

Merry-Go-Round Store Appealing to Youngsters

A toy store with the distinctive name 'The Merry-Go-Round' opened for business last week in the space recently vacated by the Scotch Bakery in the Legion Building on Mill St. The store is the retail outlet of Ronald Lincoln Ltd. the wholesale warehouse on Campbell St. opposite Standard Products.

Ex-nursery school supervisor Mrs. Sally Duffield, is running the store and hopes her experience with children will help many a customer out of the dilemma known as 'What to do you buy for what age?'

All kinds of toys, kits, games, dolls, construction outfits, inflatable rubber toys, etc. are available for the younger set, while the handcrafted gifts, mostly from India and Italy would delight any grown-up.

For over a year and a half Ronald Lincoln operated the wholesale business before deciding to add the retail outlet. He has provided the gifts for Christmas parties and summer picnics for many companies, both here and in Brampton.

Very soon the Merry-Go-Round, or Carousel, will be whirling around in the window of the store, to attract many small faces pressed against the glass.

Mount Dennis Visits, So Branch 120 Will Reciprocate

By Ralph Hawes

In spite of no mail delivery, the tickets for Warriors' Day were dropped off at the branch last Friday. Members and veterans wishing entrance tickets or for a seat on the bus have one day left to get them. The buses will be departing from the branch at 8 a.m. this Saturday, August 17th.

Last spring, the branch was host to members of Branch 31, Mount Dennis. It was an afternoon and evening which was enjoyed by the guest members and those of Branch 120. A return visit has been arranged by the branch entertainment chairman on Saturday, September 7th. Members of Branch 120 will travel to Mount Dennis. The bus will leave the branch at 11:30 a.m. and should be at Branch 31 between 12:30 and 1:00 p.m. Members interested should place their names on the list which is attached to the notice board at the branch. Bring your cards.

More on the activities of the branch for the fall: the Ways and Means Committee are busy setting up the branch third semi-annual stag which is on Friday, September 20. Members who wish to attend should endeavour to secure their tickets as soon as possible. This project is open to the public and tickets cannot be reserved. A number of members were a

9 New Teachers, Total Now 23 at Holy Cross

Nine new teachers will be on the staff of Holy Cross School when doors are opened in September, bringing the total to twenty-three, including Principal R. C. Perrott.

The teachers, new to the school are Miss M. Kavanagh, Mrs. A. Jaton, Mrs. L. Ahmad, Mrs. M. C. Hale, Mr. S. I. Hutchinson, Mrs. B. Lavoie, Mrs. L. Mieszanice, Mrs. M. Peddle and Mrs. Y. Weber.

The remainder of the staff includes Mrs. M. Boag, Mrs. M. Hartley, Mr. H. Woods, Mrs. M. G. Kent, Miss P. Nathaniel, Mrs. L. Lobb, Mrs. L. Norris, Mr. Leo Trumble, Mrs. D. Desprez, Mrs. A. Landry, Miss P. Lacourciere, Mr. R. Lobb, Mrs. J. Hewson.

little disgruntled because they were unable to purchase tickets for the spring stag. It is not the fault of the committee. The tickets are available but it is a case of first come, first served. It is the only way.

Almost time for kid hockey again, and time for Uncle Pook's, Branch 120 to dig once more. We understand that nine new sets of sweaters are needed this year. Chairman Bud James has been shopping around seeking the best buy.

The branch pipe band is still in the market for battle dress-tunics. So have a look in the old kit bag and maybe you just might find one. If so, hand it to the branch steward. More on the pipe band, we are informed that the members are having a dance on August 30. We are assured that there will be conventional dancing. Actually, we find it hard to imagine Ross Hillier playing pipe band music the whole evening. Last Saturday's weather was ideal for pitching horseshoes and contrary to other years, there was an excellent attendance. At the Zone or District horseshoes, it is taken for granted that Branch 120 will retain the trophies. On Saturday there was an upset. In the doubles, Brampton became the district champs with Lynden runners up. Singles were won by Lynden, with Bill Collier of Georgetown runner up. The pitcher who beat the branch champ Bill Collier out had to be good. He was. It was Frank Lenx, Ontario horseshoe pitching champ. However, the upset should create more interest next year. Other branches will see that Branch 120 is not invincible and will take heart.

The auditorium was quite crowded on Saturday evening for the weekly dance. Ross Hillier as usual was at his best. Two winners for the draw, Mrs. Joe Gouddy and Ken Nash. Hugh Cunningham received one door prize. We were unable to get the name of the other winner.

Thanks to Georgetown's Community Centre committee, the branch sponsored Air Cadet Squadron is just about set to take off. Rooms have been secured at Cedarvale. Equipment and furniture moving in and Frank Bull awaiting supplies
