

Standards, Hunters in Softball to Position

Hunters fashioned a 5-3 victory over Standard Products to gain a piece of first place in the Georgetown Industrial Fastball League Wednesday. Standard and Hunter both have three wins and a loss.

Hunters, formerly Kinsmen, relied heavily on the throwing arms of Bob Newman and Jason Field who shared winners pitching duties. Gord Spence twirled a good game in the team's first losing game.

Blue Giant added considerable to the traffic jam in the standing when they edged Dodge Brothers 6-5 to create a five-way tie for second place in the other Wednesday game.

Charlie was the winner, while Whiting took the loss.

In action earlier in the week, Blue Giant took it on the chin from Combines who pounded BG 19-2 for their second victory. Kent Riddall on the rubber, and

Installation Ceremony For New Executive

lucky thrower on this occasion. The winners were: Tom James, Art Hills, Jim Randall, Bob Williams, Chuck Hennessey, Bob Williams and again Bob Williams. Maudie Norris, Frank King and Bob Jepson.

The couples who were at the dance on Saturday enjoyed the music of the Tune Dusters who seemed able to play the type of music the patrons of Branch dances enjoy dancing to. Lloyd is hoping to book the Tune Dusters for an evening later in July. Prize winners at the dance were: J. Peate, Alice Bulmer, Ralph Purvis.

Friday, July 5th one of the many organizations sponsored by the Branch is having a dance in the auditorium. This time it is the Minor Soccer Association. So, if you see coach, manager, referee and committee member Bill Mannahan rushing around the Branch in his pyjamas, you might just be able to stop him long enough to get a ticket from him. Someone said Bill's attire is a coach's uniform. To us it looks like pyjamas.

Ladies of the Auxiliary who wish to attend the Auxiliary birthday supper and dance must be paid-up members. This will be on Friday, September 13th. The Branch ladies are not superstitious, that's for sure.

On the subject of paid up members it seems there is a mere dozen or so who have yet to pay their dues to Branch 120 for 1968.

See you at the General Meeting tonight, Thursday June 27.

We understand the first executive meeting in July will be mainly for the appointment of committee chairmen. Each executive member should have a committee to chair. This is one of the reasons for his being an executive member, any member who is reluctant or feels he has not the time to be a chairman at once becomes useless to the executive. He becomes a flotsam on the beach or as a piece of redundant equipment. The executive cannot operate as a team with one or more members standing on the sideline looking on.

Last Thursday evening, sixty-seven ladies of the Branch auxiliary were wined and dined in the auditorium, where they were guests of the Branch. The Branch executive and helpers were kept busy preparing the meal which was southern fried chicken, potato salad and trimmings and waiting on tables. They were a weary group by the time the evening was over; however, the ladies really enjoyed their evening and it was felt the effort was worthwhile.

We were happy to be at Brampton on Sunday to witness the handing over of the Lorne Scots Regiment to the new commanding officer. This is a dignified traditional ceremony which has been carried out by the Regiment over the years. However, this occasion was of great interest to Branch 120 for Colonel Earl Lince, the new commanding officer, not only resides in Georgetown but is a member of Branch 120. Representation from Legion Branches of Orangeville, Brampton and Georgetown were invited to take part in the march past and we might add these veterans marched past in a smart, dignified manner which left nothing to be desired.

With Joe Poirier at the helm, Friday evening's dart shoot went off as smoothly as always. Bob Williams seems to have been the

Council Stymied, Can't Restore Ewing Stream

Another letter from Cyril Clarke, Ewing Street, complaining about the destruction of his hedge and the cutting of a stream, was read to council.

Mr. Clarke, asked the town to force the contractor to fix both.

Cr. William Smith said, "We have discussed this again and again. Mr. Clarke first said he wanted the hedge replanted, then said he did not when it was too late. So we felt it was no longer our problem since he changed his mind."

"Who else but the contractor has the responsibility?" asked the mayor. "They made the mess."

The matter of the spring is more complicated, said Cr. Smith. He explained the pipe was never broken, but somewhere the stream was diverted. "We'd have to look for a stream which could cost three to five thousand dollars, and the engineers say we would probably never get it back," continued Mr. Smith.

He stated, "If it were just a simple matter of tapping a catch basin we'd do it in a minute."

On Friday, September 13th, the Branch ladies are not superstitious, that's for sure.

On the subject of paid up members it seems there is a mere dozen or so who have yet to pay their dues to Branch 120 for 1968.

Home Club's Entry Wins Bowling Tourney

Georgetown Lawn Bowling Club enjoyed a most successful tournament, Saturday.

It is several years since Georgetown has operated a tournament but intend to hold one or two a year. The games consisted of three 14 end mixed troubles with four entries from Guelph; one Milton; one Port Credit; one Streetsville and three Georgetown.

Oliver Hunter of Georgetown with Jean Graham and Ron Perry won three games and won the tournament; Bob Samuel and his team from Guelph won 2 games high and Bill Legate from Guelph was one game high.

A most enjoyable day was had by all and some of the Georgetown members, also from Port Credit and Streetsville attended the Barbeque at Maple Lodge Farms between the 2nd and 3rd lanes.

Mike, son of Mr. and Mrs. Walter Zuber wants to know if this is a record for the season.

508 Foot Tower Rising at Hornby

The tower is being erected for Maclean-Hunter Cable TV at a cost of \$35,000. It will relay TV signals to cable TV subscribers' homes in west Toronto Etobicoke and Mississauga areas according to the project's chief engineer S. Switzer.

The property on which the new tower is going up is between the Base Line and the MacDonald-Carlier Freeway. To

waiting approval to erect a 740 ft. tower on the same farm.

Mr. Switzer said the 508 ft. tower would be finished by tomorrow.

A chairman of a meeting is like the official at a bullfight who opens and closes the gates to let the bull in and out.
