

Extra Week This Year For Town's Hockey School

Georgetown Minor Hockey Support Group's hockey school, annually the first activity on the Memorial Arena's new ice surface, will run for three weeks this year instead of the usual two.

Support Group president Del Beaumont, who is also chairman of the hockey school committee, said this week the town's rapid growth plus a large number of inquiries from out-

town youngsters prompted the group to tack on the extra week.

The school will open September 30th and run until October 19th inclusive.

Other members of the hockey school committee are Art Sheppard, Bill Korzack, Earl Neil, Roy Ward, Harry Nix, Charlie Fogal, Al Fleming, Bill James, Bob Hooper and Neil Butterworth.
