

About Key Clubs and IMPS In Grass Skirts

GO NATIVE

By Ralph Hawes
The Imperial Section seems to have put a lot of endeavour in their efforts to make this year's 'Annual Trip' a trip with a difference. A mark of distinction with this trip is a Hawaiian meal and meal. Now this to us seems the curiosity. The 40 seater bus will leave the Branch on August 31 bound for Orillia where lunch will be awaiting the Imperial members. After lunch, members may stay at the Branch, go to the stores or visit the picnic park; or better still, take a trip by sea plane. Sounds good. There is an extremely comfortable ladies lounge at the Orillia Branch.

Because of the Hawaiian Dance, the Orillia Branch Entertainment Committee hopes all visitors from Georgetown will dress accordingly. So dig out those grass skirts you haven't worn for so long and go native. No spears or machetes; go peaceful, take your guitars. Anyone interested, see Jimmy Murphy.

Next on the Imperial calendar is the annual barbecue which is in September at the home of Tommy Gadd. This is something you should not miss.

Writing about the Imperial activities brings to mind that a veteran Branch and Imperial member and his wife are celebrating an occasion on Friday, August 2nd. Alex and Elizabeth (Jenny) Taylor are celebrating their 55th wedding anniversary. They expect to enjoy this day with their daughter, son-in-law and three grandchildren.

OVER 'OME
This month we have a number of members visiting the old country. Matt McDonough and family left last Friday. Art Roberts and family will travel with Ways and Means Chairman Norm Ward and friend Ada this Friday. Mrs. Elizabeth Capperault left for Bonny Scotland last Monday. With her she had her three girls. The District Commander will be back in a few weeks. This should be interesting. Should have a barrack inspection once a week; check on the used dishes etc.

Although Norm Ward will be away for three weeks, things will go on as usual. Joe Poirier will run the "Friday" evening Dart Shoot. Jim McPherson will supervise shuffleboard on Wednesdays, while Gib Telford will see to it that the Saturday dances will continue without interruption.

KEY CLUB
Art Roberts who is visiting Barrow in Furnace will be mis-

sed by the many crib players who challenge him so often. It seems he is hard to beat but Art told us on Saturday, it was time he took a rest. He has lost the last five games he has played.

Those members who do not carry the Branch key are advised to do so in future for the Branch is reverting back to being a "Key Club" again. For those who have no key, keys may be purchased from the steward.

In an effort to increase the sale of the monthly tickets, Ways and Means Chairman Norm Ward has come up with an idea which could pay off. He is going to give the person who sells the highest number of books each month, twenty dollars.

Salesmen, get your tickets from the steward. The winners of the July draw were W. Lough Jr., M. Smith, and W. Henderson.

ODDS AND ENDS
In spite of the holidays, the Dart Shoot was well attended. The winners last Friday were Keith Lee, Mrs. Robert Waites, Jim Williams, John Ferguson, Gib Telford, Dave Bell, Tom Burgess, Pat Boyd, Jim Williams and Don Whiting.

At the dance on Saturday where the Tune Dusters played.

Sun Fun by Lake for All

HEART LAKE — When the week's work is over, thousands head for cottages up north, by the lakes, or away on vacation to holiday spots around the world.

But thousands more, who have only one day, or perhaps two days, to spare seek recreation of the 9th Line are moving to Florida due to ill health.

a little nearer home. Heart Lake Conservation Area, controlled by Metro-Toronto Conservation Authority, is one of the places that attracts crowds every sunny summer day.

At Heart Lake you can fish, swim, boat, barbecue, exercise your dog, or just sit in the pleasant surroundings enjoying the sun.

Despite the heatness to Brampton and Bramalea, the majority of those at Heart Lake come from Toronto.
