Hospital Careers Are Explained To Institute

Mrs. Kirby of the Georgetown hospital staff, gave an address on hospital careers when she spoke to members of Terra Cotta Women's Institute at their June meeting. Mrs. William Ostrander was hostess with girls of the 4-H homemaking club present.

Mrs. Kirby's information contained the educational requirements and responsibilities of those working in the hospital.

Roll call was answered by naming a common household poison — the two most common being aspirin and lemon oil.

Mrs. Leslie Young, representative to the Red Cross, gave a report of the last two meetings, attended. Interesting facts regarding the 4-H club's projects. Working in Wool and the Supper Club were given by Gwendolyn MacDonald, Claire Bishop and Marion Young.

The courtesies were given by Mrs. C.G. Bishop and lunch was served by the hostess and her assistants Mrs. L. Campbell, Mrs. A. McDonald and Mrs. A. McKane.

We do not need a special day
To bring you to our mind,
For the days we do not think of you

We'd give it, yes and more,
To see the face of mother dear
Come smiling through the door
