

TIME OUT FOR TAGGING

JUNIOR GIRLS SOFTBALL LEAGUERS Gloria Hamilton and Laura Russell find a generous customer in Mrs. Norma Smith during two days of tagging at Georgetown Market and downtown. The girls, 150 of them, went fund-raising Friday and Saturday and raised \$370 for the junior and senior leagues which operate annually under the sponsorship of Georgetown Kinsmen.

Rain, Heat Have Effect On Week's Ball Games

Last weekend saw games either rained-out or played in Saturday's high heat and humidity at the park. The Tyke game scheduled for one was cancelled due to the condition of the park. Much work was put into the diamond so that the second game at 3:30 could proceed. In this game, the Alcan-Colony PeeWees bowed to East Hamilton by the score of 8-2. With the cooling tempera-

tures and winds, Sunday's scheduled games went on, the Juniors in one in which they met Owen Sound and walloped them 8-2 and the Giants later in between the rain drops. The Giants lost the game and their series two games straight to Bowmanville.

This Saturday the Tykes are host to Dundas at the park. They are behind one game in the series, having dropped one to Dundas 8-0 last Sunday in Dundas. The Midgets are scheduled for later the same afternoon with Ajax visiting. The local Phillips Chrysler Dodge team hold a one game edge over Ajax, having defeated them last Sunday in Ajax, 2-1. The Cosentino Bantams host Cobourg in the third Saturday afternoon game. They lost their opener last Saturday in Cobourg. The PeeWees travel to Hamilton on Saturday for the second game in the series. The Junior Merchants travel to Owen Sound for the second game of the series also on Saturday. If a third game is needed for either Midget or Junior, they will play at home in the park on Sunday afternoon.

A.M. Baxter Heads Night School

If there's a course you would like to see included in the upcoming 1968-69 term of night classes at Georgetown and District High School, newly-appointed night school principal A.M. Baxter would like to hear about it.
 The high school vice-principal, who was named head of the night school at Monday's high school board meeting, told the Herald the courses to be offered are still "under review" and can be influenced by particular interests indicated if expressed soon enough.
 Night school will start October 4th and 5th with short courses ending December 4 and 5, and twenty week courses resuming January 5 and 6 and concluding March 5 and 6. Classes will be held every Wednesday and Thursday.

Fire Won't Extend Summer Vacation

Public schoolers who thought they might get an unscheduled holiday as they watched Georgetown firefighters in action at Glen William public school on Monday, will still have to wait until the Thanksgiving Day weekend for time off.
 A minor blaze, apparently set by sparks from a welding unit, consumed a canvas, and damaged a beam and light fixtures in the Glen school's staff room shortly after noon hour, but was doused before it presented a threat to the rest of the building.
 Welders had been working on the roof over the staff room and the tarp was spread over furniture in the room.

COUNCIL BRIEFS

Council on Monday granted the Equestrian Agricultural Society their usual amount of \$250, and gave them permission to use the park for the fall fair October 4 and 5.
 Gave third reading to a by-law appointing Judith Shrubsole deputy-clerk of the town.
 Gave permission to Camp Norval to use the football field at the park Friday, August 30 from two till four.
 Passed a by-law restricting the use of the Mountainview Road S. bridge at Hungry Hollow to passenger vehicles only. Cr. Smith described it "as really only a culvert."
 Authorized Phillips and Roberts to give a final report on the John Street pumping station.
 Heard Cr. John Hole report the town forces will put the soccer field at Cedarvale Community Centre in shape.
