League Leading Midgets Add 2 Week-End Wins

Georgetown's baseball Midgets squeezed by Oakville Midgets 2-1 Sunday on the strength of a brilliant pitching performance by D. Walker. The local thrower baffled Oak batters completely, fanning 18 in fashioning a two hittes.

Georgetown drew first blood in the fifth inning as Williams drew a walk, stole second and went to third on Bob Neil's long fly, and scored on Clark's single.

Oakville pulled even in the seventh when Christie singled and came home on Stewart's double.

Georgetown turned an Oakville miscue into the winning run. Williams in the bottom of the seventh, was hit with a pitch went to third on Bob Neil's single and romped home on a throwing error.

Walker struck out the side in both the 8th and 9th innings.

Monday Georgetown Midgets made it a perfect weekend by stopping Waterdown in their home park 7-1. Stewart the winning pitcher, was credited with a one hitter.

Bill Neil launched the Georgetown scoring in the opening frame when he walked, stole second and third and scored on Clark's single.

Georgetown base running kept Waterdown off balance as the locals stole six bases in the first three innings. However, their second run didn't come.

Rid Walker Triple Winner for Karters

Only Rid Walker had a perfect night at North Halton kart track Wednesday. Despite challenges from Peter Haynes and Kevin MacIntyre, Walker won all three Junior boys class races, a feat unequalled by any of his cohorts.

Dave Morey, Bill Wilson and Gerald Whaling shared Class 5 honours, winning the heat, semi and feature respectively. Bill Gauthier and Bill MacCormack were winners, and in Class 3 Ernie Briggs copped the heat and feature with Bob Stevenson spilling his sweep with a victory in the semi.

Chuck MacMillan was a two time winner in the Class 2, and Gary Bonham grabbed the other winning spot.

In a powder puff derby for the girls, Goldie Coe led Joy Gauthier, Fay Young and Sandy Farr across the finish line.

Finished Fourth, Glen Juveniles Meet Hornby

Glen Williams juveniles, who finished fourth in the rural football schedule just concluded, are optimistic about their chances of knocking off unbeaten Hornby in the loop semi-finals.

Hornby amassed 20 points in their perfect season, Hillsburgh and Orangeville tied for second with 16, Glen Williams collected 6, Drumquin 4 and Alliston 0.

Despite their low total the Glen team is considered capable of putting the first place team on the sidelines with a semi-final upset. Hornby and the Glen met twice during the regular schedule and both were close games.

The Glen team, coached by Jim Cain with Jim Little assisting will host the second game of the best of five series Friday or Saturday. It opened Wednesday in Hornby.

Will Teach Ball Skills Back Home in England

Kathy Greener, who scored a home run for Mardell's Hair-styling in a recent game in the Kinsmen girls' softball league, was feeling pretty good about it, as she only started to play softball after she arrived in Georgetown from England in June.

She is here to spend the summer with her brother-in-law and sister, Mr. and Mrs. John Gotthard, 17 Eleanor Crescent.

Kathy has become very interested in the game and is looking forward to teaching her friends back in England how to play, especially as she is the only child in her town who has a glove and ball.

Kathy practices every day with a friend Gillian Hooton and with her brother-in-law who not being used to all the exercise he has had since her arrival, is looking forward to a well-earned rest when she returns home in September. Kathy says she thinks Canada is a wonderful country and would love to stay if her mother, father and brother Kevin could be here with her. She enjoys trying all the different types of food and is looking forward to visiting Toronto, Kingston, Brockville, Ottawa and Montreal before going home.

She was invited to spend a couple of days at Park public school before school closing for vacation, and therefore she will return home with many happy memories, a wealth of experience and more understanding of people and other countries.
