

Accompanies Students Plane Jaunt to Europe

Mr. Robert Lindsay is enjoying a plane trip to Europe with a group of Acton High School students.

Miss Norine Noble obtained high marks in Grade 3 theory recently. Congratulations.

Congratulations to newly weds of Friday, Marlene Heisler and Glen Rae.

Also to Rhona Gadd and Jack Scholz who were married at St. George's Anglican Church on Saturday evening.

The WMS met at the home of Mrs. Bert Benton on Thursday evening with thirteen attending and vice president Mrs. Roughley in charge.

Mrs. Bert Benton read scripture and Mrs. Mills led in prayer. There was a special collection for the supply fund. Mrs. Crichton, convening the study, explained 'The Apostle's Creed' in story form. Ordain was text word found in scripture verses. Mrs. Roughley played a piano solo 'It is Well with my Soul'. After the meeting the hostess served refreshments.

Mrs. Meredith had a successful household goods sale on Saturday.

Recent visitors with Mrs. Mitchell and Mrs. Sanford include Mr. and Mrs. Roy McQuill-

an and Roy Jr. of Thornhill, Mrs. Roy McQuillan of Willowdale, Misses Frances Millar and Dorothy McBride of Weston.

Mrs. E. Sanford was a guest at the Foster-Laird wedding in Knox Church on Saturday. Mrs. Mitchell, Mrs. Sanford and Mr. and Mrs. W. Sanford attended the trousseau tea at Miss Laird's apartment in Brampton a week ago.

The WI catered for the Rae-Heisler wedding reception in Esqueving Township Hall on Friday evening and held a booth sale at Mr. Meredith's sale on Saturday.

Mr. and Mrs. Jack Turnbull, Misses Janet and Marlene Turnbull and Mr. Jim Papple all of

Foods to serve with punches should be simple and not too highly seasoned. Cookies, salted nuts or open-faced sandwiches are ideal flavormates.

Seaforth were Sunday visitors with the Bentons.

WHAT AM I BID FOR THIS DYNACARBOLUBRICAM?

SOMETIMES EVEN AUCTIONEERS need a change of pace. At an auction of garage items recently at Lincoln Motors on the corner of Guelph Street and Mountainview Road there wasn't a leopard skin lampshade or Ming dynasty coffee table in the place. Mechanically minded bargain seekers came from far and near to find the turbocharger sprocket and the hydrapump connector arm they had been looking for years. Above, auctioneer Alf Spence gets some assistance from Al Zeravlev who for over 20 years operated the garage.

Zone Golfers Advance To District Finals

by Ralph Hawes

At a special executive meeting called by president Henry Hale, the only subject discussed was the renting of the Branch auditorium. The executive has drawn up a legal agreement which we feel is most fair and foolproof. In future, those wishing to rent the hall will know exactly what they are getting and what is expected of them. For every detail will be in black and white on the agreement which they must sign before renting. This is another move in the right direction and one which is long overdue.

The last unit of the commodity sold by the Branch was purchased by Bill Rannachan at approximately 3 o'clock Saturday afternoon. Dennis Wright who was seconds behind Bill was too late but sympathetic Gib Telford, unable to watch a fellow member suffer, shared his more or less out of business. Gib is making like a painter with brush and roller in the downstairs room.

Bush Wolf is Latest Addition At Mountsberg

A bush wolf has been added to the collection of wild animals at Halton Conservation Authority's Mountsberg Game Preserve.

The three-month-old cub was given to the Authority by the Dept. of Lands and Forests after it was handed in by Waterloo Police.

The cub is living in a pheasant run at the preserve, about four miles west of Campbellville.

Shot Mother

It was picked up after a hunter shot its mother at Beverley Swamp in Flamborough. He claimed the \$40 bounty on the wolf and took the cub along to Waterloo Police to claim a bounty on it.

The police passed the bush wolf cub on to the department and it has been presented to the Halton Conservation Authority to aid its program of building up a collection of every species of wild animal living in the general area.

The animals are being kept at Mountsberg and are proving a great attraction, especially to children.

Two wild deer at the game preserve, however, have been having a hard time with visiting youngsters who chase them round their one acre pen.

Skin Torn

One recently had the skin torn off its neck when trying to jump a wire mesh fence round the compound, after being harassed by youngsters, and another deer is crippled as a result of a similar escape bid.

Neither have had to be destroyed, however. Both are said to be in good condition.

Recently a raccoon, there is also a fox being kept at the preserve, and there are dozens of two-inch high pheasant chicks chasing round their runs.

A number of geese at Mountsberg have recently hatched eggs and have several goslings chasing after them around the area.

was yet another success with the couples enjoying the ever popular music of Ross Hillier and his group. A surprise prize was won by G. Coates while 2 doorprizes were taken home by Jim Murphy and Roberta Spencer.

We note that since their success at Tillsonburg, the Branch Pipe Band has obtained two engagements; one in London in September while in October they will be on parade at the District Convention.

A tip of the hat to newly appointed Entertainment Chairman Jim Johnson and his willing helpers for a very successful Branch picnic on Sunday. The location was perfect, thanks to the kindness of Mr. and Mrs. Gord Browne. The weather was ideal. Everyone seemed to have a good time. There was plenty of everything for the small fry and adults.

Every child under five years received a prize. Other prizes for first and second spot went to Sandra Sadore, Linda Gaskill, Dave Kemshead, Dave Finley, Kelly Sadore, Nancy Nurse, Steve Brunski, Steve Archibald, Maxine Kemshead, Althea Calder, Stephen News, Tom Fitzmaurice, Kim Kemshead, Pat Narev, Mike Fitzmaurice, Wright Laidler, Mary Davies, Wendy Wood, Howard Ferguson, Doug McLean, Joan Archibald, Ann Nicholson, Ken Johnson, George Archibald, Bob Nicholson, Jim Arnold, Jack Kemshead, Joan Archibald, Jack Timpson, Betty McLean and Bernie Dore.

We were happy to see the new commanding officer of the Lorne Scots at the picnic Col. Earl Linee, and Mrs. Luce were there to cheer on the Lorne Scots 'Tug o'War Team', unfortunately W. O. Westlake was unable to muster a full team, however the final result of the contest was a foregone conclusion. The Legion won again this year.

At Port Credit on Saturday, Branch 120's team were second to Port Credit in the Zone golf tournament, Harry Chappel, Jack Timpson, Ken Nash and Jack Kemshead will move on to district, this will be played at Port Credit some time in August.

We understand there will be another team from the Branch at Port Credit for the District tournament. We have received no information regarding the names of players in this team.

However we understand that McLean won a trophy for low net. Jack Kemshead was 2nd low net.

Deer Disposal Problem for Warden, Police

For three days July 8 till July 9 a dead deer lay on the Erin-Esqueving town line, before it was disposed of by the township road superintendent.

Evidently the deer had been hit by a car Friday night, but lay unnoticed until Saturday morning. The road superintendent told The Herald the OPP shot it Saturday, putting it out of its misery.

However it lay there till the Monday when Mr. Snow, who has no responsibility in this matter, loaded the deer on a township truck and took it to the dump where it was buried. Much to his surprise, he found the carcasses of dogs and rabbits on the dump. The question arises what is a motorist supposed to do if he hit a deer on the highway. The proper procedure is to call the game warden. Since most people don't know the game warden the next step is to call the police.

With small animals it is advisable to bury them, either where they are hit or at a more convenient place. This is presuming the owner cannot be found.
