BARGAIN DAZE — The mountain went to Mohammed last week when downtown merchants took their wares to the shoppers in the street during a three day sidewalk sale. Forty-seven stores took part in the bargain carnival. Above, shoppers flock around some sale items in the Wigo TV display. At right, Robert Gougeon of RG Furniture is kept busy. Free balloons were available for the children and tree pop was dispensed from the Winkmobile for shoppers of all ages. It was the second sidewalk sale in Georgetown this summer. In July, Georgetown Market merchants, who introduced sidewalk sales here three years ago, held a successful outdoors bargain fair at their Guelph Street plaza.

Branch Teams Place 6th, 7th in Provincial Golf

by Ralph Hawes
With the perfect weather and the high being constantly around the eighties the folk in this part of the province must find it hard to imagine anyone thinking of ice hockey, yet here in Georgetown a number of enthusiastic men spent Sunday afternoon doing just that.
Last Sunday afternoon's vice president Bruce Collins opened the first meeting of Legion Saturday-morning Hockey for the 1968-69 season, in the air conditioned auditorium Bruce welcomed the Ardent Devotees of Kid Hockey and wished them much success in the coming season, and passed the meeting over to Bud James chairman.
Entertainment Chairman Bill Fisher reminded the meeting of the social meeting which will take place this Saturday at the residence of Bill Edie; Stewart town, Chairman Fisher emphasized on the fact everything is included in the price of the ticket. Sounds like a good deal.
He also has a dance up his sleeve for Sept. 20th, and a side of beef for some lucky person in November.
Registration of players is scheduled for Saturdays Sept. 7, 14, 21 and 28 from 9 a.m. to 12 o'clock at the Legion Hall. All boys wishing to play must register no matter if they have played before, registration is a must.
A draft meeting is called for October 6 at 2 p.m. Legion auditorium.
Commissioner Bruce Walker has left town; a new commissioner is to be appointed by the hockey executive.
THREE AND OUT
Chairman Bud James intends to have a full executive at his meetings this season, any member missing three meetings, is off the executive.
Transfers between Saturday morning hockey and the All-stars will cease on January 1st, except for injury or sickness.
The ruling that each boy will have equal hockey time will be strictly adhered to this coming season, commissioner intend to bear down on coaches and managers to ensure that this rule is enforced.
And managers, anyone young at heart and hockey minded, willing to give a little of their time contact Jim Yates.
BE NOT RENEWED
Branch Membership Chairman Bruce Collins is by no means happy. After a careful

check of the branch membership he finds it hard to believe there are still 88 members who have not renewed their membership for 1968. Had these members been paid up, the Branch membership would have reached an all time high of 129.
It seems delinquent members are made up of two groups, those who joined last year, and for some reason have not renewed this year and the delinquents who will not pay their dues before the fall, and there fore cannot be counted on the paid up membership at any time. The only thing they do is create a very frustrated membership chairman.
NOT GOOD ENOUGH
At Hornby Tower Golf Club last Saturday the two teams from Branch 120 did their best

hitting the wee wee ball, but their best was not good enough and Dunstan Branch took the Provincial Golf Trophy home. There were approximately sixty teams tied off. Georgetown fellows finished in 6th and 7th spots which is good considering the opposition.
Both teams from the branch finished up with 329, Ron Napier 78, Jack Kemshead 81, Jack Tomlinson 80, Goh Collier 87. The other team entered by the branch were Andy St. Laurent 77, John LeMay 80, Scotty Patterson 81, Gord King 88.
Before anyone comes after our hide we are only quoting these scores as they were given to us.
The players were royally entertained at the Port Credit.
