BAHA'ULLAH
One hundred years ago one Voice forecast the spiritual breakdown now afflicting our world — and gave us the solution to it. The series of events that surrounded the most remarkable story in man's spiritual history — It is the story of Baha'ullah. You owe it to yourself to read it. Write BAHAA', Box 164, Oakville, Ontario. There is no cost or obligation.

A hundred years ago, a Prince in a Turkish forest in the Holy Land announced a new Revelation of God. His name was Baha'ullah. His "letters to the Kings" are, without doubt, the most remarkable documents in religious history. Several million people have now responded to his call.

Local clergy of all faiths have just received an offer of Baha'ullah's Message. We urge you to investigate it either through your clergyman or by writing:
