

# Extensive Renovations are Planned at Legion Building

By Ralph Hawes  
 First, we must make two corrections on statements made in last week's notes. The Saturday Morning Hockey Dance is not on September 20th, but Saturday September 28th, the next Soccer Association will be the dilly the golf tournament was not Provincial but district.  
 At the executive meeting on Tuesday, a helping hand was given to two very worthy groups in town. The Georgetown Minor day September 28th, the next Soccer Association will be the dilly the golf tournament was not Provincial but district.

## EVEN SCOUTS NOT PREPARED FOR JUPITER'S JOKE

JUPITER PLUVIUS was the only one laughing after the sky opened up Thursday night and dumped several inches of water on the tent town at Kelso Conservation area where some 3,000 Scouts were assembled for the first Ontario Jamboree. The campsite was left a shambles by the elements which brought the week-long session to an abrupt conclusion. This American Scout finds little to chuckle about as he picks his groceries out of the mire.

THREE HUNDRED of the 800 tents on the Scout campsite were dealt a knockout blow by the storm.

Bill was at Guelph last Sunday to the Legion's 7th Annual Clinic for track and field coaches. He returned full of enthusiasm and praise for the clinic, where he feels he obtained much guidance in coaching.  
 We will hear much more from Bill on this subject elsewhere in the issue.  
 President Henry Hale has appointed Lloyd Boyd as the Branch's new canteen chairman. Lloyd is house, chairman and will easily combine the two duties.

With fall almost with us it is fitting and proper that members should be well versed with the program lined up for them.  
 In two weeks time there is a trip for members to Mount Dennis, Saturday, Sept. 7, is the date. For more information on this see the notice board at the Branch.  
 Tickets for the Elimination Dinner are on sale, almost half of them are sold. This is on Friday, September 20th.  
 Annual corn roast at Gord Brown's will be on Sunday, Sept. 22nd.  
 The president's annual general meeting dinner will be on Sept. 28th. This is a must for all members.

**DART TIME**  
 The Wednesday shuffleboard will be dropped at the end of September to allow Industrial Darts to commence. Darts and Cribbage both are due to begin at the close of Sept. Friday night dart shoot will, we are informed continue through the winter.  
 Ladies Industrial Darts enthusiasts are sharpening their darts to commence throwing on Monday, September 9.  
 Tuesday afternoon euchre will be open to all those interested on Sept. 10.  
 Last yet most important, the Branch Membership Chairman has booked the auditorium for Friday, October 11, this will be Initiation Night for those members who have yet to be initiated. A dance will follow.

**EXTENSION**  
 Last Wednesday, the Branch building committee headed by president Henry Hale, had its first meeting with the architect, who will be working with the Committee from the preliminary stages until the completion of the proposed extensions.  
 It seems there is 5,400 square feet in the area of the proposed extension. The committee is anxious that every square foot will be used and that space for storage rooms etc., will be kept at a minimum.  
 A Ladies' and Escorts lounge, a Games Room, a new entrance to the new section, new stairway, air conditioning, were a few of the items proposed.  
 The architect will return to the next meeting with blueprints. From this stage the committee will iron out the wrinkles, and hope to have something substantial to present at the next general meeting Sunday, September 8th, will see president Henry Hale, past president David Bowman, and some members of the executive at Dunston for a meeting of the school of instruction.

**POPPIES**  
 Vice president Bruce Collins has officially taken over as Poppy chairman from Archie Pollock. Bruce will form a new committee, and then wade into a lot of work setting up for Nov. 11, Poppy Day. He will need the co-operation of many members on that day for it is the one day of the year that the Poppy Fund is able to enrich its coffers.  
 Chicken and turkeys were the tempting prizes offered last Friday at the Dart Shoot. Chickens went to Chuck Hennessey, Maud Norrie, Jim Williams, Dave Bowman, Barb Reece, Tom James, Bernice Emond and Maud Norrie. Turkeys to D. Bowman and Jim Williams.  
 Saturday afternoon Ways and Means prize was taken home by Albert Stapleton. At the Saturday Night Dance where music was supplied by the Tune Dusters, the big prize was won by Brim Bastedo. Door prizes by Jean Calder and Mrs. Hunter.

**BIRTHDAY SUPPER**  
 The executive of the Ladies Auxiliary are far from being happy over the sale of their Birthday Supper tickets. The success of this evening depends entirely on the members of the Auxiliary, for it is your night, and only members and their husbands are privileged to go. As this is the one opportunity each year that you can enjoy your own evening, it was hoped that more tickets would have been sold. However, the tickets are on sale for another week.  
 Just now there is a great demand for Hawaiian shirts and grass skirts, as the members of the Imperial Section prepare for their visit to Orillia this Saturday. Jim Murphy tells us there are four seats available on the bus for anyone wishing to take in the dinner trip.

**GOOD SPORT**  
 Sports minded Bill Hamachan, the fellow who runs around the Branch in his pyjamas and coaches Minor Soccer & is also working hard for Saturday Morning Hockey, has taken on yet another chore. He will be

## Blames Dirty Water Ruining Week's Wash

Mrs. Margaret Munro, 82 McIntyre Crescent in a letter to council, Monday night, consigned two baskets of laundry to council to do with what they wished.  
 She stated her wash was ruined by the town's dirty water. She claimed this was the third such happening. The first time she simply rewashed the clothes, the second time she received a minimum billing from the town which she claimed was the most she ever used anyway, and this time she said council could have both baskets of wash.  
 The mayor wondered why the iron removal plant had not been in operation during the water shortage since it uses more water. "It has only been back in operation a short while," said the deputy reeve. He stressed that no complaints at all had been received while the iron removal plant was in operation.  
 Mrs. Munro will be asked to make out a bill, and it will be turned over to the town's insurance company.

## PESKY PECKER

Anyone a solution for a wood pecker who does his hunting out of bounds?  
 The pesky creature has been bothering Mr. and Mrs. George Rowe, 20 Ann Street with his antics.  
 At first they laughed when he began his tapping under an eave of their home, but when holes began to appear in the woodwork it was too much of a good thing.  
 Mrs. Rowe says that when she chases the bird away, he sits in a tree, waits his chance and goes back to his house tapping.  
 She would appreciate advice on how to solve the problem.

## NOTICE OF CLOSING
