BALLINFAD

Cemetery Improvements Discussed at Meetings

There were two cemetery meetings called last week, one for Tuesday night in the interest of Providence Cemetery (9th Line) and the other was an open meeting on behalf of Ballinfad Cemetery.

Due to showery weather not many met at the cemetery at the sixth line but it was decided by those present that more fill was necessary and it was also agreed that weeds should be sprayed in the near future.

The Ballinfad meeting was held in the church basement with a good attendance. Miss Beatrice Hills who has been secretary treasurer for a great many years resigned, and Mrs. Willard Sanderson was appointed to take the office.

Mr. and Mrs. Peter Gore, of London, England, are visitors with Mr. and Mrs. Archie Law, Mrs. Gore is Mrs. Law's sister and this is their first visit to Canada. They are enjoying their two weeks holiday here very much as the Laws are taking them around to all places of interest. They were really impressed with seeing Niagara Falls. This week they will be spending some time in the Muskoka area.

Mr. and Mrs. Leo Jamieson and family are spending a holiday at Lowerburton Provincial Park near Port Elgin.

Mr. R. M. Dickerson of Toronto spent Sunday with the Frank Smiths.

Mr. and Mrs. C. Cargill and family were recent visitors with Mr. Tom Mack.

Robert Keir, son of Mr. and Mrs. Alexander Keir, left by plane last Thursday for a six weeks holiday in Scotland. He will be visiting his grandparents and other relatives, also renewing acquaintances with his young friends.

Miss Irene Keir is spending the summer at Wasaga. She graduated from Lake Shore Teachers' College in May and has accepted a position with a public school in Georgetown.

A very successful Vacation Bible School ended on Friday. Three car loads of children met at Ballinfad each morning and joined others at Churchhill. They had worship service, sing-songs and were taught to make a variety of things in the workshop.

The young ladies from Ballinfad who helped to instruct the pupils were: Annie Shortill, Kathryn Sinclair, Bonnie Shortill and Karen Shortill. Mrs. Leo Jamieson also gave of her time and assisted along with a group from Churchhill.

Mr. and Mrs. Elwood Snow and family, Mrs. J. Snow, Mr. and Mrs. Clarence Snow, Mr. and Mrs. Lloyd Marshall attended the Snow family reunion at the home of Mr. and Mrs. Jim Snow, Hornby.

Mrs. Frank Smith was in Toronto on Monday. She attended the funeral of the late Mrs. Jesse Hazewood who was a great friend of the family. She lived in the Georgetown area for a number of years.

Engage Architect to Plan Children's Aid Building

Presently renting an old house on Hugh Street in Milton, Children's Aid Society is making plans for the future and has engaged an architect to draft a preliminary plan for a new building.

Architect Donald Skinner has come up with a design for a split-level, square building incorporating office space, a board room, observation room, interview rooms and storage areas, with of Milton reports. The Society has already studied the plans and has forwarded them to County Council's property committee for consideration.

To date no specific site has been considered by the Society, Reeve Ledwith said.

Two Minor Injuries In Milton Car Smash

Three men escaped serious injury in an accident which caused \$1,300 damage near Milton late Wednesday.

The accident, on the 7th Line of Esquimaux at No. 10 Sideroad, involved a car driven by Lorne D. Hammond of Georgetown and one driven by Ivan Mackenzie of Toronto.

Hammond received a cut over one eye and his passenger, Herma Fiddler, also received minor injuries.

Waters Third Best of 1200 Holstein Herds

During 1947 a total of 37,021 cows in 1,242 herds in Ontario were enrolled under the supervised Dairy Herd Improvement Association milk testing programme. These herds belonged to 76 different associations with a supervisor in charge of each. Three of these associations are in Halton County.

Halton Centre DHIA under the supervision of Howard King, placed 5th in Ontario, with the 483 cows averaging 11,076 lbs. of milk, 455 lbs. of fat, for a Breed Class average of 110 and 115. In 6th place was the Halton West Association of Gordon McCormack, with 488 cows producing 11,761 milk, 446 fat, for B.C.A.'s of 111 and 113. The Halton East Association of Frank Chisholm was 32nd, with 422 cows giving 10,883 milk, 412 fat, with B.C.A.'s of 103 and 108.

In the individual herd section Mr. Stan Waters of R. R. 2, Georgetown placed 3rd out of 1200 Holstein herds, with an average production from his 20 cows of 14,644 milk, 565 fat, for an average B.C.A. of 141.

Galbraith Brothers of R. R. 1, Burlington, the top scoring Holstein herd in 1946, placed 8th with their 25 cows averaging 13,534 milk, 566 fat, for an average B.C.A. of 130.5. In 13th place was Denzil Lawrence of R. R. 1, Milton, with an average B.C.A. of 135. C. A. May and Son, R. R. 2, Hornby was in 17th place with a B.C.A. of 134. C. Barth, R. R. 1, Glen Williams, 24th with a B.C.A. of 131; and Walter Egger, R. R. 6, Milton, 27th, with a B.C.A. of 130.5.

For the Guernsey breed, Mr. Halton Gunby of R. R. 1, Burlington was 4th with a B.C.A. of 110.5.

DHIA provides the farmer not only with the milk and butter fat production of each cow in his herd, but also provides him with the cost of production on his farm. Thus he can pick out his weaknesses in comparison to others and attempt to improve them the following year.

Anyone interested in joining DHIA should contact one of the supervisors or the Agricultural office.
