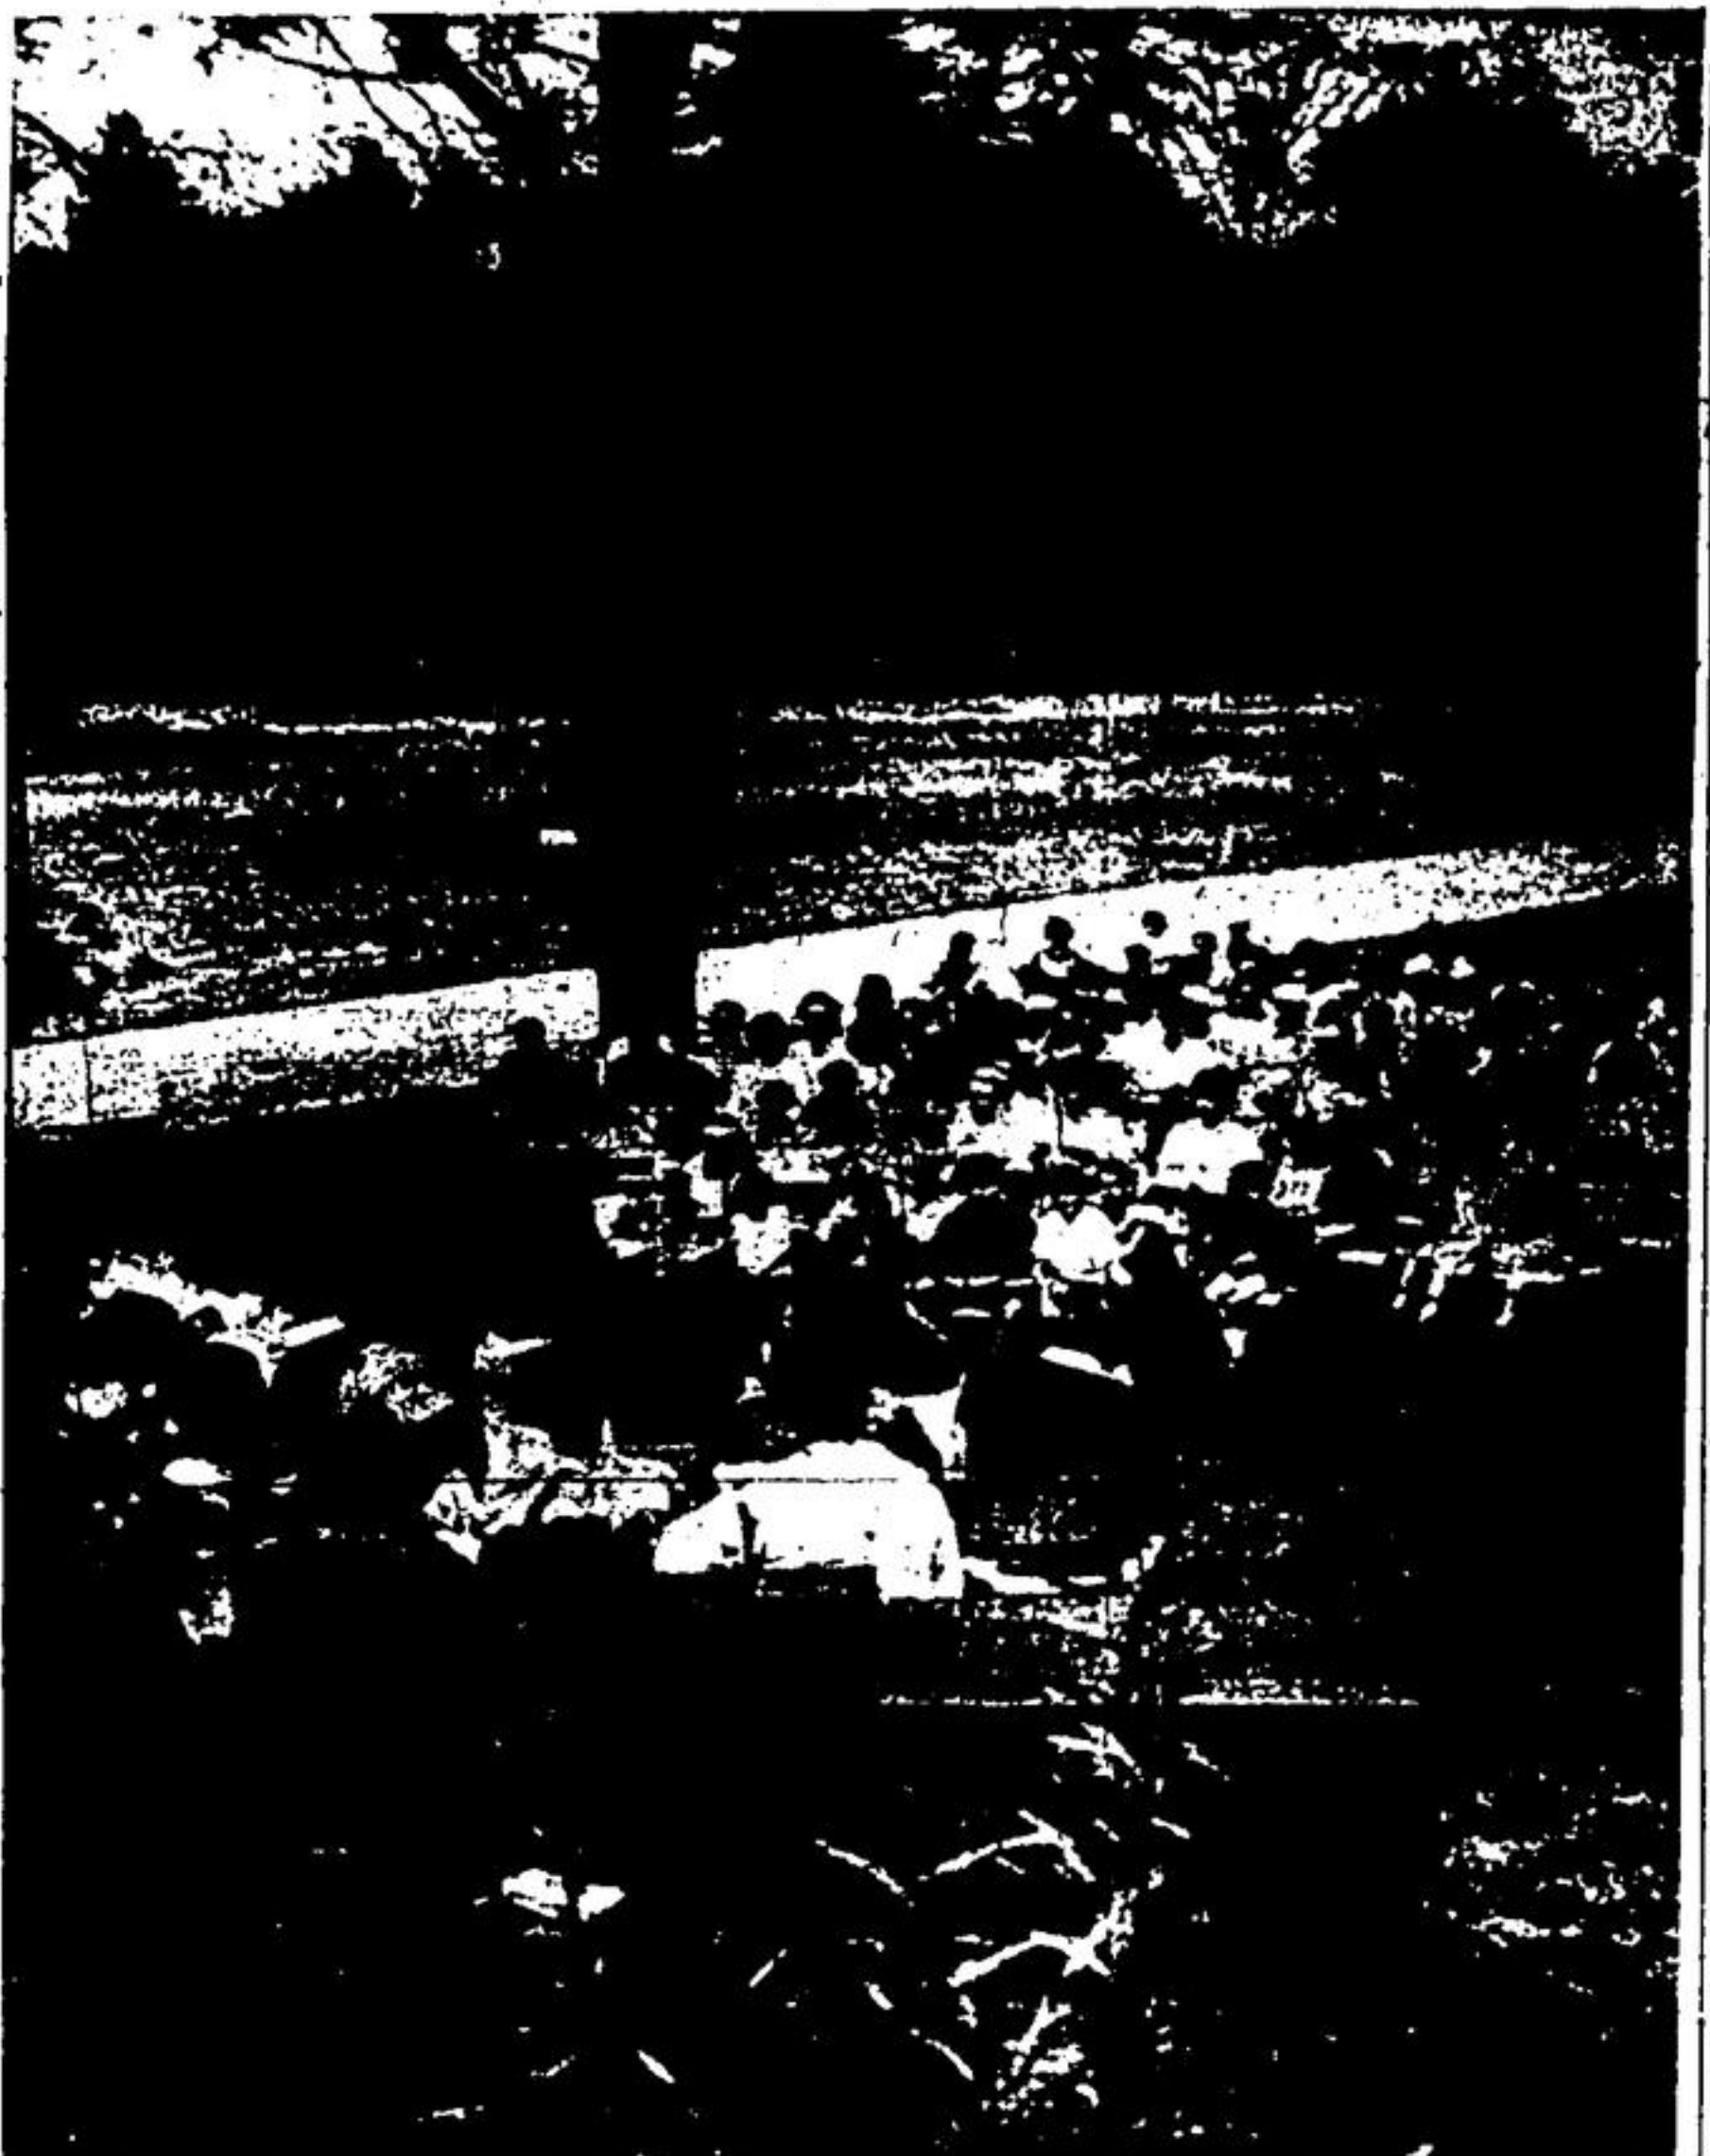

Conservation Tours Are Popular With Students

More than 1,300 Public School children from schools in the Credit River watershed have visited the Hillsburg farm, toured the nature area at Terra Cotta or enjoyed illustrated talks about Conservation since June 1. Information Officer Joan Hollings reported to the Credit Valley Conservation Authority last week.

These youngsters were in all age groups from Grade one to eight and were full of enthusiasm for the outdoors, the animals and equipment at the farm and the pictures and talks given in the classroom.

It is the aim of the CVCA to educate children in the objectives of good conservation. They will then be able to carry on the dedicated work of conservation in Ontario in the future.

Worshipping in Nature's Church

AN OUTDOOR MORNING SERVICE held in Cedarvale Centennial Park was the start of a full day's activity by the St. John's United congregation. After worship, the congregation enjoyed a picnic lunch together and stayed around for games and races.

EVANGELIST FRANK WALDEN of Conyers, Georgia, preaches to a congregation in the big gospel tent during the area wide evangelistic crusade based at Georgetown Market for the past three weeks. While in progress, the crusade held services every evening and Sunday afternoons.

AN AGED OLD OAK TREE provides the shade for worshippers in Glen Williams Cemetery where Rev. R. Ruggie of St. Alban's Anglican was the guest minister. It was perfect weather for the 14th annual memorial service there.

Former Members Join in 60th W.I. Celebration

Wednesday afternoon June 19 was a happy occasion for the Hornby Women's Institute when about fifty ladies gathered at Hornby United Church (now Hillcrest) to celebrate the 60th Anniversary.

Former members were present from Oakville, Brampton, Georgetown, Milton, Ashgrove and Hornby, as well as the present members. The president, Mrs. Cecil Patterson was MC and opened the program with a few words of welcome. All joined in singing the Institute Ode and God Save the Queen followed by a toast to the Queen.

A luncheon was served by the Starlight unit of Hillcrest Church. The decorated Anniversary Cake was at the centre of the head table and Mrs. Delbert Downs had the honour of cutting the cake.

The head table guests were introduced by Mrs. M. J. Brown. These were Mrs. Roy Wilson, secretary treasurer; Mrs. Wm. McPherson, vice pres.; Mrs. B. Alexander, district secretary; Mrs. J. Bird, district president; Mrs. Brown, Mrs. Downs and Mrs. Percy Merry life members; Mrs. Patterson, president; Mrs. Clifford Wrigglesworth, past president; and Mrs. M. French, the guest speaker. Mrs. J. Bird brought greetings and best wishes from the district. Mrs. P. Merry gave the history of Hornby Institute, telling of all the work done by the ladies especially during the war years also of the adopted child sponsored, the memorial corner, etc.

Mrs. C. Ford, read the list of the past presidents ten of whom were present. The names of the past secretary treasurers were read by Mrs. Gordon Robinson with ten of these being present. A fourth life member, Mrs. Archie King, also the PR officer Mrs. F. Brown, were also present. Miss Ethel Brownridge, a former member, gave the memorial in honour of those who have passed away. She also read two very appropriate poems.

Several accordion solos were rendered by Miss Elaine Lamb and much enjoyed. Mrs. R. King introduced the guest speaker, Mrs. M. French, from the Bell Telephone Company. She showed slides and gave a commentary entitled "Down Memory Lane" which was most appropriate and brought back many memories. Mrs. Roy Wilson, introduced the other members present. A candle lighting service was conducted by Mrs. Lew Sampson who called on Mrs. B. Neelands of Oakville, who lit the candle for the past; Mrs. Patterson lit the one for the present and little Ertha May lit the candle for the future. Miss Lamb again favoured with two accordion solos. Mrs. Patterson called on some of the past presidents to say a few words.

All expressed their pleasure of being able to come and help celebrate the happy occasion. The secretary convener, Mrs. C. Wrigglesworth, thanked all who had taken part and those who had helped in any way to make the afternoon a success, also the ladies who served the luncheon.

Cites Local Committee For Results in Cancer Campaign

204 Eglinton Ave. E. Toronto, Ontario

Dear Sir: The Canadian Cancer Society's Campaign for funds in Georgetown this spring has been tremendously successful.

As Campaign Chairman for the Province of Ontario, I am delighted with the result that has been obtained. With an objective of \$10,750, our canvassers have to date collected over \$10,800, which is truly gratifying.

This achievement reflects the efforts of a strong campaign team headed up Mr. K. C. Hopper. It also gives positive proof of the interest and concern of the citizens of Georgetown for their fellow man.

These funds are sorely needed. They will be used to educate and inform the public about the disease of cancer and the value of early diagnosis. They will also help alleviate the suffering of those who are presently afflicted with the disease. Finally, the major portion of them will be directed toward cancer research which will hasten the day to when the answer to cancer will be found.

To the volunteers of the Canadian Cancer Society and the citizens of Georgetown we offer our congratulations and express our sincere appreciation.

Your sincerely,
Joseph A. Whitmore,
Campaign Chairman

Herald Helped Flowers of Hope

Milton, Ontario
June 15th, 1968

To the Editor:

As chairman of the recent Flowers of Hope campaign for the North Halton Association for the Mentally Retarded, I wish to thank you and your staff for the publicity your newspaper gave us during the year in support of our cause.

What all of us working for the Mentally Retarded want most is public acceptance and understanding of those who are mentally retarded. Only then will we be getting the manpower and contributions needed to provide the special services and reserch.

It is only through publicity such as we received from your

newspaper that this aim can eventually be obtained.

Yours truly,
F. V. CANNON,
Chairman,
Flowers of Hope

WORDS

Kinross — In Holland a periodical outdoor fair. In North America, an outdoor fair held for charity.

SCHOOLS WILL SOON BE OUT

Remind the children not to play with fire. Impress upon them the dangers to themselves and others. Make sure that matches are out of reach of small children and make it a holiday for the FIRE DEPARTMENT TOO.
