

Bob Monckton Memorial Trophy Winner

FUTURE CLUB CHAMP?

Paul Armstrong, left, presents the Peter Armstrong Memorial Trophy to Bob Monckton, this season's winner of the award which goes annually to North Halton Golf & Country Club's best non-senior, be he junior or intermediate. Mr. Armstrong is a brother of the late Peter Armstrong, a North Halton junior who lost his life in a motorcycle accident.

Grand Jury Still Critical Of County Jail Facilities

A Grand Jury delivered another in a growing list of criticisms directed at Halton County's century old jail last week.

The seven-man jury sworn in Monday, the first day of the Ontario Supreme Court fall sittings, led off with an urgent request that a new regional jail be constructed to replace the existing one.

Acquire Land

"We unanimously recommend that the province proceed immediately to acquire land for a new county jail and proceed with its construction with all convenient speed," the jury report to Mr. Justice W.D. Parker said.

"We also recommend that there be larger facilities for the Governor and staff in the existing premises (including a private office for the Governor)," it continued.

The jury noted specifically that there is no admitting room or detention cell for incoming prisoners in the jail. It recommended that both be provided so a prisoner can be medically examined and, if necessary, treated by a doctor "before exposure to other prisoners."

"We were impressed with the care and maintenance of the building and with the generally cheerful attitude of the prisoners," said the jury. "They were courteous to the Grand Jury and respectful to those in charge."

The jury's report got instant backing from Justice Parker.

"I agree with your initial recommendation. It's long overdue," he said moments after reading the report.

In December a Grand Jury report calling the jail "cramped, badly lit, suffering from crude sanitation, and inadequately served for libraries and recreation" caught the attention of Allen Grossman, minister of reform institutions.

Grossman announced 10 major changes planned for the building. At the time he noted the jail was built in 1878 and, as a structure, "can never be operated as a true correctional unit."

Regional Centre

Halton East MPP Jim Snow has said renovations to the jail brought about as a result of the government investigation, will not interfere with plans to construct a modern regional detention centre to serve the Halton-Peel area.

The proposed regional centre will be built on a 95-acre site at the southeast corner of Highway 401 and Highway 25. The \$2,000,000 centre, dubbed

"Maplehurst" is part of a 15-year plan to replace antiquated county jails across the province with regional centres.

The program was unveiled a few months after the province took over all costs of administering justice. Maplehurst was originally planned for a site near Hornby. The site was changed after the takeover was announced.
