

Georgettes Look Best In Girls' Softball Finals

Georgetown's entry in the Halton Ladies Softball League, the Georgettes, may have the playoffs wrapped up before the league standing is settled.

Georgettes, who are still headlocked with Omagh at the top of standing, won the opening game of the Urban Division finals Monday night in Acton, beating the tannery-towners 15-3.

Georgettes got a bye into the finals. Acton eliminated Burlington. The tie-breaking game with Omagh to decide the winners was not played because the teams have not been able to find a satisfactory date for the contest. In all likelihood it will be put off until after playoffs.

Ev Smith was Georgette's winning pitcher in Acton, throwing a strong game in going the route. She got long-ball help at the plate in the way of triples from Susan Quinn, Jane McNally and Marilyn Eagles, the last with the bases loaded.

The winners' big frames were the second when they scored 5 runs, and the fifth when they added four. Acton scored one in the first and twice in the third.

Game two in the series goes in Gleg park tonight.

COUNCIL BRIEF

Zoning Objections
A public meeting will be held September 18, in Holy Cross Church to hear any objections to the proposed amendments to the zoning by-law.

Georgetown Man New Chief Of Manxmen

A Georgetown resident is the new president of the North American Manx Association.

Som Penrice, 36 Princess Anne Drive, was elected to the post at the biennial meeting at Huntington Beach, California. He had been vice president and is also a past president of the Toronto Manx organization.

Mr. and Mrs. Penrice and son Douglas flew west for the convention. They spent a week there, then travelled by train to San Francisco, north to Vancouver and returned home by train with a stop-over at Banff.

The 1970 convention is being planned in the Isle of Man itself, when large numbers of expatriates in Canada and the States will be flocking back to their homeland.

Plan November Honour For Vets of First War

by Ralph Hewes

Everything seems to be happening this month around the Branch. We understand the Ladies Dart League is already on its way, while the Men's Industrial Darts will commence on Wednesday, Sept. 25. This year there will again be 12 teams. Cribbage will start on Monday, Sept. 23.

Chairman Berne Dore has called a final meeting of the Industrial Darts and Cribbage Leagues for Wednesday, Sept. 18.

Last Wednesday many members of the dart league were in the Branch getting their throwing arms in condition for the coming season.

The two trophies the Branch have purchased to donate to the Minor Soccer Association are on display at the Branch, and whichever team wins them will have cause to be proud, for they are indeed magnificent trophies.

There are a few tickets left for those who wish to attend the Elimination Dinner, where they could win \$1,000.

The Imperial Section who seem to have the know how, when it comes to enjoying themselves, are having their annual Barbecue at the residence of Tom Gadd this Saturday.

Last week we mentioned a 50th Anniversary for the First War Veterans. It seems that the Zone has such an occasion already organized. This will be held at Cookville's new Branch on Saturday, October 12. It should be noted that this is for all First War Vets, whether they are members of the Legion or not. So, if you know a Vet, please invite him and be sure you notify President Henry Hale. Transportation will be available.

We understand the Branch is considering honouring the Branch 1st War Vets in November.

Approximately 30 members and their wives left the Branch midday on Saturday under the fatherly eye of Bruce Collins, for a visit to Mount Dennis, where they were welcomed by that Branch president and his executive.

Branch 120 did well for them selves in the prize-winning department. Bob McKenzie, and Flossie Tracy cleaned up on the euchre, while Mrs. Albert Porter proved herself to be the best darts thrower of the afternoon.

At the evening social, which followed a roast beef dinner, Lily Maybanks and Roy Wiggins received gifts of a tumbler set and a tray and coasters.

The president of Mount Dennis Branch, expressed how happy he, and the Branch members were to be the host to Branch 120, and hoped such visits back and forth would continue. He presented vice president Bruce Collins with a shaving set and to Virtie Collins a wall plaque.

Early Sunday morning, Dave Capperault, the illustrious District Commander, stopped long enough at the Branch to pick up three passengers, Henry Hale, David Bowman, and yours truly. Then he headed for Brantford. David flies very low, his wheels hit the highway on several occasions.

Dunroon Legion, at Brantford, is quite a new building, and president Henry Hale gave it a thorough inspection, possibly with thoughts of the extensions at Branch 120 in mind.

The School for Service Officers was most informative and covered all phase of welfare, from the Canadian Pension plan, which was explained by William Graydon, on to Veterans Pensions. John Gartshaw of the D.V.A. instructed on this. Miss Rose Dastyk, of the department of Social and Family Services, told how her department often tied in with the D.V.A.

Regional Service Officer, Syd Hope, described the duties of Branch Service Officers, to those people who were new to the job.

This coming Sunday is another busy one Branchwise. Zone Meeting at Erin, a good turnout is expected from Branch 120. Imperials not to forget their first meeting of the fall.

The Branch was a popular place on Friday night for the dart shoot. Winners were Bob Waites, Bud Hill, Ron Lincoln, Gib, Telford and Harry Bolton. Now that the evenings are cooler, there are more people taking advantage of the Saturday night dances. On Saturday, the Tune Dusters did a good job, and those there enjoyed themselves.

Prizes were taken home by Leonard Annett, Charles Crawford and Lew Tieron.

Guess who got lucky this weekend? You are right, it was yours truly. We won the ways and means prize downstairs in the afternoon.

Went upstairs in the evening, and repeated the performance. Ladies please remember your general meeting tonight, Thursday.

Curry Regains Crown, Is North Halton Champ

North Halton Golf & Country club's golfing champion is back in the overlap grip of Don Curry. He shot an 81 at the Maple Avenue club Sunday to sew up the title which was decided in four medal play rounds, two early in the season and two in late summer.

Curry surrendered his title last year to Harv Chappel. The North Halton champ will go against Georgetown's Golf & Country Club title holder Bob Harris, and the two local club pros will also face each other in the Interclub Trophy Matches at Guelph Country Club, Sunday.

North Halton champ Don Curry (left) and Georgetown Golf champ Bob Harris meet head to head in interclub matches at Guelph Country Club, Sunday.

Beaver Lumber Champs In Kinsmen Softball

The eager Beaver Lumber team has captured the Junior League pennant in Kinsmen Girls Softball, and one of their stars, Carolyn Barber, is the league's Home Run Queen.

Carolyn slammed 17 home runs to earn the crown, edging Laura Bodnar who hit 16, and Cathy Oprica, 15.

Playoffs, which get under way in midweek and continue Saturday, have Beaver Lumber paired off with Shop Rite; Georgetown Upholstery with Kinsmen's Home Run Queen.

In the Senior division, Young's Pharmacy has the title sewed up with a game to go. While the last meetings of the schedule, tonight won't affect the standings, it may serve to break a tie for Home Run Queen honors. Susan Stamp and Lillie Poulson each have four home runs.

ette Kruegers, Murray Motors with Dairy Queen, Superior Foods with Zenith Tool and Die, and Georgetown Cycle & Sports with Mardell's Hairdressing.
